BILLING CODE 4410–FY–P

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 165

[Docket Number USCG–2016–0267]

RIN 1625–AA00

### Safety Zone; Tall Ships Challenge Great Lakes 2016, Fairport Harbor, OH, Bay City, MI, Chicago, IL, Green Bay, WI, Duluth, MN, Erie, PA

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard proposes to create safety zones around each tall ship visiting the Great Lakes during the Tall Ships Challenge 2016 race series. These safety zones will provide for the regulation of vessel traffic in the vicinity of each tall ship in the navigable waters of the United States. The Coast Guard is taking this action to safeguard participants and spectators from the hazards associated with the limited maneuverability of these tall ships and to ensure public safety during tall ships events. We invite your comments on this proposed rulemaking.

**DATES:** Comments and related material must be received by the Coast Guard on or before June 3, 2016.

**ADDRESSES:** You may submit comments identified by docket number USCG–2016–0267 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** If you have questions about this proposed rulemaking, call or email Mark Bobal, Ninth District Inspections and Investigations Branch, Passenger Vessel Safety Specialist, U.S. Coast Guard;

telephone 216–902–6052, email [Mark.D.Bobal@uscg.mil](mailto:Mark.D.Bobal@uscg.mil).

### SUPPLEMENTARY INFORMATION:

#### I. Table of Abbreviations

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

#### II. Background, Purpose, and Legal Basis

During the Tall Ships Challenge Great Lakes 2016, tall ships will be participating in parades and then mooring in the harbors of Fairport Harbor, OH, Bay City, MI, Chicago, IL, Green Bay, WI, Duluth, MN, and Erie, PA. This is a tri-annual event that teaches character building and leadership through sail training. The Tall Ships event seeks to educate the public about both the historical aspects of sailing ships as well as their current use as training vessels for students. Tall ships are large, traditionally-rigged sailing vessels. The event will consist of festivals at each port of call, sail training cruises, tall ship parades, and races between the ports. More information regarding the Tall Ships Challenge 2016 and the participating vessels can be found at <http://www.sailtraining.org/tallships/2016greatlakes/TSC2016index.php>.

At 12:01 a.m. July 6, 2016, a safety zone will be established around each tall ship participating in this event. The safety zone around each ship will remain in effect as the tall ships travel throughout the Great Lakes. The safety zones will terminate at 12:01 a.m. on September 12, 2016.

These safety zones are necessary to protect the tall ships from potential harm and to protect the public from the hazards associated with the limited maneuverability of tall sailing ships. When operating under sail they require a substantial crew to manually turn the rudder and adjust the sails, therefore they cannot react as quickly as modern ships. Additionally, during parades of sail the tall ships will be following a set course through a crowded harbor, it is imperative that spectator craft stay clear since maneuvering the tall ships to avoid large crowds of spectator craft would not be possible. Due to the high profile nature and extensive publicity associated with this event, each Captain of the Port (COTP) expects a large number of spectators in confined areas adjacent to the tall ships. The combination of large numbers of recreational boaters, congested waterways, boaters crossing

commercially transited waterways and low maneuverability of the tall ships could easily result in serious injuries or fatalities. Therefore, the Coast Guard will enforce a safety zone around each ship to ensure the safety of both participants and spectators in these areas. The Coast Guard proposes this rulemaking under authority in 33 U.S.C. 1231.

#### III. Discussion of Proposed Rule

The Coast Guard proposes to establish safety zones from 12:01 a.m. on July 6, 2016 until 12:01 a.m. on September 12, 2016. The safety zones would cover all navigable waters within 100 yards of a tall ship in the Great Lakes. The duration of the zone is intended to ensure the safety of vessels and these navigable waters during the 2016 Tall Ships Challenge. No vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. If the tall ships are operating in a confined area such as a small harbor and there is not adequate room for vessels to stay out of the safety zone because of a lack of navigable water, then vessels will be permitted to operate within the safety zone and shall travel at the minimum speed necessary to maintain a safe course. The navigation rules shall apply at all times within the safety zone. The regulatory text we are proposing appears at the end of this document.

#### IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

##### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This NPRM has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget.

This regulatory action determination is based on the size, location, duration, and time-of-day of the safety zone. Vessel traffic would be able to safely

transit around this safety zone or through it at slow speed in congested areas. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission to enter the zone.

#### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

#### C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship

between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

#### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### F. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves a safety zone lasting more than one week. Normally such actions are categorically excluded from further review under paragraph 34(g) of Figure 2–1 of Commandant Instruction M16475.ID. A preliminary environmental analysis checklist and Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant

environmental impact from this proposed rule.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

#### V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that Web site’s instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

**PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS**

■ 1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T09–0073 to Ninth Coast Guard District to read as follows:

**§ 165.T09–0073 Safety Zone; Tall Ships Challenge Great Lakes 2016; Fairport Harbor, OH, Bay City, MI, Chicago, IL, Green Bay, WI, Sturgeon Bay, WI, Duluth, MN, Erie, PA.**

(a) *Definitions.* The following definitions apply to this section:

(1) *Navigation rules* means the Navigation Rules, International and Inland (See, 1972 COLREGS and 33 U.S.C. 2001 *et seq.*).

(2) *Official patrol* means those persons designated by Captain of the Port Buffalo, Detroit, Sault Ste. Marie, Duluth and Lake Michigan to monitor a tall ship safety zone, permit entry into the zone, give legally enforceable orders to persons or vessels within the zone, and take other actions authorized by the cognizant Captain of the Port.

(3) *Public vessel* means vessels owned, chartered, or operated by the United States or by a State or political subdivision thereof.

(4) *Tall ship* means any sailing vessel participating in the Tall Ships Challenge 2016 in the Great Lakes.

(b) *Location.* The following areas are safety zones: All navigable waters of the United States located in the Ninth Coast Guard District within a 100 yard radius of any tall ship.

(c) *Regulations.* (1) No person or vessel is allowed within the safety zone unless authorized by the cognizant Captain of the Port, their designated representative, or the on-scene official patrol.

(2) Persons or vessels operating within a confined harbor or channel, where there is not sufficient navigable water outside of the safety zone to safely maneuver are allowed to operate within the safety zone and shall travel at the minimum speed necessary to maintain a safe course. Vessels operating within the safety zone shall not come within 25 yards of a tall ship unless authorized by the cognizant Captain of the Port, their designated representative, or the on-scene official patrol.

(3) When a tall ship approaches any vessel that is moored or anchored, the stationary vessel must stay moored or anchored while it remains within the tall ship's safety zone unless ordered by or given permission from the cognizant

Captain of the Port, their designated representative, or the on-scene official patrol to do otherwise.

(d) *Effective period.* This rule is effective from 12:01 a.m. on Wednesday, July 6, 2016 through 12:01 a.m. on Monday September 12, 2016.

(e) *Navigation Rules.* The Navigation Rules shall apply at all times within a tall ships safety zone.

Dated: April 8, 2016.

**J.E. Ryan,**

*Rear Admiral, U.S. Coast Guard, Commander, Ninth Coast Guard District.*

**RIN 1018–BB25**

**Endangered and Threatened Wildlife and Plants; Revisions to the Regulations for Candidate Conservation Agreements With Assurances**

**AGENCY:** U.S. Fish and Wildlife Service (FWS), Interior.

**ACTION:** Proposed rule.

**SUMMARY:** We, the U.S. Fish and Wildlife Service (FWS), propose changes to the regulations concerning enhancement of survival permits issued under the Endangered Species Act of 1973, as amended (ESA), associated with Candidate Conservation Agreements with Assurances. We propose to add the term “net conservation benefit” to the Candidate Conservation Agreements with Assurances regulations, and to eliminate references to “other necessary properties” to clarify the level of conservation effort we require each agreement to include in order for us to approve a Candidate Conservation Agreement with Assurances. We are also proposing these changes to the Candidate Conservation Agreement with Assurances policy in a separate document published in today's **Federal Register**.

**DATES:** We will accept comments that we receive on or before July 5, 2016. Comments submitted electronically using the Federal eRulemaking Portal (see **ADDRESSES**, below) must be received by 11:59 p.m. Eastern Time on the closing date.

**ADDRESSES:** You may submit comments by one of the following methods:

- *Electronically:* Go to the Federal eRulemaking Portal: <http://www.regulations.gov>. In the Search box, enter the docket number for this proposed rule, which is FWS–HQ–ES–2015–0171. Then click on the Search button. In the Search panel on the left side of the screen, under the Document Type heading, click on the Proposed Rules link to locate this document. You may submit a comment by clicking on “Comment Now!” Please ensure that you have found the correct document before submitting your comment.

- *By hard copy:* Submit by U.S. mail or hand delivery to: Public Comments Processing, Attn: Docket No. FWS–HQ–ES–2015–0171, U.S. Fish and Wildlife Service, MS: BPHC, 5275 Leesburg Pike, Falls Church, VA 22041–3803.

We will post all comments on <http://www.regulations.gov>. This generally means that we will post any personal information you provide us (see the Request for Information section, below, for more information).

**FOR FURTHER INFORMATION CONTACT:** Jim Serfis, Chief, Branch of Conservation and Communications, U.S. Fish and Wildlife Service Headquarters, MS: ES, 5275 Leesburg Pike, Falls Church, VA 22041–3803; telephone 703–358–2171. If you use a telecommunications device for the deaf (TDD), call the Federal Information Relay Service (FIRS) at 800–877–8339.

**SUPPLEMENTARY INFORMATION:****Background**

Through its Candidate Conservation program, one of the FWS's goals is to encourage the public to take specific conservation actions for declining species prior to them being listed under the ESA (16 U.S.C. 1531 *et seq.*). The cumulative outcome of such conservation actions may result in not needing to list a species; or may result in listing a species as threatened instead of endangered, and provide the basis for the species' recovery and eventual removal from the Federal List of Endangered and Threatened Wildlife. The Service put in place a voluntary conservation program for non-Federal property owners to help accomplish this goal: Candidate Conservation Agreements with Assurances (CCAAs). On June 17, 1999, the policy for this type of agreement (64 FR 32726) and implementing regulations in part 17 of title 50 of the Code of Federal Regulations (CFR) (64 FR 32706) were made final. On May 3, 2004, we published a final rule (69 FR 24084) to revise the CCAA regulations to make
