DEPARTMENT OF COMMERCE

International Trade Administration

Opportunity for U.S. Companies To Submit Smart City Products, Services, and Capabilities for Showcasing as Export Listings in the Upcoming Smart Cities, Regions and Communities: Global Tools of Engagement

AGENCY: U.S. Department of Commerce, International Trade Administration.

ACTION: Notice of Opportunity for Listing.

SUMMARY: Located within the U.S. Department of Commerce International Trade Administration, Global Markets (GM) promotes trade and investment. GM works to improve the global business environment and helps U.S. organizations compete abroad. In furtherance of GM's mission and the U.S. Department of Commerce's strategic goal of increasing trade and investment opportunities for U.S. companies globally, GM is offering a new for-fee service for U.S. exporters to be listed in an Export Listing Guide as part of a larger Smart Cities Resource Guide inventorying the various initiatives and programming related to Smart Cities within the U.S. Department of Commerce. The Export Listing Guide aims to showcase U.S. goods and services in the various sectors comprising Smart City urban development globally. For the purposes of the Export Listing Guide, 'Smart City' is a broad urban development term generally referring to urban planning and infrastructure development focused around the integration of multiple information and communications technology (ICT) solutions to better manage a city's municipal operations; and to provide real time citizen feedback for enhanced city governance. General domains of Smart City products and services can be categorized as: Energy & power; water & sanitation; information and communications technology; transportation; healthcare; design & planning; infrastructure financing; environmental protection/safety; and/or governance solutions. Please see **SUPPLEMENTARY INFORMATION** for additional detail regarding submission requirements.

DATES: Submissions and payment must be received no later than 5:00 p.m. EDT on May 25, 2016 for publication in the 2016 edition. Please reference the 'Submissions Instructions' section for submission guidance.

ADDRESSES: Please submit showcase pages by email to Rachael Croft, International Trade Specialist, Global Markets, at Rachael.Croft@trade.gov and Vinay Singh, Senior Advisor, Global Markets, at Vinay.Singh@trade.gov.

FOR FURTHER INFORMATION CONTACT: Rachael Croft, International Trade Specialist, Global Markets, U.S. Department of Commerce, Telephone: 202-482-3048 or Email: Rachael.Croft@trade.gov or Vinay Vijay Singh, Senior Advisor, Global Markets, U.S. Department of Commerce, Telephone: 202-482-7948 or Email: vinay.singh@trade.gov.

SUPPLEMENTARY INFORMATION: U.S. industry is competitive across various infrastructure and technology sectors that contribute to global Smart City, Regional and Community development. The goal of the Export Listing Guide is to promote U.S. goods and services that can be exported to global cities as they urbanize within a broader U.S. Department of Commerce smart city resource guide.

The U.S. Department of Commerce will publish this smart city resource guide for distribution at relevant trade fairs and exhibitions globally. The U.S. Department of Commerce will also host a digital version of the Export Listing Guide.

Criteria To Be Eligible for Listing

(1) A U.S. Company must meet the eligibility requirements for Global Markets/U.S. & Foreign Commercial Service for-fee export assistance services, which requires that a company be a U.S. exporter that exports or seeks to export goods or services produced in the United States. To qualify as a U.S. exporter, the submitter must be: (a) A United States citizen; (b) a corporation, partnership or other association created under the laws of the United States or of any State; or (c) a foreign corporation, partnership, or other association, more than 95 percent of which is owned by persons described in (a) and (b) above. To qualify as a good or service produced in the United States, the good or service must be either of United States origin or have at least 51% U.S. content if not of United States origin.

(2) A U.S. Company submission should showcase currently available U.S. goods and services exportable and applicable to Smart City urban planning and infrastructure development with

export potential in the following sectors: Energy & power; water & sanitation; information and communications technology; transportation; healthcare; design & planning; infrastructure financing; environmental protection/safety; and/or governance solutions. Preference may be given to submissions focused on priority global market needs in the (1) energy & power; (2) water and sanitation; and (3) transportation smart sectors leveraging state of the art technologies.

(3) Provision of adequate information on the company's products and/or services.

In addition to the above criteria, in making selection decisions, GM will consider the diversity of the submissions to arrive at an Export Listing Guide that will (a) represent the diversity of business sectors applicable to smart cities, as well as a cross-section of small, medium, and large-sized firms; (b) represent multiple technologies, products, and services within each sector; and (c) include new exporters in addition to companies with technologies, products, and services already implemented in foreign markets.

COST: The cost of a showcase 8.5 x 11 inch page for a large firm, defined as a U.S. firm with more than 500 employees, is \$795 per single side page. The cost of a showcase 8.5 x 11 inch page for a small or medium-sized business, defined as a U.S. company with fewer than 500 employees, is \$395 per single side page. Large and small U.S. firms can submit a minimum of one single sided page and maximum two single sided pages of content priced respectively at \$795 and \$395 per page. These fees will cover the expenses of designing, printing and distributing the Export Listing Guide.

SUBMISSION INSTRUCTIONS: All interested firms should (1) first register using this link: <https://emenuapps.ita.doc.gov/ePublic/newRegistration.jsp?SmartCode=6S4B>; (2) After registering, a representative from Global Markets will contact you with a Participation Agreement that will need to be signed and returned to us by email. The Participation Agreement can be emailed to Rachael.Croft@trade.gov; and Vinay.Singh@trade.gov; (3) Please submit your showcase page(s) by email to Rachael.Croft@trade.gov; and Vinay.Singh@trade.gov; (4) Lastly, a representative from Global Markets will contact you to complete payment over the phone.

U.S. companies must follow the instructions outlined below to format their submissions.

The address and deadline for submissions are as stated above in this

notice. Showcase pages must be submitted by email to ensure timely receipt and acceptance. Payment must also be received by the May 25, 2016 5:00PM EDT for inclusion of your submission. The fee will be refunded to companies whose submissions are not selected for inclusion in the Guide.

Instructions:

Regarding format, please email submissions as a completed showcase 8.5 x 11 inch page in a Microsoft Word document. For images and/or graphics used, including logos please use a minimum resolution quality of 300 DPI (dots per inch). All images and logos used should be included in the Microsoft Word document, they should NOT be sent as a separate attachment. Please note that listings will contain only factual information. The following information must be included within the showcase page: (1) Name of U.S. company, Web site, and contact information; (2) Brief factual description of the company; and (3) Factual information on the U.S. products and services the U.S. company wishes to highlight for export to global 'Smart Cities'.

The final publication and order will be at the discretion of Global Markets, U.S. Department of Commerce. The Export Listing Guide and future Web site will note that its contents and links do not constitute an official endorsement or approval by the U.S. Department of Commerce or the U.S. Government of any of the companies, Web sites, products, and/or services listed.

Dated: April 20, 2016.

Arun Kumar,

Assistant Secretary of Commerce for Global Markets & Director General of the U.S. and Foreign Commercial Service.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XE582

Fisheries of the Exclusive Economic Zone Off Alaska; Stock Assessment of Alaska Sablefish; Peer Review Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: NMFS has requested the Center for Independent Experts (CIE) to conduct a peer review of the agency's

stock assessment of Alaska Sablefish (*Anoploploma fimbria*). The CIE is a group affiliated with the University of Miami that provides independent peer reviews of NMFS science nationwide, including reviews of stock assessments for fish and marine mammals. The Alaska Sablefish stock assessment is reviewed annually by the Alaska Fisheries Science Center, the North Pacific Fishery Management Council (NPFMC) Plan Team, and the NPFMC Scientific and Statistical Committee. The CIE review will examine whether the assessment incorporates the best scientific information available for making management decisions and provides a reasonable approach to understanding the population dynamics and stock status of Alaska Sablefish. The public is invited to attend and observe the presentations and discussions between the CIE panel and the NMFS scientists who collected and processed the data, and designed the underlying model.

DATES: The public meeting will be held from May 10 through May 12, 2016, 9 a.m. to 5 p.m. Alaska Daylight Time.

ADDRESSES: The review will be held at the Ted Stevens Marine Research Institute, 17109 Pt. Lena Loop Rd, Juneau, AK 99801. Visitors will need to sign in at the front desk.

FOR FURTHER INFORMATION CONTACT: Dana Hanselman, 907-789-6626.

SUPPLEMENTARY INFORMATION: The CIE panel will consist of three peer reviewers who will assess materials related to the topic, participate in a review workshop with the NMFS scientists who developed the model and the analytical approach, and produce a report. This review will be highly technical in nature and will cover mathematical details of the analytical approach. More information about the CIE is available on its Web site at www.ciereviews.org.

Members of the public are invited to observe, and will be provided opportunities to contribute on May 10 and May 12, 2016. The final report will be available prior to the September NPFMC Plan Team meetings and will consist of individual reports from each panelist and a summary report. The results of the review will be presented during the September 2016 NPFMC Plan Team meeting, which will be announced at a later time in the **Federal Register**.

Special Accommodations

These workshops will be physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids

should be directed to Pete Hagen, 907-789-6029, at least 10 working days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: April 22, 2016.

Emily H. Menashes,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Marine Recreational Information Program Fishing Effort Survey

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before June 27, 2016.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Rob Andrews, NOAA Fisheries, Office of Science and Technology, (301) 427-8105 or rob.andrews@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

Marine recreational anglers are surveyed to collect catch and effort data, fish biology data, and angler socioeconomic characteristics. These data are required to carry out provisions of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*), as amended, regarding conservation and management of fishery resources.

Marine recreational fishing catch and effort data are collected through a
