

presentations and comments for 508 compliance, and place compliant materials on its Web site. As resources permit, CMS will also convert non-compliant submissions to 508 compliant forms, and offer assistance to submitters who wish to make their submissions 508 compliant. All non-508 compliant presentations and comments will be shared with the public onsite and through the webcast and made available to the public upon request.

Those wishing to access such materials should contact the DFO (the DFO's address, email and phone number are provided below).

In order to consider presentations and/or comments, we will need to receive the following:

1. An *email copy* of the presentation or comments sent to the DFO mailbox, APCPanel@cms.hhs.gov or, if unable to submit by email, a hard copy sent to the DFO at the address noted under **FOR FURTHER INFORMATION CONTACT**.

2. Form *CMS-20017* with complete contact information that includes name, address, phone number, and email addresses for all presenters and commenters and a contact person that can answer any questions and or provide revisions that are requested for the presentation. Presenters and commenters must clearly explain the actions that they are requesting CMS to take in the appropriate section of the form. A presenter's/commenter's relationship with the organization that they represent must also be clearly listed.

- The form is now available through the CMS Forms Web site. The Uniform Resource Locator (URL) for linking to this form is as follows: <http://www.cms.hhs.gov/cmsforms/downloads/cms20017.pdf>.

- We encourage presenters to make efforts to ensure that their presentations and comments are 508 compliant.
