A. Executive Summary

I. Purpose of the Regulatory Action

a. This regulatory action modifies the Army’s regulation governing Army National Military Cemeteries, which consist of Arlington National Cemetery and the U.S. Soldiers’ and Airmen’s Home National Cemetery, to reflect changes in the management structure of the Army National Military Cemeteries created by Army General Orders 2014-74 and 2014-75 and the National Defense Authorization Act for Fiscal Year 2012, Pub. L. 112-81, section 591 (2011) (adding chapter 446 to title 10); to adopt modifications suggested by the Department of the Army Inspector General; to implement interment,

inurnment, and memorialization eligibility restrictions, including those mandated by 10 U.S.C. 985 and 38 U.S.C. 2411; and to prohibit the reservation of gravesites as mandated by 38 U.S.C. 2410a.

b. The legal authority for this regulatory action is section 591 of the National Defense Authorization Act for Fiscal Year 2012, Public Law 112-81 (2011), which added chapter 446 to title 10. Chapter 446 requires the Secretary of the Army to prescribe regulations and policies as may be necessary to administer the Army National Military Cemeteries, and it codifies the role of the Executive Director as the individual responsible for exercising authority, direction, and control over all aspects of the Army National Military Cemeteries. Throughout part 553, the Army replaces references to the Superintendent of the Cemetery, the Adjutant General, and Commanding General, Military District of Washington, with “Executive Director” to reflect the current command structure, which was implemented through Army General Orders 2014-74 and 2014-75 and codified in the National Defense Authorization Act of 2012.

II. Summary of the Major Provisions of the Regulatory Action in Question

The new definition of *Army National Military Cemeteries* reflects the Army National Military Cemeteries’ status as a Secretariat element of Headquarters, Department of the Army. Prior to the National Defense Authorization Act for Fiscal Year 2012, Public Law 112-81, sec. 591 (2011), the Army National Cemeteries were a civil works activity of the Department of the Army. Throughout part 553, the term *Army National Military Cemeteries* replaces “Army National Cemeteries” to reflect this statutory change.

Section 553.3 (redesignated as § 553.4), “Scope and applicability,” is amended to focus on the applicability of this part and not on the applicability of a separate internal Army regulation.

Section 553.4, “Responsibilities,” is removed, and its content is included in proposed § 553.3, “Statutory authorities.”

Section 553.5, “Federal Jurisdiction,” is removed as 10 U.S.C. chapter 446 provides that the Army National Military Cemeteries shall be under the jurisdiction of Headquarters, Department of the Army.

Section 553.6, “Donations,” is removed because its subject matter is addressed fully in other statutes and regulations.

Section 553.7, “Design and layout of Army National Cemeteries,” is renamed

“Standards for managing Army National Military Cemeteries” (redesignated as § 553.6).

Section 553.8 (redesignated as § 553.7), “Arlington Memorial Amphitheater,” makes it easier for the public to understand how the Arlington Memorial Amphitheater is managed.

Section 553.9, “Power of Arrest,” which addressed the Superintendent’s power of arrest in limited circumstances, is removed. This provision is no longer expressly authorized by statute and is not necessary because police and security have been provided for at the Army National Military Cemeteries. However, in proposed § 553.5, the Executive Director is provided the authority to order the removal of and bar from re-entry any person who violates any number of designated statutes or regulations.

Section 553.10, “Solicitations,” is now addressed in proposed § 553.34, “Soliciting and vending.”

Section 553.11, “Procurement,” is removed because the information it contains is covered by other laws and regulations and is thus unnecessary.

Section 553.12, “Encroachments and revocable licenses,” is renamed “Permission to install utilities” (redesignated as § 553.8) and no longer considers encroachments, which are no longer applicable.

Section 553.13 “Standards of construction, maintenance, and operations,” is renamed “Standards for managing Army National Military Cemeteries” (redesignated as § 553.6) and is proposed to reflect the role of the Executive Director as the individual responsible for exercising authority, direction, and control over all aspects of the Army National Military Cemeteries, as codified in chapter 446 of title 10.

Section 553.14 “Authority for interments,” is renamed “Statutory authorities” (redesignated as § 553.3) and includes all authorities related to the Army National Military Cemeteries, not just the authority for interments.

Section 553.15 “Persons eligible for burial in Arlington National Cemetery” is renamed “Eligibility for interment in Arlington National Cemetery” (redesignated as § 553.12) and reflects the difference between primary and derivative eligibility, clarifies which elective offices can create eligibility for interment, allows subsequently remarried spouses to be eligible for interment with the prior spouse under certain circumstances, and gives derivative eligibility to certain otherwise ineligible veterans whose close relatives are primarily eligible.

Section 553.15a, “Persons eligible for inurnment of cremated remains in Columbarium in Arlington National Cemetery,” is renamed “Eligibility for inurnment in Arlington National Cemetery Columbarium” (redesignated as § 553.13).

Section 553.16 “Persons eligible for burial in Soldiers’ Home National Cemetery,” is renamed “Eligibility for burial in U.S. Soldiers’ and Airmen’s Home National Cemetery” (redesignated as § 553.18) and clarifies that eligibility is limited to the residents of the Armed Forces Retirement Home.

Section 553.17, “Persons ineligible for burial in an Army national cemetery,” is renamed “Ineligibility for interment, inurnment or memorialization in an Army National Military Cemetery” (redesignated as § 553.19) and expands upon § 553.17 so that inurnments and memorializations will also be covered under this section. Proposed § 553.19 clarifies the ineligibility of a former spouse whose marriage to the primarily eligible person ended in divorce, clarifies the termination of a spouse’s derivative eligibility upon interment in a cemetery other than an Army National Military Cemetery and the remarriage of the primarily eligible spouse, forbids the interment or inurnment of persons convicted of certain crimes, forbids the interment or inurnment of persons who died on active duty under certain circumstances, and governs how animal remains unintentionally comingled with human remains shall be treated.

Section 553.18, “Assignment of gravesites,” is renamed “Assignment of gravesites or niches” (redesignated as § 553.9) so the assignment of niches will also be covered under this section. Proposed § 553.9 would also implement 38 U.S.C. 2410a, which prohibits the reservation of a gravesite at Arlington National Cemetery prior an individual’s death, absent a waiver from the President of the United States, and imposes the limit of one gravesite per family. Proposed § 553.9 explains the one-gravesite-per-family policy, explains how previously made reservations will be treated, and gives the Executive Director the authority to cancel reservations under certain circumstances.

Section 553.19, “Disinterments,” is renamed “Disinterments and disurnments of remains” (redesignated as § 553.25) so the disurnment of remains will also be covered under this section. Proposed § 553.25 explains the disinterment and disurnment process and governs disinterment from group burial sites.

Section 553.20, “Headstones and markers,” is renamed “Design of

Government-furnished headstones, niche covers, and memorial markers” (proposed § 553.26) and includes niche covers, removes a repealed citation, and notifies the public that the Executive Director shall approve the design of headstones and memorial markers erected for group burials.

Section 553.21, “Monuments and inscriptions at private expense,” is renamed “Private headstones and markers” (redesignated as § 553.28) and makes clear that the design and inscription of a private headstone or marker must be approved by the Executive Director prior to its construction and placement. Proposed § 553.28 more fully explains the treatment of private headstones at Army National Military Cemeteries.

Section 553.22, “Visitors’ Rules for the Arlington National Cemetery,” is renamed “Visitors rules for Army National Military Cemeteries” (redesignated as § 553.33) and simplifies the regulation and prohibits dogs, cats, or other animals (except for service animals or military working dogs) from an Army National Military Cemetery.

Proposed § 553.1, “Definitions,” provides the definitions of terms used throughout the proposed rule.

Proposed § 553.2, “Purpose,” explains that this part specifies the authorities and assigns the responsibilities for the development, operation, maintenance, and administration of the Army National Military Cemeteries.

Proposed § 553.5, “Maintaining order,” notifies the public of the Executive Director’s authority to order the removal from and bar the re-entry onto the Army National Military Cemeteries of any person who acts in violation of any regulation, including this part, covered by 50 U.S.C. 797.

Proposed § 553.10, “Proof of eligibility,” provides a list of the official documents used to establish a decedent’s eligibility for interment or inurnment in the Army National Military Cemeteries, including the requirement of certification that 100% of the cremated remains will be interred or inurned in the Army National Military Cemeteries, with an exception for producing commemorative items if authorized by the Executive Director.

Proposed § 553.11, “General rules governing eligibility for interment, inurnment, and memorialization at Arlington National Cemetery,” clarifies the eligibility guidelines, in particular the distinction between a person who is primarily eligible and a person who is derivatively eligible for interment or inurnment.

Proposed § 553.14, “Eligibility for interment of cremated remains in the

Arlington National Cemetery Unmarked Area,” implements 38 U.S.C. § 2410, which authorizes the Secretary of the Army to set aside land at Arlington National Cemetery for the interment under such rules as the Secretary may prescribe, of unmarked cremated remains of persons eligible for interment at Arlington National Cemetery.

Proposed § 553.15, “Eligibility for group burial at Arlington National Cemetery,” regulates the interment of unidentifiable co-mingled human remains of which at least one person is eligible for interment at Arlington National Cemetery.

Proposed § 553.16, “Eligibility for memorialization in an Arlington National Cemetery Memorial Area,” supplements § 553.21(b), “Monuments and inscriptions at private expense,” and explains to the public how Arlington National Cemetery will treat memorial markers.

Proposed § 553.17, “Arlington National Cemetery interment/inurnment agreement,” guarantees that when a derivatively eligible person predeceases a primarily eligible person and is interred or inurned at Arlington National Cemetery, the primarily eligible person will eventually be buried in the same gravesite or inurned in the same niche.

Proposed § 553.20, “Prohibition of interment, inurnment, or memorialization in an Army National Military Cemetery of persons who have committed certain crimes,” implements 10 U.S.C. 985 and 38 U.S.C. 2411, which prohibit the interment, inurnment, or memorialization in any Army National Military Cemetery of an individual who has been convicted of a federal or state capital crime, who committed a federal or state capital crime but was not convicted of such crime because the person was not available for trial due to death or flight to avoid prosecution, or who has been convicted of a Federal or State crime causing the person to be a Tier III sex offender for purposes of the Sex Offender Registration and Notification Act and who is sentenced to a minimum of life imprisonment. Definitions of the terms *federal capital crime* and *state capital crime* have been included in proposed § 553.1 to implement these regulations.

Proposed § 553.21, “Findings concerning the commission of certain crimes where a person has not been convicted due to death or flight to avoid prosecution,” implements 10 U.S.C. 985 and 38 U.S.C. 241, which prohibit the interment, inurnment, or memorialization in any Army National Military Cemetery of an individual who

has been convicted of a federal or state capital crime, or who committed a federal or state capital crime but was not convicted of such crime because the person was not available for trial due to death or flight to avoid prosecution.

Proposed § 553.22, “Exceptions to policies for interment or inurnment at Arlington National Cemetery” implements 10 U.S.C. 4722, which authorizes the Secretary of the Army to establish policies and procedures for reviewing and determining requests for exception to the interment and inurnment eligibility policies. Proposed § 553.22 notifies the public as to how exceptions will be processed.

Proposed § 553.23, “Placement of cremated remains at Army National Military Cemeteries,” clarifies the requirement that all cremated remains shall be interred or inurned and that the burial of symbolic containers is prohibited in the Army National Military Cemeteries.

Proposed § 553.24, “Subsequently recovered remains,” provides that the subsequently recovered identified remains of a decedent shall be reunited in one gravesite or urn or as part of a group interment either in an Army National Military Cemetery or other cemetery.

Proposed § 553.29, “Permission to construct private headstones and markers,” explains how a headstone firm may obtain permission to construct private headstones and markers at Army National Military Cemeteries.

Proposed § 553.30, “Inscriptions on private headstones and markers,” provides guidelines for inscriptions on private headstones and markers.

Proposed § 553.31, “Memorial and commemorative monuments (other than private headstones or markers),” governs the placement of memorials or commemorative monuments in Arlington National Cemetery in accordance with 38 U.S.C. 2409(b).

Proposed § 553.32, “Conduct of memorial services and ceremonies,” explains the manner in which the Army National Military Cemeteries ensures the sanctity of public and private memorial and ceremonial events.

Proposed § 553.35, “Media,” provides that all officials and staff of the media are subject to the visitors rules and shall comply with the Department of the Army’s media policy.

B. Regulatory Flexibility Act

The Army has determined that the Regulatory Flexibility Act does not apply because the rule does not have a significant economic impact on a substantial number of small entities

within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601–612.

C. Unfunded Mandates Reform Act

The Army has determined that the Unfunded Mandates Reform Act does not apply because the rule does not include a mandate that may result in estimated costs to State, local, or tribal governments in the aggregate, or the private sector, of \$100 million or more.

D. National Environmental Policy Act

Neither an environmental analysis nor an environmental impact statement under the National Environmental Policy Act is required. The changes made to the prior regulation by this amendment reflect existing policies and do not significantly alter ongoing activities, nor does this amendment constitute a new use of the property.

E. Paperwork Reduction Act

The Army has determined that this rule does not impose reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995.

F. Executive Order 12630 (Government Actions and Interference With Constitutionally Protected Property Rights)

The Army has determined that E.O. 12630 does not apply because the rule does not impair private property rights.

G. Executive Order 12866 (Regulatory Planning and Review) and E.O. 13563 (Improving Regulation and Regulatory Review)

Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distribute impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been designated a “significant regulatory action,” although not economically significant, under section 3(f) of Executive Order 12866. Accordingly, the rule has been reviewed by the Office of Management and Budget.” (OMB).

H. Executive Order 13045 (Protection of Children From Environmental Health Risk and Safety Risks)

The Army has determined that according to the criteria defined in E.O. 13045, the requirements of that Order do not apply to this rule.

I. Executive Order 13132 (Federalism)

The Army has determined that, according to the criteria defined in E.O. 13132, the requirements of that Order do not apply to this rule because the rule will not have a substantial effect on the States, on the relationship between the Federal government and the States, or on the distribution of power and responsibilities among the various levels of government.

(b) *Current.* Pursuant to 10 U.S.C. 4721(a), the Secretary of the Army shall develop, operate, manage, oversee, and fund the Army National Military Cemeteries. Section 4721(c) provides that the Army National Military Cemeteries are under the jurisdiction of Headquarters, Department of the Army, and 10 U.S.C. 4721(d) provides that the Secretary of the Army shall prescribe such regulations and policies as may be necessary to administer the Army National Military Cemeteries. The development, maintenance, administration, and operation of Army post cemeteries are not covered by this part.

(b) *Applicability.* This part is applicable to all persons on, engaging in business with, or seeking access to or benefits from the Army National Military Cemeteries, unless otherwise specified.

§ 553.5 Maintaining order.

The Executive Director may order the removal from, and bar the re-entry onto, Army National Military Cemeteries of any person who acts in violation of any law or regulation, including but not limited to demonstrations and disturbances as outlined in 38 U.S.C. 2413, and in this part. This authority may not be re-delegated.

(1) No memorial may be erected and no remains may be entombed in the Arlington Memorial Amphitheater unless specifically authorized by Congress; and

(2) The character, design, or location of any memorial authorized by Congress for placement in the Amphitheater is subject to the approval of the Secretary of Defense or his or her designee.

(b) Requests for licenses, permits, or easements to install water, gas, or sewer lines, or other utilities or equipment on or across an Army National Military Cemetery or an approach road in which the Government has a right-of-way, fee simple title, or other interest, must be sent to the Executive Director, who will process the request in accordance with Army policy. Requests must include a complete description of the type of license, permit, or easement desired and a map showing the location of the project.

§ 553.9 Assignment of gravesites or niches.

(a) All eligible persons will be assigned gravesites or niches without discrimination as to race, color, sex, religion, age, or national origin and without preference to military grade or rank.

(b) The Army National Military Cemeteries will enforce a one-gravesite-per-family policy. Once the initial interment or inurnment is made in a gravesite or niche, each additional interment or inurnment of eligible persons must be made in the same gravesite or niche, except as noted in paragraph (f) of this section. This includes multiple primarily eligible persons if they are married to each other.

(c) In accordance with 38 U.S.C. 2410A(a)(2) the Secretary of the Army may waive the prohibition in paragraph (b) of this section as the Secretary of the Army deems appropriate.

(f) In cases of reservations meeting the requirements of 38 U.S.C 2410A note, where more than one gravesite was reserved (on the basis of the veteran's eligibility at the time the reservation was made) and no interment has yet been made in any of the sites, the one-gravesite-per-family policy will be enforced, unless waived by the Executive Director. Gravesite reservations will be honored only if the decedents meet the eligibility criteria for interment in Arlington National Cemetery that is in effect at the time of need, and the reserved gravesite is available.

(g) Where a primarily eligible person has been or will be interred as part of a group burial or has been or will be memorialized in a memorial area at Arlington National Cemetery, the Executive Director will assign a gravesite or niche for interment or inurnment of a derivatively eligible person.

(h) Gravesites or niches shall not be reserved or assigned prior to the time of need.

(6) A certificate of cremation or notarized statement attesting to the authenticity of the cremated human remains and that 100% of the cremated remains received from the crematorium are present. The Executive Director may, however, allow a portion of the cremated remains to be removed by the crematorium for the sole purpose of producing commemorative items.

(7) Any other document as required by the Executive Director.

(e) The following documents may be used to establish the eligibility of a primarily eligible person:

(2) Notarized statement(s) from all of the children from the prior marriage agreeing to the interment or inurnment of their parents in the same gravesite or niche.

(ii) The decedent's children, siblings, or other family members, other than the eligible parent, waive any derivative claim to be interred at Arlington National Cemetery, in accordance with the Arlington National Cemetery Burial Agreement.

(h) Veterans or primary next of kin of deceased veterans may obtain copies of their military records by writing to the National Personnel Records Center, Attention: Military Personnel Records, 9700 Page Avenue, St. Louis, Missouri 63132 or using their Web site. (c) No veteran is eligible for interment, inurnment, or memorialization in Arlington National Cemetery unless the veteran's last period of active duty ended with an honorable discharge. A general

discharge under honorable conditions is not sufficient for interment, inurnment or memorialization in Arlington National Cemetery.

(d) For purposes of determining whether a service member has received an honorable discharge, final determinations regarding discharges made in accordance with procedures established by chapter 79 of title 10, United States Code, will be considered authoritative.

(e) The Secretary of the Army has the authority to act on requests for exceptions to the provisions of the interment, inurnment, and memorialization eligibility policies contained in this part. The Secretary of the Army may delegate this authority to the Executive Director on such terms deemed appropriate.

(f) Individuals who do not qualify as a primarily eligible person or a derivatively eligible person, but who are granted an exception to policy to be interred or inurned pursuant to § 553.22 of this part in a new gravesite or niche, will be treated as a primarily eligible person for purposes of this part.

(g) Notwithstanding any other section in this part, memorialization with an individual memorial marker, interment, or inurnment in the Army National Military Cemeteries is prohibited if there is a gravesite, niche, or individual memorial marker for the decedent in any other Government-operated cemetery or the Government has provided an individual grave marker, individual memorial marker or niche cover for placement in a private cemetery.

(b) *Derivatively eligible persons.* The following individuals are derivatively eligible persons for purposes of interment who may be interred if space is available in the gravesite of the primarily eligible person:

(a) *Preliminary Inquiry.* If the Executive Director has reason to believe that a decedent may have committed a Federal capital crime or a State capital crime but has not been convicted of such crime by reason of such person not being available for trial due to death or flight to avoid prosecution, the Executive Director shall submit the issue to the Army General Counsel. The Army General Counsel or his or her designee shall initiate a preliminary inquiry seeking information from Federal, State, or local law enforcement officials, or other sources of potentially relevant information.

(b) *Decision after Preliminary Inquiry.* If, after conducting the preliminary inquiry described in paragraph (a), the Army General Counsel or designee determines that credible evidence exists suggesting the decedent may have committed a Federal capital crime or State capital crime, then further proceedings under this section are warranted to determine whether the decedent committed such crime. Consequently the Army General Counsel or his or her designee shall present the personal representative with a written notification of such preliminary determination and a dated, written notice of the personal representative's procedural options.

(c) *Notice and Procedural Options.* The notice of procedural options shall indicate that, within fifteen days, the personal representative may:

(1) Request a hearing;

(2) Withdraw the request for interment, inurnment, or memorialization; or

(3) Do nothing, in which case the request for interment, inurnment, or memorialization will be considered to have been withdrawn.

(d) *Time computation.* The fifteen-day time period begins on the calendar day immediately following the earlier of the day the notice of procedural options is delivered in person to the personal representative or is sent by U.S. registered mail or, if available, by electronic means to the personal representative. It ends at midnight on the fifteenth day. The period includes weekends and holidays.

(e) *Hearing.* The purpose of the hearing is to allow the personal representative to present additional information regarding whether the decedent committed a Federal capital crime or a State capital crime. In lieu of making a personal appearance at the hearing, the personal representative may submit relevant documents for consideration.

(1) If a hearing is requested, the Army General Counsel or his or her designee shall conduct the hearing.

(2) The hearing shall be conducted in an informal manner.

(3) The rules of evidence shall not apply.

(4) The personal representative and witnesses may appear, at no expense to the Government, and shall, in the discretion of the Army General Counsel or his or her designee, testify under oath. Oaths must be administered by a person who possesses the legal authority to administer oaths.

(5) The Army General Counsel or designee shall consider any and all relevant information obtained.

(6) The hearing shall be appropriately recorded. Upon request, a copy of the record shall be provided to the personal representative.

(f) *Final Determination.* After considering the opinion of the Army General Counsel or his or her designee, and any additional information submitted by the personal representative, the Secretary of the Army or his or her designee shall determine the decedent's eligibility for interment, inurnment, or memorialization. This determination is final and not appealable.

(1) The determination shall be based on evidence that supports or undermines a conclusion that the

decedent's actions satisfied the elements of the crime as established by the law of the jurisdiction in which the decedent would have been prosecuted.

(2) If an affirmative defense is offered by the decedent's personal representative, a determination as to whether the defense was met shall be made according to the law of the jurisdiction in which the decedent would have been prosecuted.

(3) Mitigating evidence shall not be considered.

(4) The opinion of the local, State, or Federal prosecutor as to whether he or she would have brought charges against the decedent had the decedent been available is relevant but not binding and shall be given no more weight than other facts presented.

(g) *Notice of Decision.* The Executive Director shall provide written notification of the Secretary's decision to the personal representative.

§ 553.22 Exceptions to policies for interment, inurnment, or memorialization at Arlington National Cemetery.

(a) As a national military cemetery, eligibility standards for interment, inurnment, or memorialization are based on honorable military service. Exceptions to the eligibility standards for new graves are rarely granted. When granted, exceptions are for those persons who have made significant contributions that directly and substantially benefited the U.S. military.

(b) Requests for an exception to the interment or inurnment eligibility policies shall be considered only after the individual's death.

(c) Requests for an exception to the interment or inurnment eligibility policies shall be submitted to the Executive Director and shall include any documents required by the Executive Director.

(d) The primary next of kin is responsible for providing and certifying the authenticity of all documents and swearing to the accuracy of the accounting provided to support the request for exception to the interment or inurnment eligibility policies.

(e) Disapproved requests will be reconsidered only when the personal representative or next of kin submits new and substantive information not previously considered by the Secretary of the Army. Requests for reconsideration shall be submitted directly to the Executive Director. Requests for reconsideration not supported by new and substantive information will be denied by the Executive Director after review and advice from the Army General Counsel or his or her designee. The Executive

Director shall notify the personal representative or next of kin of the decision of the reconsideration. The decision by the Army General Counsel or the Secretary of the Army, as the case may be, is final and not appealable.

(f) Under no circumstances, will exceptions to policies be considered or granted for those individuals prohibited from interment by virtue of § 553.20 or § 553.21 above.

§ 553.23 Placement of cremated remains at Army National Military Cemeteries.

All cremated remains shall be interred or inurned. The scattering of cremated remains and the burial of symbolic containers are prohibited in Army National Military Cemeteries.

§ 553.24 Subsequently recovered remains.

Subsequently recovered identified remains of a decedent shall be reunited in one gravesite or urn, or as part of a group burial either in an Army National Military Cemetery or other cemetery. Subsequently recovered identified remains may also be interred in the Arlington National Cemetery Tomb of Remembrance.

§ 553.25 Disinterments and disinurnments of remains.

(a) Interments and inurnments in Army National Military Cemeteries are considered permanent.

(b) Requests for disinterment or disinurnment of individually buried or inurned remains are considered requests for exceptions to this policy, and must be addressed to the Executive Director for decision. The request must include:

(1) A full statement of the reasons for the disinterment or disinurnment of the remains from the personal representative or primary next of kin who directed the original interment or inurnment if still living, or if not, the current personal representative or primary next of kin;

(2) A notarized statement from each living close relative of the decedent that he or she does not object to the proposed disinterment or disinurnment; and

(3) A notarized statement by a person who has personal knowledge of the decedent's relatives stating that the persons giving statements comprise all of the decedent's living close relatives.

(4) An appropriate funding source for the disinterment or disinurnment, as disinterments and disinurnments of individually buried or inurned remains must be accomplished without expense to the Government.

(c) The Executive Director shall carry out disinterments and disinurnments directed by a court of competent

jurisdiction upon presentation of a lawful, original court order and after consulting with the Army General Counsel or his or her designee.

(d) Remains interred in a group burial may be disinterred only if, after the completion of identification processing of any subsequently recovered remains, each decedent's remains have not been individually identified and it is determined that available technology is likely to assist in the identification process of the previously interred group remains. Requests for disinterment of group remains must be addressed to the Executive Director by the appropriate Military Department's Secretary or his or her designee for decision. The request must include:

(1) A statement from the Joint Prisoner of War/Missing in Action Accounting Command certifying that subsequent to the interment or inurnment of the decedents, remains have been recovered from the site of the casualty incident, and that the remains of each individual U.S. citizen, legal resident, or former service member have not been previously identified from either the remains originally recovered or from the subsequently recovered portions.

(2) Sufficient circumstantial and anatomical evidence from the Joint Prisoner of War/Missing in Action Accounting Command, which when combined with contemporary forensic or other scientific techniques, would lead to a high probability of individual identification of the interred group remains.

(3) Copies of the Military Department's notification to all the living close relatives of the decedents advising them of the proposed disinterment.

(4) A time period identified by the Joint Prisoner of War/Missing in Action Accounting Command during which it proposes to perform forensic or scientific techniques for individual identification processing.

(5) An anticipated time period as to when the Joint Prisoner of War/Missing in Action Accounting Command will return any unidentified remains to Arlington National Cemetery or will notify the cemetery that individual identifications of the group remains are complete and no remains will be returned.

(e) Disinterment or disinurnment is not permitted for the sole purpose of splitting remains or permanently keeping any portion of the remains in a location other than Arlington National Cemetery.

(f) Disinterment of previously designated group remains for the sole

purpose of individually segregating the group remains is not permitted unless the requirements of paragraph (d) of this section are met.

§ 553.26 Design of Government-furnished headstones, niche covers, and memorial markers.

(a) Headstones and memorial markers shall be white marble in an upright slab design. Flat-type granite markers may be used, at the Executive Director's discretion, when the terrain or other obstruction precludes use of an upright marble headstone or memorial marker.

(b) Niche covers shall be white marble.

(c) The Executive Director shall approve the design of headstones and memorial markers erected for group burials, consistent with the policies of the Secretary of Veterans Affairs.

§ 553.27 Inscriptions on Government-furnished headstones, niche covers, and memorial markers.

(a) Inscriptions on Government-furnished headstones, niche covers, and memorial markers will be made according to the policies and specifications of the Secretary of the Army, consistent with the policies of the Secretary of Veterans Affairs.

(b) No grades, titles, or ranks other than military grades granted pursuant to title 10, United States Code, will be engraved on Government-furnished headstones, niche covers, and memorial markers. Honorary grades, titles, or ranks granted by States, governors, and others shall not be inscribed on headstones, niche covers, or memorial markers.

(c) Memorial markers must include the words "In Memory of" preceding the inscription.

(d) The words "In Memory of" shall not precede the inscription of a decedent whose remains are interred or inurned.

§ 553.28 Private headstones and markers.

(a) Construction and installation of private headstones and markers in lieu of Government-furnished headstones and markers is permitted only in sections of Army National Military Cemeteries in which private memorials and markers were authorized as of January 1, 1947. These headstones or markers must be of simple design, dignified, and appropriate for a military cemetery as determined by the Executive Director.

(b) The design and inscription of a private headstone or marker must be approved by the Executive Director prior to its construction and placement. All private headstones and markers will be designed to conform to the

dimensions and profiles specified by the Executive Director and will be inscribed with the location of the gravesite.

(c) Placement of a private headstone or marker is conditional upon the primary next of kin agreeing in writing to maintain it in a manner acceptable to the Government. Should the headstone or marker become unserviceable at any time and the primary next of kin fail to repair or replace it, or if the marker is not updated to reflect all persons buried in that gravesite within 6 months of the most recent burial, the Executive Director reserves the right to remove and dispose of the headstone or marker and replace it with a standard, Government-furnished headstone or marker.

(d) The construction of a headstone or marker to span two gravesites will be permitted only in those sections in which headstones and markers are presently spanning two gravesites and only with the express understanding that in the event both gravesites are not utilized for burials, the headstone or marker will be relocated to the center of the occupied gravesite, if possible. Such relocation must be accomplished at no expense to the Government. The Executive Director reserves the right to remove and dispose of the headstone or marker and to mark the gravesite with a Government-furnished headstone or marker if the personal representative or primary next of kin fails to relocate the headstone or marker as requested by the Executive Director.

(e) Separate headstones or markers may be constructed on a lot (two gravesites) for a service member and spouse, provided that each headstone or marker is set at the head of the gravesite after interment has been made.

(f) At the time a headstone or marker is purchased, arrangements must be made with an appropriate commercial firm to ensure that additional inscriptions will be promptly inscribed following each succeeding interment in the gravesite. Foot markers must be authorized by the Executive Director and may only be authorized when there is no available space for an inscription on the front or rear of a private headstone.

(g) Except as may be authorized for marking group burials, ledger monuments of freestanding cross design, narrow shafts, and mausoleums are prohibited.

§ 553.29 Permission to construct private headstones and markers.

(a) Headstone firms must receive permission from the Executive Director to construct a private headstone or marker for use in Army National

Military Cemeteries or to add an inscription to an existing headstone or marker in an Army National Military Cemetery.

(b) Requests for permission must be submitted to the Executive Director and must include:

(1) Written consent from the personal representative or primary next of kin;

(2) Contact information for both the personal representative or primary next of kin and the headstone firm; and

(3) A scale drawing (no less than 1:12) showing all dimensions, or a

reproduction showing detailed specifications of design and proposed construction material, finishing, carving, lettering, exact inscription to appear on the headstone or marker, and a trademark or copyright designation.

(c) The Army does not endorse headstone firms but grants permission for the construction of headstones or markers in individual cases.

(d) When using sandblast equipment to add an inscription to an existing headstone or marker, headstone firms shall restore the surrounding grounds in a timely manner as determined by the Executive Director to the condition of the grounds before work began and at no expense to the Government.

§ 553.30 Inscriptions on private headstones and markers.

An appropriate inscription for the decedent will be placed on the headstone or marker in accordance with the dimensions of the stone and arranged in such a manner as to enhance the appearance of the stone. Additional inscriptions may be inscribed following each succeeding interment in the gravesite. All inscriptions will be in accordance with policies established by the Executive Director.

§ 553.31 Memorial and commemorative monuments (other than private headstones or markers).

The placement of memorials or commemorative monuments in Arlington National Cemetery will be carried out in accordance with 38 U.S.C. 2409(b).

§ 553.32 Conduct of memorial services and ceremonies.

(a) The Executive Director shall ensure the sanctity of public and private memorial and ceremonial events.

(b) All memorial services and ceremonies within Army National Military Cemeteries, other than official ceremonies, shall be purely memorial in purpose and may be dedicated only to:

(1) The memory of all those interred, inurned, or memorialized in Army National Military Cemeteries;

(2) The memory of all those who died in the military service of the United States while serving during a particular conflict or while serving in a particular military unit or units; or

(3) The memory of the individual or individuals to be interred, inurned, or memorialized at the particular site at which the service or ceremony is held.

(c) Memorial services and ceremonies at Army National Military Cemeteries will not include partisan political activities.

(d) Private memorial services may be closed to the media and public as determined by the decedent's primary next of kin.

(e) Public memorial services and public wreath-laying ceremonies shall be open to all members of the public to observe.

§ 553.33 Visitors rules for Army National Military Cemeteries.

(a) *Visiting hours.* Visiting hours shall be established by the Executive Director and posted in conspicuous places. No visitor is permitted to enter or remain in an Army National Military Cemetery outside the established visiting hours.

(b) *Destruction or removal of property.* No person shall destroy, damage, mutilate, alter, or remove any monument, gravestone, niche cover, structure, tree, shrub, plant, or other property located within an Army National Military Cemetery.

(c) *Conduct within Army National Military Cemeteries.* Army National Military Cemeteries are a national shrine to the honored dead of the Armed Forces, and certain acts and activities, which may be appropriate elsewhere, are not appropriate in Army National Military Cemeteries. (5) Distribute any handbill, pamphlet, leaflet, or other written or printed matter within an Army National Military Cemetery, except a program approved by the Executive Director to be provided to attendees of an authorized memorial service or ceremony.

(6) Bring a dog, cat, or other animal (other than a service animal or military working dog) within an Army National Military Cemetery. This prohibition does not apply to persons living in quarters located on the grounds of the Army National Military Cemeteries.

(7) Use the cemetery grounds for recreational activities (e.g., physical exercise, running, jogging, sports, or picnics).

(8) Ride a bicycle or similar conveyance in an Army National Military Cemetery, except with a proper pass issued by the Executive Director to visit a gravesite or niche. An individual visiting a relative's gravesite or niche may be issued a temporary pass by the Executive Director to proceed directly to and from the gravesite or niche on a bicycle or similar vehicle or conveyance.

(9) Operate a musical instrument, a loudspeaker, or an audio device without a headset within an Army National Military Cemetery.

(10) Drive any motor vehicle within an Army National Military Cemetery in excess of the posted speed limit.

(13) Consume or serve alcoholic beverages without prior written permission from the Executive Director.

(14) Possess firearms without prior written permission from the Executive Director. This prohibition does not apply to law enforcement and military personnel in the performance of their official duties. (15) Deposit or throw litter or trash on the grounds of the Army National Military Cemeteries.

(16) Engage in any disrespectful or disorderly conduct within an Army National Military Cemetery.
