BILLING CODE 4191–02–P

DEPARTMENT OF STATE

22 CFR Part 147

[Public Notice: 9498]

RIN 1400–AD87

Electronic and Information Technology

AGENCY: Department of State.

ACTION: Final rule.

SUMMARY: This rule implements Section 508 of the Rehabilitation Act (Section 508) for the Department of State. Section 508 requires that when Federal departments and agencies develop, procure, maintain, or use electronic and information technology, they shall ensure that the electronic and information technology is accessible to individuals with disabilities who are Federal employees, applicants for employment, or members of the public.

DATES: This rule is effective June 23, 2016.

FOR FURTHER INFORMATION CONTACT:

Alice Kottmyer, Attorney-Adviser, 202–647–2318, kottmyeram@state.gov.

SUPPLEMENTARY INFORMATION: This rule adds a new part 147, which implements Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d) (“Section 508”), as it applies to programs and activities conducted by the Department of State (“the Department”).

Subpart A—General Provisions

Sections 147.1 and 147.2 provide that these rules are intended to implement Section 508, consistent with that statute and the regulations promulgated by the Access Board, at 36 CFR part 1194 (“Part 1194”). This rule applies to all development, procurement,

maintenance, and use of electronic and information technology by the Department of State. Section 147.3 provides the definitions of “The Department,” “Section 508,” “Section 508 complaint”, and “the Secretary”, and adopts the definitions in 36 CFR 1194.4.

Section 147.4 provides that the Department will ensure that its employees, applicants for employment, and members of the public are provided with adequate notice of the Department’s obligations under Section 508, part 1194, and these rules.

Sections 147.5 and 147.6 generally reiterate the requirements of Section 508 regarding the prohibition against discrimination, and the requirement for ensuring that EIT is accessible (in accordance with part 1194), unless an undue burden would be imposed on the Department—in which case an alternative means of access must be provided.

Subpart B—Complaint Procedures

Section 147.7 provides procedures for filing a complaint under Section 508. The procedures included therein are substantially the same procedures the Department has established in implementing Section 504 of the Rehabilitation Act of 1973 (22 CFR part 144). The relevant procedures are repeated in this rulemaking, for convenience. A Section 508 complaint must be filed with the Department’s Office of Civil Rights, must be in writing, and submitted by fax, email, mail, or hand-delivery. The final, approved complaint form, designated DS–4282, is accessible and fillable and is available on the following page: <https://eforms.state.gov/searchform.aspx>. The Department’s analysis and notice pursuant to the Paperwork Reduction Act are included in the “Regulatory Analysis,” below. The DS–4282 will be used for complaints not only under Section 508, but under Section 504 and Title VI of the Civil Rights Act. This is reflected in the Paperwork Reduction Act analysis, below.

An individual with a disability alleging a violation of Section 508 must file a complaint not later than 180 days after the date the complainant knew, or should have known, of the alleged violation of Section 508. Once the Department receives the complaint, it must conduct an investigation and, within 180 days of receiving the complaint, shall notify the complainant of the results of the investigation in a letter containing findings of fact and conclusions of law; a description of a remedy for each violation found; and a

notice of the right to appeal within 90 days of the complainant’s receipt of the notice from the Department. The Department will notify the complainant of the results of the appeal within 60 days of the receipt of the appeal request.

Section 147.8 provides that a decision from the Department on the merits of a complaint, or no notification in writing from the Department within 180 days of filing the complaint, will constitute exhaustion of the complainant’s administrative remedies for purposes of 5 U.S.C. 701, *et seq.* This provision does not yet have a counterpart in the Department’s Section 504 implementing procedures; however, the Department is considering adding a parallel provision to 22 CFR part 144 in the near future.

The Department published a proposed rule on January 4, 2016. See 81 FR 44. The Department received one comment in response to the Paperwork Reduction Act notice, expressing support for the information collection, and received no comments on the proposed rule.

Regulatory Analysis

Administrative Procedure Act

The Department of State published this rulemaking as a proposed rule, with 60-day provision for public comment. The final rule will be in effect 30 days after publication.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by 5 U.S.C. 804 for the purposes of Congressional review of agency rulemaking under the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 801–808).

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local, or tribal governments, in the aggregate, or by the private sector, of \$100 million in any year; and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Executive Order 13175—Consultation and Coordination With Indian Tribal Governments

The Department has determined that this rulemaking will not have tribal implications, will not impose substantial direct compliance costs on Indian tribal governments, and will not pre-empt tribal law. Accordingly, the requirements of Executive Order 13175 do not apply to this rulemaking.

Regulatory Flexibility Act: Small Business

The Department of State certifies that this rulemaking will not have an impact on a substantial number of small entities. A regulatory flexibility analysis is not required under the Regulatory Flexibility Act (5 U.S.C. 601, *et seq.*).

Executive Order 12866 and Executive Order 13563

The Department of State has provided this final rule to the Office of Management and Budget (OMB) for its review. The Department has also reviewed the rule to ensure its consistency with the regulatory philosophy and principles set forth in Executive Order 12866, and finds that the benefits of the rule (in providing mechanisms for individuals to submit complaints of discrimination) outweigh any costs to the public, which are minimal. The Department of State has also considered this rulemaking in light of Executive Order 13563, and affirms that this proposed regulation is consistent with the guidance therein.

Executive Order 12988

The Department of State has reviewed this rule in light of Executive Order 12988 to eliminate ambiguity, minimize litigation, establish clear legal standards, and reduce burden.

Executive Orders 12372 and 13132

This rule will not have substantial direct effect on the states, on the relationships between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, it is determined that this rule does not have sufficient federalism implications to require consultations or warrant the preparation of a federalism summary impact statement. Executive Order 12372, regarding intergovernmental consultation on federal programs and activities, does not apply to this regulation.

Paperwork Reduction Act

The information collection contained in this rule is pursuant to the Paperwork Reduction Act, 44 U.S.C. Chapter 35 and, although not yet in use, has been assigned an OMB Control Number. The Department submitted an information collection request to OMB for the review and approval of the Discrimination Complaint Form, DS-4282, under the PRA.

This information collection will provide a way for employees and members of the public to submit a

complaint of discrimination under Section 508 and other federal statutes relating to discrimination, as described below.

Subpart A—General Provisions

§ 147.1 Purpose.

The purpose of this part is to implement section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d), which requires that when Federal departments and agencies develop, procure, maintain, or use electronic and information technology, they shall ensure that the electronic and information technology is accessible to individuals with disabilities who are Federal employees, applicants for employment, or members of the public.

§ 147.2 Application.

This part applies to all development, procurement, maintenance, and use of electronic and information technology (EIT), as defined in 36 CFR 1194.4.

§ 147.3 Definitions.

This part incorporates the definitions in 36 CFR 1194.4. In addition, as used in this part:

Department means the United States Department of State and any of its passport agencies or other facilities.

§ 147.4 Notice.

(a) The Secretary shall ensure that employees, applicants for employment, and the members of the public are provided with adequate notice of the requirements of Section 508, the Electronic and Information Technology Accessibility Standards (36 CFR part 1194), and this part, as they relate to the programs or activities conducted by the Department.

(b) The Secretary shall ensure that the home page of the Department's public-facing Web site provides Department policy regarding accessibility of EIT in accordance with Section 508 and 36 CFR part 1194, as well as an email address for the public to ask questions or express concerns.

§ 147.5 Discrimination prohibited.

The Department must comply with EIT Accessibility Standards when it develops, procures, maintains, or uses EIT. The Department must ensure that individuals with disabilities who are Federal employees or members of the public have access to and use of information and data that is comparable to that provided to Federal employees or members of the public without disabilities, unless providing comparable access would impose an undue burden on the Department.

§ 147.6 Electronic and information technology requirements.

(a) *Development, procurement, maintenance, or use of EIT.* When developing, procuring, maintaining, or using EIT, the Department shall ensure, unless an undue burden would be imposed on the Department, that the EIT allows, regardless of the type of medium of the technology, that—

(1) Individuals with disabilities who are Department employees have access to and use of information and data that is comparable to the access to and use of the information and data by Department employees who are not individuals with disabilities; and

(2) Individuals with disabilities who are members of the public seeking information or services from the Department have access to and use of information and data that is comparable to the access to and use of the information and data by such members of the public who are not individuals with disabilities.

(b) In meeting its obligations under paragraph (a) of this section, the Department shall comply with the

Electronic and Information Technology Accessibility Standards, 36 CFR part 1194.

(c) *Alternative means of access when undue burden is imposed.* When development, procurement, maintenance, or use of EIT that meets the standards as provided in 36 CFR part 1194 would impose an undue burden, the Department shall provide individuals with disabilities covered by this section with the relevant information and data by an alternative means of access that allows the individual to use the information and data.

(d) *Procedures for determining undue burden.* The Department procedures for finding that full compliance with 36 CFR part 1194 would impose an undue burden can be found at: <http://www.state.gov/m/irm/impact/126338.htm>.

Subpart B—Complaint Procedures

§ 147.7 Filing a Section 508 complaint.

(a) An individual with a disability who alleges that Department's EIT does not allow him or her to have access to and use of information and data that is comparable to access and use by individuals without disabilities, or that the alternative means of access provided by the Department does not allow the individual to use the information and data, may file a complaint with the Department's Office of Civil Rights (S/OCR).

(b) Employees, applicants for employment, or members of the general public are encouraged to contact personnel in the Department office that uses or maintains a system that is believed not to be compliant with Section 508 or 36 CFR part 1194 to attempt to have their issues addressed. Nothing in this complaint process is intended to prevent Department personnel from addressing any alleged compliance issues when made aware of such requests directly or indirectly.

(c) A Section 508 complaint must be filed not later than 180 calendar days after the complainant knew, or should have known, of the alleged discrimination, unless the time for filing is extended by the Department. A Section 508 complaint must be submitted in writing by fax, email, mail, or hand delivery to the S/OCR office, using the Form DS–4282, Discrimination Complaint Form, which can be downloaded at: <https://eforms.state.gov/searchform.aspx>.

(d) Once a Section 508 complaint has been received, S/OCR will conduct an investigation into the allegation(s) and render a decision as to whether a

Section 508 violation has occurred. Within 180 days of the receipt of a complete complaint under this part, the Secretary shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

Upon request of the complainant, the decision will be provided in an alternate format, such as an electronic format, braille, or large print.

(e) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Department of the notice required by § 147.7(d). The Department may extend this time for good cause.

(f) Timely appeals shall be accepted and processed by the Department.

(g) The Secretary shall notify the complainant of the results of the appeal within 60 days of the receipt of the appeal. If the Secretary determines that additional information is needed from the complainant, the Secretary shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(h) Individuals who submit a complaint must keep S/OCR updated at all times with current contact information, to include address, phone number, and working email address. If the Department needs additional information and is unable, after reasonable attempts for 30 days, to contact a complainant using his or her contact information, it may consider the complaint abandoned, and may close the complaint without action. A complainant may re-submit a complaint that was closed due to the inability of the Department to contact the complainant.

(i) A Department employee who receives a Section 508 complaint or a communication that raises an issue that might reasonably be considered a Section 508 complaint, should forward such communication to S/OCR.

§ 147.8 Final agency action.

Either a decision by the Secretary on the merits of a complaint, or no notification in writing from the Secretary within 180 days of filing the complaint, will constitute a final agency action and exhaustion of the complainant's administrative remedies for purposes of 5 U.S.C. 701, *et seq.*

BILLING CODE 4710-10-P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Parts 14 and 20

RIN 2900-AP71

Mailing Address of the Board of Veterans' Appeals

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is amending its regulations on representation of claimants and the Rules of Practice of the Board of Veterans' Appeals (Board) to update the Board's mailing address and titles of certain individuals and offices at the Board to whom mail is addressed. These amendments are necessary because of a mailing address change and to ensure that correct titles of certain individuals and offices at the Board are reflected in the regulations.

DATES: *Effective Date:* This rule is effective May 24, 2016.

FOR FURTHER INFORMATION CONTACT: Donnie R. Hachey, Chief Counsel for Operations, Board of Veterans' Appeals (01C2), Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420, (202) 632-4603. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: The Board is updating its mailing address because of new centralized mail procedures. This document amends 38 CFR parts 14 and 20 to update the Board's mailing address and titles of certain individuals and offices to whom mail is addressed. The purpose of these revisions is to ensure that the information contained in 38 CFR parts 14 and 20 is current and correct.

The new centralized mail procedures are consistent with paperless VA claims and appeals processing. The purpose of these procedures is to increase efficiency of mail processing. Centralized mail processing allows Board staff to electronically review mail related to appeals and upload that mail to a Veteran's electronic claims file in the Veterans Benefits Management System (VBMS).

Centralized mail processing allows for electronic processing of the Board's appeals-related mail. The Board also receives mail not intended to be

associated with a Veteran's claims file for consideration in a specific case. For example, as indicated above, an individual seeking additional information regarding this rulemaking may contact the Board's Chief Counsel for Operations, via mail. The Board also distributes a Board of Veterans' Appeals Hearing Survey Card, VA Form 0745, which allows an appellant to provide anonymous feedback regarding his or her Board hearing. The Board Hearing Survey Card includes an attached Business Reply Mail envelope addressed to the Board. Additionally, the Board's incoming mail includes various periodicals.

The Board is presently only utilizing centralized mail procedures to process mail related to appeals, which should be mailed to the Board's new post office box. Other types of mail should continue to be mailed to the Board at 810 Vermont Avenue NW., Washington, DC 20420. VA is amending 38 CFR 20.100(c), to distinguish between these two different mailing addresses for these two different types of mail.

Administrative Procedure Act

These changes to 38 CFR parts 14 and 20 are being published without regard to notice-and-comment procedures of 5 U.S.C. 553(b) because they involve only matters of agency organization, procedure, or practice, which are exempted from such procedures by virtue of 5 U.S.C. 553(b)(A). Further, because these changes do not involve substantive rules, they are not subject to the provisions of 5 U.S.C. 553(d) providing for a 30-day delay in the effective date of substantive rules.

Paperwork Reduction Act

Although this action contains provisions constituting collections of information at 38 CFR 20.608, 20.702, and 20.704, under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3521), no new or proposed revised collections of information are associated with this final rule. The information collection requirements for §§ 20.608, 20.702, and 20.704 are currently approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 2900-0085.

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (5 U.S.C. 601-612). This final rule will directly affect only individuals and will not directly affect small entities.

Therefore, pursuant to 5 U.S.C. 605(b), this rulemaking is exempt from the final regulatory flexibility analysis requirements of section 604.

Executive Orders 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. Executive Order 12866 (Regulatory Planning and Review) defines a "significant regulatory action" requiring review by OMB, unless OMB waives such review, as "any regulatory action that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive Order."

The economic, interagency, budgetary, legal, and policy implications of this regulatory action have been examined, and it has been determined not to be a significant regulatory action under Executive Order 12866. VA's impact analysis can be found as a supporting document at <http://www.regulations.gov>, usually within 48 hours after the rulemaking document is published. Additionally, a copy of the rulemaking and its impact analysis are available on VA's Web site at <http://www.va.gov/orpm/>, by following the link for "VA Regulations Published From FY 2004 Through Fiscal Year to Date."

Unfunded Mandates

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before
