Paperwork Reduction Act

In accordance with the Paperwork Reduction Act, the paperwork burden associated with this Notice has been approved by the Office of Management and Budget (OMB) under OMB Control Number 0570-0052.

A. Program Description

The SDGG Program is authorized by section 310B (e)(11) of the Consolidated Farm and Rural Development Act (7 U.S.C. 1932 (e)(11)). The primary objective of the SDGG program is to provide Technical Assistance to Socially-Disadvantaged Groups. Grants are available for Cooperative

Development Centers, individual Cooperatives, or Groups of Cooperatives that serve Socially-Disadvantaged Groups and where a majority of their board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups.

Definitions

The definitions you need to understand are as follows:

Agency—Rural Business-Cooperative Service, an agency of the United States Department of Agriculture (USDA) Rural Development or a successor agency.

Conflict of Interest—A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, or their immediate family members having a financial or other interest in the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members. Examples of conflicts of interest include using grant funds to pay a member of the applicant's board of directors to provide proposed Technical Assistance to Socially-Disadvantaged Groups; pay a cooperative member to provide proposed Technical Assistance to other members of the same cooperative; and pay an immediate family member of the applicant to provide proposed Technical Assistance to Socially-Disadvantaged Groups.

Cooperative—A business or organization owned by and operated for the benefit of those using its services and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups. Profits and earnings generated by the cooperative are distributed among the members, also known as user-owners.

Cooperative Development Center—A nonprofit corporation or institution of higher education operated by the grantee for cooperative or business development and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups. It may or may not be an

independent legal entity separate from the grantee.

Feasibility Study—An analysis of the economic, market, technical, financial, and management feasibility of a proposed Project.

Group of Cooperatives—A group of Cooperatives whose primary focus is to provide assistance to Socially-Disadvantaged Groups and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups.

Operating Cost—The day-to-day expenses of running a business; for example: utilities, rent on the office space a business occupies, salaries, depreciation, marketing and advertising, and other basic overhead items.

Participant Support Costs—Direct costs for items such as stipends or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants or trainees (but not employees) in connection with conferences, or training projects.

Project—Includes all activities to be funded by the Socially-Disadvantaged Groups Grant.

Rural and Rural Area—Any area of a State:

- (1) Not in a city or town that has a population of more than 50,000 inhabitants, according to the latest decennial census of the United States; and
- (2) The contiguous and adjacent urbanized area,
- (3) Urbanized areas that are rural in character as defined by 7 U.S.C. 1991 (a) (13).
- (4) For the purposes of this definition, cities and towns are incorporated population centers with definite boundaries, local self-government, and legal powers set forth in a charter granted by the State. Notwithstanding any other provision of this paragraph, within the areas of the County of Honolulu, Hawaii, and the Commonwealth of Puerto Rico, the Secretary may designate any part of the areas as a rural area if the Secretary determines that the part is not urban in character, other than any area included in the Honolulu census designated place (CDP) or the San Juan CDP.

Rural Development—A mission area within USDA consisting of the Office of Under Secretary for Rural Development, Rural Business-Cooperative Services, Rural Housing Service, and Rural Utilities Service and any successors.

Socially-Disadvantaged Group—A group whose members have been subjected to racial, ethnic, or gender prejudice because of their identity as

members of a group without regard to their individual qualities.

State—Includes each of the 50 states, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and, as may be determined by the Secretary to be feasible, appropriate and lawful, the Federated States of Micronesia, the Republic of the Marshall Islands and the Republic of Palau.

Technical Assistance—An advisory service performed for the purpose of assisting Cooperatives or groups that want to form Cooperatives such as market research, product and/or service improvement, legal advice and assistance, Feasibility Study, business planning, marketing plan development, and training.

C. Eligibility Information

Applicants must meet all of the following eligibility requirements. Applications which fail to meet any of these requirements by the application deadline will be deemed ineligible and will not be evaluated further.

1. *Eligible Applicants.* Grants may be made to individual Cooperatives, Groups of Cooperatives, and Cooperative Development Centers that serve Socially-Disadvantaged Groups and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups. Federally-recognized Tribes and tribal entities must demonstrate that they meet all definition requirements for one of the three eligible applicant types. (a) An applicant is ineligible if they have been debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension." In addition, an applicant will be considered ineligible for a grant due to an outstanding judgment obtained by the U.S. in a Federal Court (other than U.S. Tax Court), is delinquent on the payment of Federal income taxes, or is delinquent on Federal debt.

(b) Any corporation (i) that has been convicted of a felony criminal violation under any Federal law within the past 24 months or (ii) that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, is not eligible for financial assistance provided with funds appropriated by the Consolidated Appropriations Act, 2016 (Pub. L. 114-113), unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

2. *Cost Sharing or Matching.* No matching funds are required.

3. *Other Eligibility Requirements.*

Use of Funds: Your application must propose Technical Assistance that will benefit Socially-Disadvantaged Groups. Cooperatives that are recipients of Technical Assistance must have a membership that consists of a majority of members from Socially-Disadvantaged Groups. Please review section D (6) of this Notice, "Funding Restrictions," carefully.

Project Area Eligibility: The proposed Project must take place in a Rural Area as defined in this Notice.

Grant Period Eligibility: Your application must include a grant period of one-year or less or it will not be considered for funding. The proposed time frame should begin no earlier than the grant award date and end no later than December 31, 2017. However, you should note that the anticipated award date is September 30, so your proposed start date should be after September 30, 2016. Projects must be completed within the 12-months or less time frame. The Agency may approve requests to extend the grant period for up to an additional 12 months at its discretion. Further guidance on grant period extensions will be provided in the award document.

However, you may not have more than one active SDGG during the same grant period. If you receive another SDGG during the next grant cycle, the first grant must be closed before funds can be obligated for the new grant. Applications that request funds for a time period ending after December 31, 2017, will not be considered for funding.

Satisfactory performance eligibility: If you have an existing SDGG award, you must be performing satisfactorily to be considered eligible for a new SDGG

award. Satisfactory performance includes being up-to-date on all financial and performance reports and being current on all tasks as approved in the work plan. The Agency will use its discretion to make this determination. In addition, if you have an existing award from the Rural Cooperative Development Grant (RCDG) program, you must discuss the status of your existing RCDG award at application time and be performing satisfactorily to be considered for a new SDGG award.

Completeness Eligibility: Your application must provide all of the information requested in Section D (2) of this Notice. Applications lacking sufficient information to determine eligibility and scoring will be considered ineligible.

Multiple Grant Eligibility: You may only submit one SDGG grant application each funding cycle.

We have determined that this Notice does not constitute a major Federal action significantly affecting the quality of the human environment. Individual awards under this Notice are hereby classified as Categorical Exclusions according to 7 CFR 1970.53(b), the award of financial assistance for planning purposes, management and feasibility studies, or environmental impact analyses, which do not require any additional documentation.

All grants made under this Notice are subject to Title VI of the Civil Rights Act of 1964 as required by the USDA (7 CFR part 15, subpart A), Section 504 of the Rehabilitation Act of 1973, Age Act of 1975, and Executive Order 13166 Limited English Proficiency. As such, the Agency will conduct Civil Rights Compliance Reviews on recipients to identify the collection of racial and ethnic data on

Program beneficiaries. In addition, the Compliance review will ensure that equal access to the Program benefits and activities are provided for persons with disabilities and language barriers.

E. Application Review Information

1. Scoring Criteria

All eligible and complete applications will be evaluated based on the following criteria. Failure to address any one of the following criteria by the application deadline will result in the application being determined ineligible and the application will not be considered for funding. Evaluators will base scores only on the information provided or cross-referenced by page number in each individual scoring criterion. The total points possible for the criteria are 60.

(a) *Technical Assistance (maximum score of 15 points)*. A panel of USDA employees will evaluate your application to determine your ability to assess the needs of Socially-Disadvantaged Groups. You must explain why the proposed Technical Assistance is needed and provide a detailed plan that describes your method of providing assistance. You must also identify the expected outcomes of the proposed Technical Assistance.

Higher points are awarded if you identify specific needs of the Socially-Disadvantaged Groups to be assisted; clearly explain a logical and detailed plan of assistance for addressing those needs; and discuss realistic outcomes of planned assistance.

(b) *Experience (maximum score of 15 points)*. A panel of USDA employees will evaluate your length of experience for identified staff or consultants in providing Technical Assistance, as defined in this Notice. You must describe the specific type of Technical Assistance experience for each identified staff member or consultant, as well as years of experience in providing that assistance. In addition, resumes for each individual staff member or consultant must be included as an attachment, listing their experience for the type of Technical Assistance proposed. The attachments will not count toward the maximum page total. We will compare the described experience to the work plan to determine relevance of the experience. Applications that do not include the attached resumes will not be considered for funding.

Higher points will be awarded if a majority of identified staff or consultants demonstrate 5 or more years of experience in providing relevant

Technical Assistance in accordance with the work plan. Maximum points will be awarded if all of the identified staff or consultants demonstrate 5 or more years of experience in providing relevant Technical Assistance.

(c) *Commitment (maximum of 10 points)*. A panel of USDA employees will evaluate your commitment to providing Technical Assistance to Socially-Disadvantaged Groups in Rural Areas. You must list the number and location of Socially-Disadvantaged Groups that will directly benefit from the assistance provided. If you define and describe the underserved and economically distressed areas within your service area and provide current and relevant statistics that support your description of the service area, you will score higher on this factor.

(d) *Work Plan/Budget (maximum of 15 points)—Four page limit*. Your work plan must provide specific and detailed descriptions of the tasks and the key project personnel that will accomplish the project's goals. Budget will be reviewed for completeness. You must list what tasks are to be done, when it will be done, who will do it, and how much it will cost. Reviewers must be able to understand what is being proposed and how the grant funds will be spent. The budget must be a detailed breakdown of estimated costs. These costs should be allocated to each of the tasks to be undertaken. The amount of grant funds requested will be reduced if the applicant does not have justification for all costs.

A panel of USDA employees will evaluate your work plan for detailed actions and an accompanying timetable for implementing the proposal. Clear, logical, realistic, and efficient plans will result in a higher score. You must discuss at a minimum:

(i) Specific tasks to be completed using grant funds;
 (ii) How customers will be identified;
 (iii) Key personnel; and
 (iv) The evaluation methods to be used to determine the success of specific tasks and overall project objectives. Please provide qualitative methods of evaluation. For example, evaluation methods should go beyond quantitative measurements of completing surveys or number of evaluations.

(e) *Local support (maximum of 5 points)*. A panel of USDA employees will evaluate your application for local support of the Technical Assistance activities. Applicants that demonstrate strong support from potential beneficiaries and other developmental organizations will receive more points than those not showing such support.

(i) 0 points are awarded if you do not adequately address this criterion.

(ii) 1 point is awarded if you provide 2–3 support letters that show support from potential beneficiaries and/or support from local organizations.

(iii) 2 points are awarded if you provide 4–5 support letters that show support from potential beneficiaries and/or support from local organizations.

(iv) 3 points are awarded if you provide 6–7 support letters that show support from potential beneficiaries and/or support from local organizations.

(v) 4 points are awarded if you provide 8–9 support letters that show support from potential beneficiaries and/or support from local organizations.

(vi) 5 points are awarded if you provide 10 support letters that show support from potential beneficiaries and/or support from local organizations.

You may submit a maximum of 10 letters of support. Support letters should come from potential beneficiaries and other local organizations. Letters received from Congressional members and Technical Assistance providers will not be included in the count of support letters received. Additionally, identical form letters signed by multiple potential beneficiaries and/or local organizations will not be included in the count of support letters received. Support letters should be included as an attachment to the application and will not count against the maximum page total. Additional letters from industry groups, commodity groups, Congressional members, and similar organizations should be referenced, but not included in the application package. When referencing these letters, provide the name of the organization, date of the letter, the nature of the support, and the name and title of the person signing the letter.

2. Review and Selection Process

The State Offices will review applications to determine if they are eligible for assistance based on requirements in this Notice, and other applicable Federal regulations. If determined eligible, your application will be scored by a panel of USDA employees in accordance with the point allocation specified in this Notice. The panel will consist of USDA employees with expertise in providing Technical Assistance to Socially-Disadvantaged Groups. The review panel will convene to reach a consensus on the scores for each of the eligible applications. A recommendation will be submitted to the Administrator to fund applications in highest ranking order. Applications that cannot be fully funded may be offered partial funding at the Agency's

discretion. If your application is ranked and not funded, it will not be carried forward into the next competition.
