Certain Hot-Rolled Carbon Steel Flat Products From India: Implementation of Determinations Under Section 129 of the Uruguay Round Agreements Act

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On April 18, 2016, the U.S. Trade Representative (USTR) instructed the Department of Commerce (the Department) to implement its determinations under section 129 of the Uruguay Round Agreements Act (URAA), regarding several countervailing duty (CVD) administrative reviews, which render them not inconsistent with the World Trade Organization (WTO) dispute settlement findings in *United States—*

Countervailing Duty Measures on Certain Hot-Rolled Carbon Steel Flat Products from India—(DS436).¹ The Department issued its final determinations in these section 129 proceedings on April 18, 2015. The Department is now implementing these final determinations.

DATES: Effective April 18, 2016.

FOR FURTHER INFORMATION CONTACT: Eric B. Greynolds, Patricia Tran, or Samuel Brummitt, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6071, (202) 482-1503, or (202) 482-7851, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 23, 2015, the Department informed interested parties that it was initiating proceedings under section 129 of the URAA to implement the findings of the WTO dispute settlement panel in DS436.² Specifically, the Department issued preliminary determinations regarding: (1) Facts Available;³ and (2) Other Issues.⁴

The Department invited interested parties to comment on the section 129 preliminary determinations.⁵ After receiving comments, rebuttal comments, and a hearing on April 8, 2016, the

Department issued the final determination on April 14, 2016.⁶

On April 18, 2016, USTR notified the Department that, consistent with section 129(b)(3) of the URAA, consultations with the Department and the appropriate congressional committees with respect to the April 14, 2016, determination have been completed. Also on April 18, 2016, in accordance with section 129(b)(4) of the URAA, USTR directed the Department to implement these determinations.

Nature of the Proceedings

Section 129 of the URAA governs the nature and effect of determinations issued by the Department to implement findings by WTO dispute settlement panels and the Appellate Body. Specifically, section 129(b)(2) of the URAA provides that “notwithstanding any provision of the Tariff Act of 1930,” upon a written request from USTR, the Department shall issue a determination that would render its actions not inconsistent with an adverse finding of a WTO panel or the Appellate Body.⁷ The Statement of Administrative Action, U.R.A.A., H. Doc. 316, Vol. 1, 103d Cong. (1994) (SAA), variously refers to such a determination by the Department as a “new,” “second,” and “different” determination.⁸ After consulting with the Department and the appropriate congressional committees, USTR may direct the Department to implement, in whole or in part, the new determination made under section 129 of the URAA.⁹ Pursuant to section 129(c) of the URAA, the new determination shall apply with respect to unliquidated entries of the subject merchandise that are entered or withdrawn from warehouse, for consumption, on or after the date on which USTR directs the Department to implement the new determination.¹⁰ The new determination is subject to judicial review, separate and apart from judicial review of the Department’s original determination.¹¹
