OFFICE OF PERSONNEL MANAGEMENT

5 CFR Part 532

RIN 3206-AN37

Prevailing Rate Systems; Redefinition of the Asheville, NC, and Charlotte, NC, Appropriated Fund Federal Wage System Wage Areas

AGENCY: U.S. Office of Personnel Management.

ACTION: Proposed rule with request for comments.

SUMMARY: The U.S. Office of Personnel Management (OPM) is issuing a proposed rule that would redefine the geographic boundaries of the Asheville, NC, and Charlotte, NC, appropriated fund Federal Wage System (FWS) wage areas. The proposed rule would redefine Alexander and Catawba Counties, NC, from the Charlotte wage area to the Asheville wage area. These changes are based on a recent consensus recommendation of the Federal Prevailing Rate Advisory Committee (FPRAC) to best match the counties proposed for redefinition to a nearby FWS survey area. There are no FWS employees stationed in Alexander or Catawba Counties.

DATES: We must receive comments on or before May 27, 2016.

ADDRESSES: You may submit comments, identified by "RIN 3206-AN37," using any of the following methods:

SUPPLEMENTARY INFORMATION: OPM is issuing a proposed rule that would redefine the geographic boundaries of the Asheville, NC, and Charlotte, NC, appropriated fund FWS wage areas. The proposed rule would redefine Alexander and Catawba Counties, NC, from the Charlotte wage area to the Asheville wage area.

OPM considers the following regulatory criteria under 5 CFR 532.211 when defining FWS wage area boundaries:

- (i) Distance, transportation facilities, and geographic features;
- (ii) Commuting patterns; and
- (iii) Similarities in overall population, employment, and the kinds and sizes of private industrial establishments.

In addition, OPM regulations at 5 CFR 532.211 do not permit splitting Metropolitan Statistical Areas (MSAs) for the purpose of defining a wage area, except in very unusual circumstances.

Alexander, Burke, Caldwell, and Catawba Counties, NC, comprise the Hickory-Lenoir-Morganton, NC, MSA. The Hickory-Lenoir-Morganton MSA is split between the Asheville, NC, and Charlotte, NC, wage areas. Burke and Caldwell Counties are part of the area of application of the Asheville wage area and Alexander and Catawba Counties are part of the area of application of the Charlotte wage area.

Based on an analysis of the regulatory criteria for Caldwell County, the core county in the Hickory-Lenoir-Morganton MSA, the entire Hickory-Lenoir-Morganton MSA would be defined to the Asheville wage area. When measuring to cities, the distance criterion does not favor one wage area more than another. When measuring to host installations, the distance criterion favors the Asheville wage area more than the Charlotte wage area. The commuting patterns criterion does not favor one wage area more than another. Caldwell County resembles the Asheville survey area more than the

Charlotte survey area in terms of the overall population and employment and the kinds and sizes of private industrial establishments criteria.

Based on this analysis, we believe Caldwell County is appropriately defined to the Asheville wage area. OPM regulations at 5 CFR 532.211 permit splitting MSAs only in very unusual circumstances. There appear to be no unusual circumstances that would permit splitting the Bloomsburg-Berwick MSA. To comply with OPM regulations not to split MSAs, Alexander and Catawba Counties would be redefined to the Asheville wage area. The remaining county in the Hickory-Lenoir-Morganton MSA, Burke County, is already defined to the Asheville wage area. There are currently no FWS employees working in Alexander and Catawba Counties.

FPRAC, the national labor-management committee responsible for advising OPM on matters concerning the pay of FWS employees, recommended this change by consensus. This change would be effective on the first day of the first applicable pay period beginning on or after 30 days following publication of the final regulations.

Regulatory Flexibility Act

I certify that these regulations would not have a significant economic impact on a substantial number of small entities because they would affect only Federal agencies and employees.

ADMINISTRATION**

12 CFR Parts 701 and 721

RIN 3133-AE54

**Federal Credit Union Occupancy,
Planning, and Disposal of Acquired
and Abandoned Premises; Incidental
Powers**

AGENCY: National Credit Union Administration (NCUA).

ACTION: Proposed rule.

SUMMARY: As part of NCUA's Regulatory Modernization Initiative, the NCUA

Board (Board) is issuing for public comment a proposed rule to amend its regulation governing federal credit union (FCU) occupancy, planning, and disposal of acquired and abandoned premises, and its regulation regarding incidental powers. To provide regulatory relief to FCUs, the proposal eliminates a requirement in the current occupancy rule (formerly known as the fixed assets rule) that an FCU must plan for, and eventually achieve, full occupancy of acquired premises.

The proposal generally retains the current regulatory timeframes for *partial* occupancy. However, it modifies the definition of "partially occupy" to mean occupation and use, on a full-time basis, of at least fifty percent of the premises by the FCU, or by a combination of the FCU and a credit union service organization (CUSO) in which the FCU has a controlling interest in accordance with Generally Accepted Accounting Principles (GAAP).

The proposal also amends the excess capacity provision in NCUA's incidental powers rule to clarify that an FCU may lease or sell excess capacity in its *facilities*, but it need not anticipate that such excess capacity will be fully occupied by the FCU in the future. However, the sale or lease of excess capacity in *equipment or services*, including employee-sharing and data processing for third parties, continues to be limited to circumstances where an FCU reasonably anticipates that such excess capacity will be taken up by the future expansion of services to members.
