Title: Statement of Disappearance, VA Form 21P–1775.

OMB Control Number: 2900–0036.

Type of Review: Extension without change of a currently approved collection.

Abstract: The Department of Veterans Affairs (VA), through its Veterans Benefits Administration (VBA), administers an integrated program of benefits and services, established by law, for veterans, service personnel and their survivors. 38 U.S.C. 108 requires a formal “presumption of death” when a veteran has been missing for seven years. Entitlement to death benefits cannot be determined in these cases until VA has made a decision of presumption of death.

VA Form 21P–1775 is used to gather the necessary information to determine if a decision of presumptive death can be made for benefit payment purposes. It would be impossible to administer the survivor benefits program without this collection of information.

Affected Public: Individuals or households.

Estimated Annual Burden: 28 hours.

Estimated Average Burden per Respondent: 2 hours and 45 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 10.

By direction of the Secretary.
