SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the OMB for each collection of information that they conduct or sponsor.

“Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

The OCC is proposing to extend OMB approval of the following information collection:

Title: OCC Supplier Registration Form.

OMB Number: 1557-0316.

Frequency of Response: On occasion.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 200.

Estimated Burden Hours Per Response: 10 minutes.

Estimated Total Annual Burden Hours: 33 hours.

Abstract: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank) requires the OCC to develop and implement standards and procedures to ensure, to the maximum extent possible, the fair inclusion and utilization of minorities, women, and minority-owned and women-owned businesses in all business and activities of the agency at all levels, including procurement, insurance, and all types of contracts¹ and to develop standards for coordinating technical assistance to such businesses.²

In order to comply with the Congressional mandate to develop standards for the fair inclusion and

utilization of minority- and women-owned businesses and to provide effective technical assistance to these businesses, the OCC developed an on-going system to collect up-to-date contact information and capabilities statements from potential suppliers. This information allows the OCC to update and enhance its internal database of interested minority- and women-owned businesses. This information also allows the OCC to measure the effectiveness of its technical assistance and outreach efforts and to target areas where additional outreach efforts are necessary.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. The OCC invites comment on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information shall have practical utility;

(b) The accuracy of the OCC's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology, and
