AGENCY: Securities and Exchange Commission.

ACTION: Final rule; correction.

SUMMARY: The Securities and Exchange Commission (“SEC” or “Commission”) is making a technical correction to a burden estimate for Paperwork Reduction Act purposes and a corresponding estimate in the Economic Analysis of the business conduct standards for security-based swap dealers and major security-based swap participants.

DATES: *Effective:* May 24, 2016.

FOR FURTHER INFORMATION CONTACT: Lourdes Gonzalez, Assistant Chief Counsel—Sales Practices, Office of Chief Counsel, Division of Trading and Markets, at (202) 551-5550, at the Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549.

SUPPLEMENTARY INFORMATION: In Business Conduct Standards for Security-Based Swap Dealers and Major Security-Based Swap Participants (FR Doc. 2016-10918), published in the

Federal Register on May 13, 2016, the following corrections are made:

1. On page 30090, in the third column, under the heading “1. *Verification of Status*,” the second sentence is hereby deleted and replaced with the sentence: “As noted above, Rule 15Fh-3(a)(3) differs from the CFTC’s rule, which instead includes an opt-in for plans “defined in” ERISA, but not subject to Title I of ERISA.” Footnote 1529 remains as published.

2. Also on page 30090, in the third column, in the fourth sentence under the same heading, the phrase “complying with the rules, as adopted,” is replaced with the phrase “complying with Rules 15Fh-3(a)(1) and (2)”.

3. On page 30091, in the first column, under the same heading, a new paragraph begins after footnote 1531, beginning with the sentence “We do not anticipate any ongoing burdens with respect to this rule.”

4. Also on page 30091, in the first column, under the same heading, the following sentence is added to the end of the last paragraph under this heading: “We also anticipate that all 55 SBS Entities will incur, on average, an initial internal burden of 30 minutes to prepare the notice required pursuant to Rule 15Fh-3(a)(3) for counterparties defined in Rule 15Fh-2(d)(4), for an aggregate total of 27.5 hours.”

5. On page 30110, in the first column, in the first sentence of the sixth paragraph under the heading “C. *Costs and Benefits of Business Conduct Rules*, 1. *Verification of Status and Know Your Counterparty Rules*,” the estimate for the direct costs of compliance is corrected to “\$28,050” from “\$17,600”.

6. Footnote 1655 on page 30110, is corrected to: “Initial outside counsel cost: \$500 * (20 non-CFTC registered

SBS Entities) = \$10,000. Initial adherence letter and notification burden: (In-house attorney at \$380 per hour) × 47.5 hours = \$18,050.”

7. On page 30120, in the first column, in the fourth paragraph under the heading “4. *Special Entities*, a. *Scope and Verification*,” the third sentence is corrected to: “Out of 3,635 special entities subscribed to the ISDA August 2012 DF Protocol, 1,453 market participants (approximately 40%) are special entities not defined in Rule 15Fh-2(d)(3).”

[Docket No. SSA-2016-0016]

RIN 0960-A100

Extension of Expiration Dates for Two Body System Listings

AGENCY: Social Security Administration.
ACTION: Final rule.

SUMMARY: We are extending the expiration dates of the following body systems in the Listing of Impairments (listings) in our regulations: Endocrine Disorders and Immune System Disorders. We are making no other revisions to these body systems in this final rule. This extension ensures that we will continue to have the criteria we need to evaluate impairments in the affected body systems at step three of the sequential evaluation processes for

initial claims and continuing disability reviews.

DATES: This final rule is effective on May 24, 2016.

FOR FURTHER INFORMATION CONTACT: Cheryl A. Williams, Director, Office of Medical Policy, 6401 Security Boulevard, Baltimore, MD 21235-6401, (410) 965-1020. For information on eligibility or filing for benefits, call our national toll-free number, 1-800-772-1213, or TTY 1-800-325-0778, or visit our Internet site, Social Security Online, at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION:

Background

We use the listings in appendix 1 to subpart P of part 404 of 20 CFR at the third step of the sequential evaluation process to evaluate claims filed by adults and children for benefits based on disability under the title II and title XVI programs.¹ 20 CFR 404.1520(d), 416.920(d), 416.924(d). The listings are in two parts: Part A has listings criteria for adults and Part B has listings criteria for children. If you are age 18 or over, we apply the listings criteria in part A when we assess your impairment or combination of impairments. If you are

under age 18, we first use the criteria in part B of the listings when we assess your impairment(s). If the criteria in part B do not apply, we may use the criteria in part A when those criteria give appropriate consideration to the effects of your impairment(s). 20 CFR 404.1525(b), 416.925(b).

Explanation of Changes

In this final rule, we are extending the dates on which the listings for the following two body systems will no longer be effective as set out in the following chart:

| Listing | Current expiration date | Extended expiration date |
|--|-------------------------|--------------------------|
| Endocrine Disorders 9.00 and 109.00 | June 7, 2016 | June 8, 2018. |
| Immune System Disorders 14.00 and 114.00 | June 16, 2016 | June 18, 2018. |

We continue to revise and update the listings on a regular basis, including those body systems not affected by this final rule.² We intend to update the two listings affected by this final rule as quickly as possible, but may not be able to publish final rules revising these listings by the current expiration dates. Therefore, we are extending the expiration dates listed above.

Regulatory Procedures

Justification for Final Rule

We follow the Administrative Procedure Act (APA) rulemaking procedures specified in 5 U.S.C. 553 in promulgating regulations. Section 702(a)(5) of the Social Security Act, 42 U.S.C. 902(a)(5). Generally, the APA requires that an agency provide prior notice and opportunity for public comment before issuing a final regulation. The APA provides exceptions to the notice-and-comment requirements when an agency finds there is good cause for dispensing with such procedures because they are impracticable, unnecessary, or contrary to the public interest.

We determined that good cause exists for dispensing with the notice and public comment procedures. 5 U.S.C. 553(b)(B). This final rule only extends the date on which two body system listings will no longer be effective. It makes no substantive changes to our rules. Our current regulations³ provide that we may extend, revise, or promulgate the body system listings again. Therefore, we have determined

that opportunity for prior comment is unnecessary, and we are issuing this regulation as a final rule.

In addition, for the reasons cited above, we find good cause for dispensing with the 30-day delay in the effective date of this final rule. 5 U.S.C. 553(d)(3). We are not making any substantive changes to the listings in these body systems. Without an extension of the expiration dates for these listings, we will not have the criteria we need to assess medical impairments in these two body systems at step three of the sequential evaluation processes. We therefore find it is in the public interest to make this final rule effective on the publication date.

Executive Order 12866, as Supplemented by Executive Order 13563

We consulted with the Office of Management and Budget (OMB) and determined that this final rule does not meet the requirements for a significant regulatory action under Executive Order 12866, as supplemented by Executive Order 13563. Therefore, OMB did not review it. We also determined that this final rule meets the plain language requirement of Executive Order 12866.

Regulatory Flexibility Act

We certify that this final rule does not have a significant economic impact on a substantial number of small entities because it affects only individuals. Therefore, a regulatory flexibility

analysis is not required under the Regulatory Flexibility Act, as amended.

Paperwork Reduction Act

These rules do not create any new or affect any existing collections and, therefore, do not require Office of Management and Budget approval under the Paperwork Reduction Act.

BILLING CODE 4191–02–P

DEPARTMENT OF STATE

22 CFR Part 147

[Public Notice: 9498]

RIN 1400–AD87

Electronic and Information Technology

AGENCY: Department of State.

ACTION: Final rule.

SUMMARY: This rule implements Section 508 of the Rehabilitation Act (Section 508) for the Department of State. Section 508 requires that when Federal departments and agencies develop, procure, maintain, or use electronic and information technology, they shall ensure that the electronic and information technology is accessible to individuals with disabilities who are Federal employees, applicants for employment, or members of the public.

DATES: This rule is effective June 23, 2016.

FOR FURTHER INFORMATION CONTACT: Alice Kottmyer, Attorney-Adviser, 202–647–2318, kottmyeram@state.gov.

SUPPLEMENTARY INFORMATION: This rule adds a new part 147, which implements Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d) (“Section 508”), as it applies to programs and activities conducted by the Department of State (“the Department”).

Subpart A—General Provisions

Sections 147.1 and 147.2 provide that these rules are intended to implement Section 508, consistent with that statute and the regulations promulgated by the Access Board, at 36 CFR part 1194 (“Part 1194”). This rule applies to all development, procurement,

maintenance, and use of electronic and information technology by the Department of State. Section 147.3 provides the definitions of “The Department,” “Section 508,” “Section 508 complaint”, and “the Secretary”, and adopts the definitions in 36 CFR 1194.4.

Section 147.4 provides that the Department will ensure that its employees, applicants for employment, and members of the public are provided with adequate notice of the Department’s obligations under Section 508, part 1194, and these rules.

Sections 147.5 and 147.6 generally reiterate the requirements of Section 508 regarding the prohibition against discrimination, and the requirement for ensuring that EIT is accessible (in accordance with part 1194), unless an undue burden would be imposed on the Department—in which case an alternative means of access must be provided.

Subpart B—Complaint Procedures

Section 147.7 provides procedures for filing a complaint under Section 508. The procedures included therein are substantially the same procedures the Department has established in implementing Section 504 of the Rehabilitation Act of 1973 (22 CFR part 144). The relevant procedures are repeated in this rulemaking, for convenience. A Section 508 complaint must be filed with the Department’s Office of Civil Rights, must be in writing, and submitted by fax, email, mail, or hand-delivery. The final, approved complaint form, designated DS–4282, is accessible and fillable and is available on the following page: <https://eforms.state.gov/searchform.aspx>. The Department’s analysis and notice pursuant to the Paperwork Reduction Act are included in the “Regulatory Analysis,” below. The DS–4282 will be used for complaints not only under Section 508, but under Section 504 and Title VI of the Civil Rights Act. This is reflected in the Paperwork Reduction Act analysis, below.

An individual with a disability alleging a violation of Section 508 must file a complaint not later than 180 days after the date the complainant knew, or should have known, of the alleged violation of Section 508. Once the Department receives the complaint, it must conduct an investigation and, within 180 days of receiving the complaint, shall notify the complainant of the results of the investigation in a letter containing findings of fact and conclusions of law; a description of a remedy for each violation found; and a

notice of the right to appeal within 90 days of the complainant’s receipt of the notice from the Department. The Department will notify the complainant of the results of the appeal within 60 days of the receipt of the appeal request.

Section 147.8 provides that a decision from the Department on the merits of a complaint, or no notification in writing from the Department within 180 days of filing the complaint, will constitute exhaustion of the complainant’s administrative remedies for purposes of 5 U.S.C. 701, *et seq.* This provision does not yet have a counterpart in the Department’s Section 504 implementing procedures; however, the Department is considering adding a parallel provision to 22 CFR part 144 in the near future.

The Department published a proposed rule on January 4, 2016. See 81 FR 44. The Department received one comment in response to the Paperwork Reduction Act notice, expressing support for the information collection, and received no comments on the proposed rule.

Regulatory Analysis

Administrative Procedure Act

The Department of State published this rulemaking as a proposed rule, with 60-day provision for public comment. The final rule will be in effect 30 days after publication.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by 5 U.S.C. 804 for the purposes of Congressional review of agency rulemaking under the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 801–808).

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local, or tribal governments, in the aggregate, or by the private sector, of \$100 million in any year; and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Executive Order 13175—Consultation and Coordination With Indian Tribal Governments

The Department has determined that this rulemaking will not have tribal implications, will not impose substantial direct compliance costs on Indian tribal governments, and will not pre-empt tribal law. Accordingly, the requirements of Executive Order 13175 do not apply to this rulemaking.
