Subject merchandise also includes corrosion-resistant steel that has been further processed in a third country, including but not limited to annealing, tempering, painting, varnishing, trimming, cutting, punching and/or slitting or any other processing that would not otherwise remove the merchandise from the scope of the investigation if performed in the country of manufacture of the in-scope corrosion resistant steel.

- Clad products in straight lengths of 4.7625 mm or more in composite thickness and of a width which exceeds 150 mm and measures at least twice the thickness; and

- Certain clad stainless flat-rolled products, which are three-layered corrosion-resistant flat-rolled steel products less than 4.75 mm in composite thickness that consist of a flat-rolled steel product clad on both sides with stainless steel in a 20%–60%–20% ratio.

#### SUPPLEMENTARY INFORMATION:

#### Background

On February 18, 2016, the Department of Commerce (the Department) initiated the antidumping duty investigation of truck and bus tires from the People’s Republic of China.<sup>1</sup> The *Initiation Notice* stated that the Department would issue its preliminary determination for this investigation no later than 140 days after the date of the initiation in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.205(b)(1), unless postponed.<sup>2</sup>

#### Period of Investigation

The period of investigation is July 1, 2015, through December 31, 2015.

#### Postponement of Preliminary Determination

Section 733(c)(1)(A) of the Act permits the Department to postpone the time limit for the preliminary determination if it receives a timely request from the petitioner for postponement. The Department may postpone the preliminary determination under section 733(c)(1) of the Act no later than 190 days after the date on which the administering authority initiates an investigation.

On May 20, 2016, United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL–CIO, CLC (the petitioner) made a timely request under 19 CFR 351.205(e) for a 50-day postponement of the preliminary determination of this investigation.<sup>3</sup> The petitioner states that a postponement is necessary given a very large number of separate rate applications and the need for additional time to analyze responses from the two selected respondents.<sup>4</sup>

For the reasons stated above, and because there are no compelling reasons to deny the petitioner’s request, the Department is fully postponing the preliminary determination of this investigation in accordance with section 733(c)(1)(A) of the Act and 19 CFR 351.205(b)(2) and (e) to August 26, 2016. The deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless extended.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: May 26, 2016.
