1. On May 3, 2016, Atlantic Tele-
Network, Inc. (ATN), and its wholly-
owned subsidiary SAL Spectrum, LLC (SAL) (together Petitioners), filed a petition requesting, to the extent necessary, waiver of 47 CFR 1.2110(f)(4) to enable SAL to claim eligibility for a rural service provider bidding credit in its application to participate in Auction 1002, the forward auction portion of the broadcast incentive auction. The Bureau seeks comment on the petition.

2. In its application, SAL seeks a rural service provider bidding credit, which provides an eligible applicant with a 15 percent discount on its winning bid(s).

To be eligible, an applicant must, *inter alia*, be a service provider that together with its controlling interests, affiliates, and the affiliates of its controlling interests, has fewer than 250,000 combined wireless, wireline, broadband, and cable subscribers. Petitioners claim that ATN subsidiaries serve "slightly more than 62,000 wireline, wireless, broadband, and cable subscribers" in the United States, that "ATN's foreign subsidiaries serve more than 250,000 wireline, wireless, broadband, and cable subscribers," and that "ATN's total worldwide subscriber base is fewer than 500,000." Petitioners seek a waiver, to the extent necessary, of any requirement that foreign subscribers be considered in determining SAL's qualifications for the bidding credit.

3. *Procedural Matters:* This proceeding has been designated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules. Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter's written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with 47 CFR 1.1206(b).
