General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or

disqualified person from certain other provisions of the Act and/or the Code, including any prohibited transaction provisions to which the exemption does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which, among other things, require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(b) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) Before an exemption may be granted under section 408(a) of the Act and/or section 4975(c)(2) of the Code, the Department must find that the exemption is administratively feasible, in the interests of the plan and of its participants and beneficiaries, and protective of the rights of participants and beneficiaries of the plan;

(3) The proposed exemptions, if granted, will be supplemental to, and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transitional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(4) The proposed exemptions, if granted, will be subject to the express condition that the material facts and representations contained in each application are true and complete, and that each application accurately describes all material terms of the transaction which is the subject of the exemption.

Signed at Washington, DC, this 25th day of April, 2016.

Director, Office of Exemption Determinations, Employee Benefits Security Administration, U.S. Department of Labor.

A. Program Description

The purpose of the OSCUI Grant Program is to assist low-income designated credit unions (LICU) in providing basic financial services to their low-income members to stimulate economic activities in their communities. Through the OSCUI Grant Program, NCUA provides financial support in the form of technical assistance grants to LICUs. These funds help improve and expand the availability of financial services to these members. The OSCUI Grant Program also serves as a source of funding to help LICUs respond to emergencies. The Grant Program consists of Congressional appropriations that are administered by OSCUI, an office of the NCUA.

From June 1, 2016 to June 30, 2016 NCUA will accept applications from credit unions for the 2016 grant round. This grant round will include initiatives for Capacity and Growth, Cyber Security, Staff Training, and Student Interns.

Information about the OSCUI Grant Program, including more details regarding the 2016 grant round, other funding initiatives, amount of funds available, funding priorities, permissible uses of funds, funding limits, deadlines and other pertinent details, are periodically published in NCUA Letters to Credit Unions, in the OSCUI e-newsletter and on the NCUA Web site at <https://www.ncua.gov/services/Pages/small-credit-union-learning-center/services/grants-loans.aspx>.

Permissible Uses of Funds: NCUA will consider requests for funds consistent with the purpose of the OSCUI Grant Program. 12 CFR 705.1. Per § 705.10 of the regulation permissible uses for the grant fund include: (i) Development of new products or services for members including new or expanded share draft or credit card programs; (ii) Partnership arrangements with community based service organizations or government agencies; (iii) Enhancement and support of credit union internal capacity to serve its members and better enable it to

provide financial services to the community in which the credit union is located.

NCUA will consider other proposed uses of funds that in its sole discretion it determines are consistent with the purpose of the OSCUI Grant Program, the requirements of the regulations, and this NOFO.

Regulation: Part 705 of NCUA's regulations implements the OSCUI Grant and Loan Program. 12 CFR 705. A revised Part 705 was published on November 2, 2011. 76 FR 67583. Additional requirements are found at 12 CFR parts 701 and 741. Applicants should review these regulations in addition to this NOFO. Each capitalized term in this NOFO is more fully defined in the regulations and grant guidelines. For the purposes of this NOFO, an Applicant is a Qualifying Credit Union that submits a complete Application to NCUA under the OSCUI Grant Program.

B. Federal Award Information

OSCUI grants are made to LICUs that meet the requirements in the program regulation and this NOFO, subject to funds availability.

Funds Availability: Congress appropriated \$2 million to the OSCUI Grant Program for Fiscal Years 2016–2017. NCUA expects to award the entire amount appropriated under this NOFO. NCUA reserves the right to: (i) Award more or less than the amount appropriated; (ii) fund, in whole or in part, any, all, or none of the applications submitted in response to this NOFO; and (iii) reallocate funds from the amount that is anticipated to be available under this NOFO to other programs, particularly if NCUA determines that the number of awards made under this NOFO is fewer than projected.

C. Eligibility Information

The regulations specify the requirements a credit union must meet in order to be eligible to apply for assistance under this NOFO. See 12 CFR part 705.

1. **Eligible Applicants:** A credit union must have a Low-Income Credit Union (LICU) designation, or equivalent in the case of a Qualifying State-chartered Credit Union, in order to participate in the OSCUI Grant and Loan Program. Each Applicant must complete and submit information regarding the applicant and requested funding. In addition, applicants will be required to certify applications prior to submission.

(a) **DUNS Number:** Based on an Office of Management and Budget (OMB) policy directive effective October 31, 2003, credit unions must have a Data Universal Numbering System (DUNS) number issued by Dun and Bradstreet (D&B) in order to be eligible to receive funding from the OSCUI Grant Program. NCUA will not consider an Application that does not include a valid DUNS number. Such an Application will be deemed incomplete and will be declined. Information on how to obtain a DUNS number may be found on D&B's Web site at <http://fedgov.dnb.com/webform> or by calling D&B, toll-free, at 1-866-705-5711.

E. Application Review Information

1. **Review and Selection Process:**

(a) **Eligibility and Completeness Review:** NCUA will review each Application to determine whether it is

complete and that the Applicant meets the eligibility requirements described in the Regulations, this NOFO, and the grant guidelines. An incomplete Application or one that does not meet the eligibility requirements will be declined without further consideration.

(b) *Substantive Review*: After an Applicant is determined eligible and its Application is determined complete, NCUA will conduct a substantive review in accordance with the criteria and procedures described in the Regulations, this NOFO, and the grant guidelines. NCUA reserves the right to contact the Applicant during its review for the purpose of clarifying or confirming information contained in the Application. If so contacted, the Applicant must respond within the time specified by NCUA or NCUA, in its sole discretion, may decline the application without further consideration.

(c) *Evaluation and Scoring*: The evaluation criteria for each initiative will be more fully described in the grant guidelines.

(d) *Input from Examiners*: NCUA may not approve an award to a credit union for which its NCUA regional examining office or State Supervisory Agency (SSA), if applicable, indicates it has safety and soundness concerns. If the NCUA regional office or SSA identifies a safety and soundness concern, OSCUI, in conjunction with the regional office or SSA, will assess whether the condition of the Applicant is adequate to undertake the activities for which funding is requested, and the obligations of the loan and its conditions. NCUA, in its sole discretion, may defer decision on funding an Application until the credit union's safety and soundness conditions improve.

(e) *Award Selection*: In general, NCUA will make its award selections based on a consistent scoring system where each applicant will receive an individual score. NCUA will consider the impact of the funding. When grant demand is high applications may be ranked based on the aforementioned in addition to factors listed in the grant guidelines.

2. *Anticipated Announcement and Federal Award Dates*: See part D.3.

F. Federal Award Administration Information

1. *Notice of Award*: NCUA will notify each Applicant of its funding decision. Notification will generally be by email. Applicants that are approved for funding will also receive instructions on how to proceed with the reimbursement request for disbursement of funds.

2. *Administration and National Policy Requirements*: The specific terms and conditions governing a grant will be established in the grant guidelines for each initiative.

3. *Reimbursement and Reporting*: Each awarded credit union must submit a reimbursement request in order to receive the awarded funds. The reimbursement requirements are specific to each initiative. In general, the reimbursement request will require proof of expenses, documentation, an explanation of the impact of funding and any success or failure to meet objectives for use of proceeds, outcome, or impact. NCUA, in its sole discretion, may modify these requirements. Awardees (credit unions) are required to submit the reimbursement request within the expiration date specified in the approval letter.
