AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 10, 2016, the United States Court of International Trade (CIT) sustained the *Final Remand Redetermination*¹ pertaining to the less-than-fair-value (LTFV) investigation of certain oil country tubular goods from the Republic of Turkey (OCTG from Turkey).² Consistent with the decision of the United States Court of Appeals for the Federal Circuit (CAFC) in *Timken Co. v. Cir. 2010) (*Diamond Sawblades*), the Department is notifying the public that the CIT's final judgment in this case is not in harmony with the *Final Determination*, and that the Department is amending the *Final Determination* with respect to Çayırova Boru Sanayi ve Ticaret A.Ş. and Yücel Boru İthalat-İhracat ve Pazarlama A.Ş. (collectively, Yücel). The period of investigation (POI) is July 1, 2012, through June 30, 2013.

Background

On September 24, 2015, the CIT issued the *Remand Order*, directing the Department to reconsider the constructed value (CV) profit rate calculation used in the dumping margin analysis for Yücel, and granting the Department a voluntary remand to reconsider the duty drawback adjustment for Yücel.³ On remand, the Department: (1) Recalculated Yücel's CV profit rate by replacing Yücel's CV profit and CV selling expenses with an aggregate figure representing the calculated CV profit and selling expenses of Borusan Mannesmann Boru Sanayi ve Ticaret A.S. and Borusan Istikbal Ticaret A.S., the other mandatory respondent in this investigation, pursuant to section 773(e)(2)(B)(ii) of the Tariff Act of 1930, as amended (the Act); and (2) denied a duty drawback adjustment in its entirety for Yücel in its margin calculation.⁴ As a result, the estimated weighted-average dumping margin for Yücel changed. On May 10, 2016, the Court upheld the *Final Remand Redetermination* in full.⁵

Timken Notice

In its decision in *Timken*, as clarified by *Diamond Sawblades*, the CAFC held that, pursuant to section 516A(e) of the Act, the Department must publish a notice of a court decision that is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's May 10, 2016, final judgment affirming the *Final Remand Redetermination* constitutes a final decision of that court which is not in harmony with the *Final Determination*. This notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Determination

Because there is now a final court decision, the Department is amending the *Final Determination* with respect to Yücel's weighted-average dumping margin for the period July 1, 2012, through June 30, 2013, effective May 20, 2016. The revised weighted-average dumping margin for Çayırova Boru Sanayi ve Ticaret A.Ş. and Yücel Boru İthalat-İhracat ve Pazarlama A.Ş. (collectively, Yücel) is 13.59 percent.

Accordingly, the Department will continue the suspension of liquidation pending the expiration of the period of

appeal or if appealed, pending a final and conclusive court decision.

Cash Deposit Requirements

Since the *Final Determination*, the Department has not established a new cash deposit rate for Yücel. As a result, in accordance with section 735(c)(1)(B) of the Act, the Department will instruct CBP to collect a cash deposit of 13.59 percent, adjusted where appropriate for export subsidies,⁶ for entries of subject merchandise produced and/or exported by Yücel, effective May 20, 2016.

This notice is issued and published in accordance with sections 516A(e)(1), 735(d) and 777(i)(1) of the Act.
