Assessment Rates

Consistent with 19 CFR 351.212(b)(2), we intend to issue assessment instructions to U.S. Customs and Border Protection (CBP) fifteen days after publication of the final results of this review. We will instruct CBP to assess countervailing duties on all appropriate entries covered by this review in the amounts shown above.

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, the Department intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company specific or all-others rate applicable to the company. Accordingly, the cash deposit rates that will be applied to companies covered by the *Amended Order*, but not examined in this review, are those established in the most recently completed segment of the proceeding for each company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested.
