The NRC has decided to hold one public meeting for the Waterford license renewal supplement to the GEIS. The scoping meeting will be held on Wednesday, June 8, 2016. The meeting will be held from 7:00 p.m. to 9:00 p.m. at the St. Charles Parish Emergency Operation Center, 15026 River Road, Hahnville, Louisiana, 70057. There will be a registration period from 6:30 p.m. to 7:00 p.m. for members of the public to sign in to speak.

The meeting will be transcribed and will include: (1) An overview by the NRC staff of the NEPA environmental review process, the proposed scope of the supplement to the GEIS, and the proposed review schedule; and (2) the opportunity for interested government agencies, organizations, and individuals to submit comments or suggestions on the environmental issues or the proposed scope of the supplement to the GEIS. To be considered, comments must be provided either at the transcribed public meeting or in writing, as discussed in the **ADDRESSES** section of this notice.

Persons may register to attend or present oral comments at the meetings on the scope of the NEPA review by contacting the NRC Project Manager, Ms. Elaine Keegan, by telephone at 800-368-5642, extension 8517, or by email at Elaine.Keegan@nrc.gov no later than June 3, 2016. Members of the public may also register to speak during the registration period prior to the start of meeting. Individual oral comments may be limited by the time available, depending on the number of persons who register. Members of the public who have not registered may also have an opportunity to speak if time permits.

Public comments will be considered in the scoping process for the supplement to the GEIS. Please contact Ms. Keegan no later than June 3, 2016, if accommodations or special equipment are needed to attend or present information at the public meeting so that the NRC staff can determine whether the request can be accommodated.

Matters related to participation in any hearing are outside the scope of matters to be discussed at this public meeting. The notice of acceptance for docketing of the application and a description of the hearing process will be published separately in the **Federal Register**.
