**SUPPLEMENTARY INFORMATION:**

**Background**

The purpose of the Committee is to provide advice and recommendations on implementation of the Planning Rule. To date, the current Committee officially transmitted their recommendations to improve the transition process for Forest Service leadership and planning teams; recommendations to produce a Planning 101 video; and recommendations for the development of assessments. The current Committee's membership will expire in September 2016. The Committee will be asked to perform the following duties or other requests made by the Secretary of Agriculture or the Chief of the Forest Service:

1. Offer recommendations on outreach efforts, public engagement, and stakeholder collaboration;
2. Offer recommendations on broad scale and multiparty monitoring and other ways to engage partnerships in land management plan revisions;

3. Offer recommendations on communication tools and strategies to help provide greater understanding of the land management planning process; and

4. Offer recommendations on potential best management practices and problem solving resulting from early implementation of the 2012 Planning Rule.

**Advisory Committee Organization**

This Committee will be comprised of not more than 21 members who provide balanced and broad representation within each of the following three categories of interests:

1. Up to 7 members who represent one or more of the following:
