

accordance with the procedures specified in paragraph (m)(1) of this AD.

**(m) Other FAA AD Provisions**

The following provisions also apply to this AD:

(1) *Alternative Methods of Compliance (AMOCs)*: The Manager, International Branch, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. If sending information directly to the International Branch, send it to ATTN: Dan Rodina, Aerospace Engineer, International Branch, ANM-116, Transport Airplane Directorate, FAA, 1601 Lind Avenue SW., Renton, WA 98057-3356; telephone 425-227-2125; fax 425-227-1149. Information may be emailed to: 9-ANM-116-AMOC-REQUESTS@faa.gov. Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/certificate holding district office. The AMOC approval letter must specifically reference this AD.

(2) *Contacting the Manufacturer*: As of the effective date of this AD, for any requirement in this AD to obtain corrective actions from a manufacturer, the action must be accomplished using a method approved by the Manager, International Branch, ANM-116, Transport Airplane Directorate, FAA; or the European Aviation Safety Agency (EASA); or Airbus's EASA Design Organization Approval (DOA). If approved by the DOA, the approval must include the DOA-authorized signature.

**Treatment of Certain Transfers of Property of Foreign Corporations; Hearing**

**AGENCY:** Internal Revenue Service (IRS), Treasury.

**ACTION:** Notice of public hearing on proposed rulemaking.

**SUMMARY:** This document provides notice of public hearing on the proposed regulations relating to certain transfers of property by United States persons to foreign corporations. The proposed regulations affect United States persons that transfer certain property, including foreign goodwill and going concern value, to foreign corporations in non-recognition transactions described in section 367 of the Internal Revenue Code.

**DATES:** The public hearing is being held on Monday, February 8, 2016 at 10:00 a.m. The IRS must receive outlines of the topics to be discussed at the public hearing by Monday, January 25, 2016.

**ADDRESSES:** The public hearing is being held in the IRS Auditorium, Internal Revenue Service Building, 1111 Constitution Avenue NW., Washington, DC 20224. Due to building security procedures, visitors must enter at the Constitution Avenue entrance. In addition, all visitors must present photo identification to enter the building.

Send Submissions to CC:PA:LPD:PR (REG-139483-13), Room 5205, Internal Revenue Service, P.O. Box 7604, Ben Franklin Station, Washington, DC 20044. Submissions may be hand-delivered Monday through Friday to CC:PA:LPD:PR (REG-139483-13), Couriers Desk, Internal Revenue Service, 1111 Constitution Avenue NW., Washington, DC 20224 or sent electronically via the Federal eRulemaking Portal at [www.regulations.gov](http://www.regulations.gov) (IRS-2015-0047).

**SUPPLEMENTARY INFORMATION:**

The subject of the public hearing is the notice of proposed rulemaking

(REG-139483-13) that was published in the **Federal Register** on Wednesday, September 16, 2015 (80 FR 55568). The rules of 26 CFR 601.601(a)(3) apply to the hearing. Persons who wish to present oral comments at the hearing that submitted written comments by December 15, 2015 must submit an outline of the topics to be addressed and the amount of time to be devoted to each topic by January 25, 2016.

A period of 10 minutes is allotted to each person for presenting oral comments. After the deadline for receiving outlines has passed, the IRS will prepare an agenda containing the schedule of speakers. Copies of the agenda will be made available, free of charge, at the hearing or in the Freedom of Information Reading Room (FOIA RR) (Room 1621) which is located at the 11th and Pennsylvania Avenue NW. entrance, 1111 Constitution Avenue NW., Washington, DC 20224.

Because of access restrictions, the IRS will not admit visitors beyond the immediate entrance area more than 30 minutes before the hearing starts. For information about having your name placed on the building access list to attend the hearing, see the **FOR FURTHER INFORMATION CONTACT** section of this document.

**Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard proposes to amend its safety zones regulation for Annual Events in the Captain of the Port Lake Michigan zone. This proposed amendment updates 18 permanent safety zones and adds 3 new permanent safety zones. These amendments and additions are necessary to protect spectators, participants, and vessels from the hazards associated with annual

maritime events, including fireworks displays, boat races, and air shows.

**DATES:** Comments and related material must be received by the Coast Guard on or before February 19, 2016.

**ADDRESSES:** You may submit comments identified by docket number USCG–2015–1081 using the Federal eRulemaking Portal at <http://www.regulations.gov>. #### SUPPLEMENTARY INFORMATION:

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
 DHS Department of Homeland Security  
 FR Federal Register  
 NPRM Notice of Proposed Rulemaking  
 § Section  
 U.S.C. United States Code

##### II. Background, Purpose, and Legal Basis

On February 18, 2015, the Coast Guard published a final rule entitled Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone in the **Federal Register** (80 FR 8536). This final rule published after the Coast Guard requested public comments in response to a preceding NPRM in the **Federal Register** (79 FR 77415, December 24, 2014). No public meeting was requested, and none was held.

The legal basis for this proposed rule is the Coast Guard’s authority to establish safety zones: 33 U.S.C. 1231; 33 CFR 1.05–1, 160.5; Department of Homeland Security Delegation No. 0170.1.

The purpose of this rulemaking is to update the safety zones in § 165.929 to ensure that they match the times, dates, and dimensions for various marine and triggering events that are expected to be conducted with the Captain of the Port Lake Michigan Zone throughout the year. The purpose of the rulemaking is also to ensure vessels and persons are protected from the specific hazards related to the aforementioned events. These specific hazards include obstructions to the waterway that may cause marine casualties; collisions among vessels maneuvering at a high speed within a channel; the explosive

dangers involved in pyrotechnics and hazardous cargo; and flaming/falling debris into the water that may cause injuries.

##### III. Discussion of Proposed Rule

This proposed rule amends 18 permanent safety zones found within table 165.929 in 33 CFR 165.929. These 18 amendments involve updating the location, size, and/or enforcement times for: 11 fireworks displays in various locations; 1 regatta in Spring Lake, Michigan; 3 Air Shows; 1 Facility in Marinette, Wisconsin; 1 boat race from Chicago, Illinois; and 1 ski show in Sister Bay, Wisconsin.

Additionally, this proposed rule adds 3 new safety zones to table 165.929 within § 165.929 for annually-reoccurring events in the Captain of the Port Lake Michigan Zone. These 3 zones were added in order to protect the public from the safety hazards previously described. The 3 additions include 2 safety zones for fireworks displays, and 1 safety zone for a boat parade in Chicago Harbor, Chicago, Illinois. A list of specific changes and additions are available in the attachments within this Docket.

The Captain of the Port Lake Michigan has determined that the safety zones in this proposed rule are necessary to ensure the safety of vessels and people during annual marine or triggering events in the Captain of the Port Lake Michigan zone. Although this proposed rule will be effective year-round, the safety zones in this proposed rule will be enforced only immediately before, during, and after events that pose a hazard to the public and only upon notice by the Captain of the Port Lake Michigan.

The Captain of the Port Lake Michigan will notify the public that the zones in this proposal are or will be enforced by all appropriate means to the affected segments of the public, including publication in the **Federal Register**, as practicable, in accordance with 33 CFR 165.7(a). Such means of notification may also include, but are not limited to, Broadcast Notice to Mariners or Local Notice to Mariners.

All persons and vessels must comply with the instructions of the Coast Guard Captain of the Port Lake Michigan or his or her designated representative. Entry into, transiting, or anchoring within the safety zones is prohibited unless authorized by the Captain of the Port or his or her designated representative. The Captain of the Port or his or her designated representative may be contacted via VHF Channel 16.

##### IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of the statutes and Executive orders, and we discuss First Amendment rights of protestors.

###### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This NPRM has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget.

We conclude that this proposed rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zones created by this rule will be relatively small and effective during the time to ensure safety of spectator and participants for the listed triggering or marine events. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF–FM marine channel 16 about the zones, and the rule would allow vessels to seek permission to enter the zones.

###### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

#### C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

#### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of

their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this proposed rule elsewhere in this preamble.

#### F. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves the establishment of safety zones for yearly triggering and marine events on and around Lake Michigan. Normally such actions are categorically excluded from further review under paragraph 34(g) of Figure 2–1 of Commandant Instruction M16475.ID. An environmental analysis checklist and Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

#### V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal

eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act notice regarding the Federal Docket Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that Web site's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

#### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for Part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

- 2. Revise § 165.929 to read as follows:

#### § 165.929 Safety Zones; Annual events requiring safety zones in the Captain of the Port Lake Michigan zone.

(a) *Regulations.* The following regulations apply to the safety zones listed in Table 165.929 of this section.

(1) The general regulations in 33 CFR 165.23.

(2) All vessels must obtain permission from the Captain of the Port Lake Michigan or his or her designated representative to enter, move within, or exit a safety zone established in this section when the safety zone is enforced. Vessels and persons granted permission to enter one of the safety zones listed in this section must obey all lawful orders or directions of the Captain of the Port Lake Michigan or his or her designated representative. Upon

being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel must proceed as directed.

(3) The enforcement dates and times for each of the safety zones listed in Table 165.929 are subject to change, but the duration of enforcement would remain the same or nearly the same total number of hours as stated in the table. In the event of a change, the Captain of the Port Lake Michigan will provide notice to the public by publishing a Notice of Enforcement in the **Federal Register**, as well as, issuing a Broadcast Notice to Mariners.

(b) *Definitions.* The following definitions apply to this section:

(1) *Designated representative* means any Coast Guard commissioned,

warrant, or petty officer designated by the Captain of the Port Lake Michigan to monitor a safety zone, permit entry into a safety zone, give legally enforceable orders to persons or vessels within a safety zone, and take other actions authorized by the Captain of the Port Lake Michigan.

(2) *Public vessel* means a vessel that is owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(3) *Rain date* refers to an alternate date and/or time in which the safety zone would be enforced in the event of inclement weather.

(c) *Suspension of enforcement.* The Captain of the Port Lake Michigan may suspend enforcement of any of these zones earlier than listed in this section.

Should the Captain of the Port suspend any of these zones earlier than the listed duration in this section, he or she may make the public aware of this suspension by Broadcast Notice to Mariners and/or on-scene notice by his or her designated representative.

(d) *Exemption.* Public vessels, as defined in paragraph (b) of this section, are exempt from the requirements in this section.

(e) *Waiver.* For any vessel, the Captain of the Port Lake Michigan or his or her designated representative may waive any of the requirements of this section upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or security.

### 40 CFR Part 52

[EPA-R03-OAR-2015-0112; FRL-9941-27-Region 3]

#### Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; Attainment Plan for the Lower Beaver Valley Nonattainment Area for the 2008 Lead National Ambient Air Quality Standard

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is proposing to approve a state implementation plan (SIP) revision submitted by the Commonwealth of Pennsylvania (Pennsylvania) for the purpose of demonstrating attainment of the 2008 lead national ambient air quality standard (NAAQS) in the Lower Beaver Valley 2008 lead nonattainment area (Lower Beaver Valley Area or Area). The attainment plan includes the base year emissions inventory, modeling demonstration of attainment with the lead NAAQS, and an analysis of reasonably available control measures (RACM), reasonably available control technology (RACT), and reasonable further progress (RFP). The attainment plan also includes contingency measures for the Lower Beaver Valley Area which include parts of a Consent Order and Agreement (COA) between Horsehead Corporation (Horsehead) and the Pennsylvania Department of Environmental Protection (PADEP). This action is being taken under the Clean Air Act (CAA).

**DATES:** Written comments must be received on or before February 19, 2016.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA-R03-OAR-2015-0112 at <http://www.regulations.gov>, or via email to [fernandez.cristina@epa.gov](mailto:fernandez.cristina@epa.gov). For comments submitted at Regulations.gov, follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. For either manner of submission, the EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.* on the web, cloud, or other file sharing system). For additional submission methods, please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section. For the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/commenting-epa-dockets>.

**FOR FURTHER INFORMATION CONTACT:** Gerallyn Duke, (215) 814-2084, or by email at [duke.gerallyn@epa.gov](mailto:duke.gerallyn@epa.gov).

**SUPPLEMENTARY INFORMATION:** On January 15, 2015, PADEP submitted a revision to its SIP for the purpose of demonstrating attainment of the 2008 lead NAAQS in the Lower Beaver Valley Area in accordance with requirements in sections 172 and 192 of the CAA. Pennsylvania's lead attainment plan for the Area includes a base year emissions inventory, a modeling demonstration of attainment with the 2008 lead NAAQS, an analysis of RACM, RACT, and RFP, and contingency measures. The lead attainment plan also includes paragraphs 3, 5, and 6 of a COA, dated November 21, 2012, between Horsehead

and PADEP that demonstrates how Pennsylvania will achieve and maintain compliance with the 2008 lead NAAQS. EPA has determined that Pennsylvania's attainment plan for the 2008 lead NAAQS for the Lower Beaver Valley Area meets the applicable requirements of the CAA in sections 172 and 192. Thus, EPA is proposing to approve Pennsylvania's attainment plan for the Lower Beaver Valley Area.

EPA's analysis and findings are discussed for each applicable requirement in this rulemaking action. Additional details on the base year inventory and modeling portions of the attainment demonstration are contained in two Technical Support Documents (TSDs) for this proposed action.

#### I. Background

On November 12, 2008 (73 FR 66964), EPA revised the lead NAAQS, lowering the level from 1.5 micrograms per cubic meter ( $\mu\text{g}/\text{m}^3$ ) to 0.15  $\mu\text{g}/\text{m}^3$  calculated over a three-month rolling average. EPA established the 2008 lead NAAQS based on significant evidence and numerous health studies demonstrating that serious health effects are associated with exposures to lead emissions.

On November 22, 2010, EPA designated Vanport and Potter Townships in Beaver County, Pennsylvania as the Lower Beaver Valley Area for its nonattainment status with the 2008 lead NAAQS. The design value used for this designation was based on monitoring data from 2007-2009. On November 22, 2011, EPA revised the lead NAAQS designation for the Area based on 2008-2010 monitoring data by adding Center Township to the Area. 76 FR 72097. Under sections 191(a) and 192 of the CAA, Pennsylvania is required to submit a SIP revision with a plan for how the Area will attain the 2008 lead NAAQS, as expeditiously as practicable, but no later than December 31, 2015.

Horsehead owned and operated a permitted zinc production plant in Potter Township, Pennsylvania (the Monaca Smelter or Facility). This Facility was the only industrial source
