

release property at the Ankeny Regional Airport (IKV) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Ankeny Regional Airport (IKV) is proposing the release of one parcel, of 10.42 acres, more or less. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at the Ankeny Regional Airport (IKV) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at the Ankeny Regional Airport.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Ankeny Regional Airport.

Issued in Kansas City, MO on May 24, 2016.

On May 23, 2016, the FAA determined that the request to release property at Ralph Wenz Field submitted by The Town of Pinedale meets the procedural requirements of the FAA. The FAA may approve the request, in whole or in part, no later than July 6, 2016.

The following is a brief overview of the request:

The Town of Pinedale, Wyoming, is proposing the release from the terms, conditions, reservations, and restrictions on a 0.76 acre parcel of property acquired by the Town of Pinedale on November 9, 2004, with the assistance of Airport Improvement Program (AIP) Grant No. 3-56-0021-11. This parcel is outside of the Runway Protection Zone and is considered a non-economic remnant. The parcel in question has been part of a long-standing lawsuit regarding a property line dispute with the adjacent landowners. A settlement has been reviewed and approved by the district court to deed this parcel of land back to the adjacent landowners.
