proposal with regard to the Tier Size Pilot.

FINRA has filed the proposed rule change for immediate effectiveness. The operative date of the proposed rule change will be June 10, 2016.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA also believes that the proposed rule change is consistent with the provisions of Section 15A(b)(11) of the Act.

The proposed rule change will be June 10, 2016. The change will become effective pursuant to Section 15A(b)(6) of the Act, which change is consistent with the provisions of Section 15A(b)(11) of the Act.

A proposed rule change filed under Rule 19b–4(f)(6) normally does not become operative prior to 30 days after the date of filing. However, pursuant to Rule 19b–4(f)(6)(iii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because such waiver will allow the pilot program to continue without interruption. Therefore, the Commission designates the proposed rule change to file for immediate effectiveness.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

SMALL BUSINESS ADMINISTRATION

[Disaster Declaration #14728 and #14729]
Montana Disaster #MT–00095

AGENCY: U.S. Small Business Administration.

ACTION: Notice.

SUMMARY: This is a Notice of the Presidential declaration of a major disaster for Public Assistance Only for the State of Montana (FEMA–4271–DR), dated 05/24/2016.

Incident: Severe Winter Storm and Straight-line Winds.

Action: Notice.

Summary: The Acting Commissioner of Social Security gives notice that a supplementary agreement coordinating the United States (U.S.) and the Czech Republic social security programs will enter into force on May 1, 2016. The original agreement with the Czech Republic was signed on September 7, 2007. The intent of the original agreement was that workers covered exclusively under U.S. laws while working in the Czech Republic would be exempt from the Czech health insurance contributions. A change in Czech law after the signing of the original 2007 agreement caused these workers to be liable for Czech health insurance taxes. This result was inconsistent with the purpose of the totalization agreement to eliminate duplicate taxation as permitted by 42 U.S.C. 433 and 26 U.S.C. 3101(c).

The supplementary agreement exempts a worker subject exclusively to U.S. laws from contributing to the Czech health insurance system. The supplementary agreement achieves this by placing the new Czech health insurance law, the Act on Public Health, within the scope of the 2007 U.S.-Czech Agreement. Individuals who wish to obtain copies of the agreement or want more information about its provisions may write to the Social Security Administration, Office of International Programs, Post Office Box 17741, Baltimore, MD 21235–7741 or visit the Social Security Web site at www.socialsecurity.gov/international.

Dated: May 24, 2016.

Carolyn Colvin,
Acting Commissioner of Social Security.
