DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5907-N-19]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney

Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable

law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: AGRICULTURE: Ms. Debra Kerr, Department of Agriculture, Reporters Building, 300 7th Street SW., Room 300, Washington, DC 20024, (202) 720-8873; ARMY: Ms. Veronica Rines, Office of the Assistant Chief of Staff for Installation Management, Department of Army, Room 5A128, 600 Army Pentagon, Washington, DC 20310, (571) 256-8145; COE: Mr. Scott Whiteford, Army Corps of Engineers, Real Estate, CEMP-CR, 441 G Street NW., Washington, DC 20314; (202) 761-5542; ENERGY: Mr. David Steinau, Department of Energy, Office of Property Management, OECM MA-50, 4B122, 1000 Independence Ave. SW., Washington, DC 20585 (202) 287-1503; GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040 Washington, DC 20405, (202) 501-0084; NASA: Mr. Frank T. This notice also lists the following
 information:

Title of Proposal: Family Self-
 Sufficiency (FSS) Program
 Demonstration.

*Description of the need for
 information and proposed use:* The
 Department is conducting this study
 under contract with MDRC and its
 subcontractors (Branch Associates and
 M. Davis and Company, Inc.). The
 project is an evaluation of the Family
 Self-Sufficiency Program operated at
 Public Housing Agencies (PHAs) across
 the United States. The study will use
 random-assignment methods to evaluate
 the effectiveness of the program. FSS
 has operated since 1992 and serves
 voucher holders and residents of public
 housing. The FSS model is essentially a
 five-year program, and includes case
 management plus an escrow account.
 FSS case managers create a plan with
 families to achieve goals and connect
 with services that will enhance their
 employment opportunities. Families
 accrue money in their escrow accounts
 as they increase their earnings. To date,
 HUD has funded two other studies of
 the FSS program, but neither can
 indicate how well families would have
 done in the absence of the program. A
 random assignment model is needed
 because participant self-selection into
 Family Self Sufficiency program limits
 the ability to know whether program
 features rather than the characteristics
 of the participating families caused
 tenant income gains. Random
 assignment will limit the extent to
 which selection bias is driving observed
 results. The demonstration will
 document the progress of a group of FSS
 participants from initial enrollment to
 program completion (or exit). The intent
 is to gain a deeper understanding of the
 program and illustrate strategies that
 assist participants to obtain greater
 economic independence. While the
 main objective of FSS is stable, suitable
 employment, there are many interim
 outcomes of interest, including: Getting
 a first job; getting a higher paying job;
 self-employment/small business
 ownership; no longer needing benefits
 provided under one or more welfare
 programs; obtaining additional
 education, whether in the form of a high
 school diploma, higher education
 degree, or vocational training; buying a
 home; buying a car; setting up savings
 accounts; or accomplishing similar goals
 that lead to economic independence.

Data collection will include the
 families that are part of the treatment
 and control groups. Data will be
 gathered through surveys.

Members of the affected public:
