Renewal of Agency Information Collection for Indian Self-Determination and Education Assistance Contracts

AGENCIES: Bureau of Indian Affairs, DOI.

ACTION: Notice of request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Bureau of Indian Affairs (BLA) is seeking comments on the renewal of Office of Management and Budget (OMB) approval for the collection of information for Indian Self-Determination and Education Assistance Contracts, authorized by OMB Control Number 1076–0136. This information collection expires July 31, 2016.

DATES: Submit comments on or before July 8, 2016.

ADDRESS: You may submit comments on this information collection activities to Ms. Sunshine Jordan, Acting Division Chief, Office of Indian Services—Division of Self-Determination, 1849 C Street NW., MS 4513–MIB, Washington, DC 20240, telephone: (202) 513–7616, email: Sunshine.jordan@bia.gov.
I. Abstract

Representatives of the BIA seeks renewal of the approval for information collections conducted under their joint rule, 25 CFR part 900, implementing the Indian Self-Determination and Education Assistance Act (ISDEAA), as amended (25 U.S.C. 450 et seq.). The Act requires a joint rule at 25 CFR part 900 to govern how contracts are awarded to Indian Tribes, thereby avoiding the unnecessary burden or confusion associated with two sets of rules and information collection requirements. See 25 U.S.C. 450k(a)(2)(A)(ii). The joint rule was developed through negotiated rulemaking with Tribes in 1996 and governs, among other things, what must be included in a Tribe’s initial ISDEAA contract proposal to the BIA.

II. Request for Comments

The BIA requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is BIA’s policy to make all comments available to the public for review at the location listed in the ADDRESSES section. Before including your address, phone number, email address or other personally identifiable information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
