AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On February 16, 2016, the Department of Commerce ("Department") published a notice initiating an antidumping duty investigation of certain biaxial integral geogrid products from the People's Republic of China ("PRC").¹ Section 733(b)(1)(A) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.205(b)(1) state that the Department will make a preliminary determination no later than 140 days after the date of the initiation (*i.e.*, February 8, 2016). Accordingly, the preliminary determination of this antidumping duty investigation is currently due no later than June 27, 2016.

On May 27, 2016, Tensar Corporation ("Petitioner"), made a timely request, pursuant to 19 CFR 351.205(e), for postponement of the preliminary determination, in order to facilitate the Department's analysis of respondents' questionnaire responses and interested parties' surrogate value data submissions. Because there are no compelling reasons to deny the request, in accordance with section 733(c)(1)(A) of the Act, the Department is postponing the deadline for the preliminary determination by 50 days.²

For the reasons stated above, the Department, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination to no later than 190 days after the date on which the Department initiated this investigation. Therefore, the new deadline for the preliminary determination is August 16, 2016. In accordance with section 735(a)(1) of the Act, the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Welded Carbon Steel Standard Pipe and Tube Products From Turkey: Preliminary Results of Antidumping Duty Administrative Review, and Partial Rescission of Review; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: In response to a request by interested parties,¹ the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on welded carbon steel standard pipe and tube products (welded pipe and tube) from Turkey.² The period of review (POR) is May 1, 2014, to April 30, 2015.³ The

¹ Wheatland Tube Company, Borusan Mannesmann Boru Sanayi ve Ticaret A.S., and Borusan Istikbal Ticaret requested the instant administrative review.

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 80 FR 37588 (July 1, 2015) (*Initiation Notice*). The Department subsequently published a second initiation notice to correct the spelling of two company names in that notice. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 80 FR 45947 (August 3, 2015).

³ This review covers the following companies: Borusan Istikbal Ticaret T.A.S. and Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (collectively, Borusan); Toscelik Profil ve Sac Endustrisi A.S. and Tosyali Dis Ticaret A.S. (collectively, Toscelik); Toscelik Metal Ticaret A.S. (Toscelik Metal);¹ Borusan Birlesik Boru Fabrikalari San ve Tic (Borusan Birlesik); Borusan Gemlik Boru Tesisleri A.S. (Borusan Gemlik); Borusan Ihracat Ithalat ve Dagitim A.S. (Borusan Ihracat); Borusan Ithicat ve Dagitim A.S. (Borusan Ithicat); Tubeco Pipe and Steel Corporation (Tubeco); Erbosan Erciyas Boru Sanayi ve Ticaret A.S. (Erbosan); and Yucel Boru ve Profil Endustrisi A.S., Yucelboru Ihracat Ithalat ve Pazarlama A.S., and Cayirova Boru Sanayi ve Ticaret A.S. (collectively, the Yucel Group).

We note that in prior segments of this proceeding, we treated Toscelik Profil ve Sac Endustrisi A.S., Tosyali Dis Ticaret A.S., and Toscelik Metal as the same legal entity. See, e.g., *Welded Carbon Steel Standard Pipe and Tube Products From Turkey: Final Results of Antidumping Duty Administrative Review; 2012-2013*, 79 FR 71087, 71088 n.8 (December 1, 2014). However, in a prior review, we found that Toscelik Metal has ceased to exist. *Id.* There is no record evidence for altering this treatment. Therefore, for these preliminary results, we are treating Toscelik and Tosyali as the same legal entity, and continue to find that Toscelik

Department preliminarily determines that Toscelik made U.S. sales of subject merchandise below normal value (NV) while Borusan did not make sales of subject merchandise below NV. In addition, the Department preliminarily finds that Erbosan and the Yucel Group had no reviewable shipments during the POR. The preliminary results are listed below in the section titled "Preliminary Results of Review." Interested parties are invited to comment on the preliminary results of this review.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise subject to the order is welded pipe and tube. The welded pipe and tube subject to the order is currently classifiable under subheading 7306.30.10.00, 7306.30.50.25, 7306.30.50.32, 7306.30.50.40, 7306.30.50.55, 7306.30.50.85, and 7306.30.50.90 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS subheading is provided for convenience and customs purposes. A full description of the scope of the order is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, "Decision Memorandum for Preliminary

Metal no longer exists. Additionally we note that in prior segments of this proceeding, we treated Borusan Mannesmann Boru Sanayi ve Ticaret A.S. and Borusan Istikbal Ticaret T.A.S., as the same legal entity. *See, e.g., Welded Carbon Steel Standard Pipe and Tube Products From Turkey: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2013-2014*, 80 FR 76674, 76674 n.2 (December 10, 2015). We preliminarily determine that there is no evidence on the record for altering our treatment of Borusan Mannesmann Boru Sanayi ve Ticaret A.S. and Borusan Istikbal Ticaret T.A.S., as the same legal entity. Finally, as noted above, we initiated a review of (1) Borusan Birlesik; (2) Borusan Gemlik, (3) Borusan Ihracat, (4) Borusan Ithicat, and (5) Tubeco. *See Initiation Notice*. Although the Department may have treated these companies as part of a "Borusan Group" entity in prior segments, the current record does not support treating these companies as part of the Borusan Mannesmann Boru Sanayi ve Ticaret A.S. and Borusan Istikbal Ticaret T.A.S. entity. Accordingly, as discussed *infra*, each of these five companies will be assigned the rate applicable to companies not selected for individual examination in this review.

Results of Antidumping Duty Administrative Review: Welded Carbon Steel Standard Pipe and Tube Products from Turkey; 2013-2014 Administrative Review" (Preliminary Decision Memorandum), which is hereby adopted by this notice. The written description of the scope of the order is dispositive.

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit, room B-8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as the Appendix to this notice.

Preliminary Determination of No Shipments

On July 2, 2015 and July 17, 2015, Erbosan and the Yucel Group, respectively, submitted letters to the Department certifying that they had no sales, shipments, or entries of the subject merchandise to the United States during the POR. ⁴ Erbosan further certified that it did not know or have reason to know that any of its customers would subsequently export or sell Erbosan's merchandise to the United States during the POR. On August 11,

⁴ See Letter to the Department from Erbosan entitled "No Shipment Certification of Erbosan Erciyas Boru Sanayi ve Ticaret A.S. ("ERBOSAN") in the 2013-2014 Administrative Review of the Antidumping Duty Order Involving Certain Welded Carbon Steel Standard Pipe from Turkey," dated July 2, 2015; *see also* Letter to the Department from Yucel Group entitled "Welded Carbon Steel Pipe & Tube Products from Turkey: Notification of No Shipments" dated July 17, 2015.

2015, consistent with our practice, the Department issued "No Shipment Inquiries" to U.S. Customs and Border Protection (CBP) to confirm that there were no entries of welded pipe and tube from Turkey exported by either Erbosan or Yucel Group during the POR.⁵ We received no information from CBP that contradicted the Yucel Group's no shipment claim.

The Department did however, receive information from CBP indicating possible shipments from Erbosan. As further discussed in the Preliminary Decision Memo, subsequent to these Preliminary Results, we intend to solicit comments from interested parties concerning Erbosan's no shipment claim.⁶

Based on the foregoing, we preliminarily determine that Erbosan and Yucel Group had no reviewable shipments during the POR. Also, consistent with our practice, the Department finds that it is not appropriate to rescind the review with respect to Erbosan or the Yucel Group, but rather to complete the review with respect to both Erbosan and the Yucel Group, and to issue appropriate instructions to CBP based on the final results of this review.⁷ Thus, if we continue to find that Erbosan and Yucel Group had no shipments of subject merchandise in the final results, we will instruct CBP to liquidate any existing entries of merchandise produced by Erbosan or Yucel Group, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.⁸

Rates for Non-Examined Companies

The statute and the Department's regulations do not address the establishment of a rate to be applied to companies not selected for examination when the Department limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, the Department looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy

investigation, for guidance when calculating the rate for companies which were not selected for individual review in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.”

In this review, we have preliminarily calculated a weighted-average dumping margin for Toscelik that is not zero, *de minimis*, or determined entirely on the basis of facts available. Accordingly, the Department preliminarily assigned to the companies not individually examined (Borusan Birlesik, Borusan Gemlik, Borusan Ihracat, Borusan Ithicat, and Tubeco) the 0.96 percent weighted-average dumping margin calculated for Toscelik.

Preliminary Results of Review

As a result of this review, we preliminarily determine that the weighted-average dumping margins for the period May 1, 2014 through April 30, 2015 are as follows:

Producer or exporter	Weighted-average dumping margin (percent)
Borusan Mannesmann Boru Sanayi ve Ticaret A.S. ⁹	0.00
Toscelik Profil ve Sac Endustrisi A.S. ¹⁰	0.96
Borusan Birlesik Boru Fabrikalari San ve Tic	0.96
Borusan Gemlik Boru Tesisleri A.S.	0.96
Borusan Ihracat Ithalat ve Dagitim A.S.	0.96
Borusan Ithicat ve Dagitim A.S. ..	0.96
Tubeco Pipe and Steel Corporation	0.96

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with these preliminary results within five days of the date of publication of this notice.¹¹ Interested parties may submit cases briefs no later than 30 days after the date of publication of this notice.¹² Rebuttal briefs, limited to issues raised

in the case briefs, may be filed not later than five days after the due date for filing case briefs.¹³ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁴ Case and rebuttal briefs should be filed using ACCESS.¹⁵ In order to be properly filed, ACCESS must successfully receive an electronically-filed document in its entirety by 5 p.m. Eastern Time.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS, within 30 days after the date of publication of this notice.¹⁶ Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.

Unless otherwise extended, the Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of the administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

If Borusan's or Toscelik's weighted-average dumping margins are not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1). Where either a respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

¹³ See 19 CFR 351.309(d).

¹⁴ See 19 CFR 351.309(c)(2) and (d)(2).

¹⁵ See 19 CFR 351.303.

¹⁶ See 19 CFR 351.310(c).

For the companies which were not selected for individual review, we will assign an assessment rate based on the methodology described in the “Rate for Non-Examined Companies” section, above.

With respect to Erbosan and Yucel Group, if we continue to find that Erbosan and Yucel Group had no shipments of subject merchandise in the final results, we will instruct CBP to liquidate any existing entries of merchandise produced by Erbosan or Yucel Group, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.¹⁷

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Borusan and Toscelik will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for other manufacturers and exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 14.74 percent, the all-others rate established in the LTFV investigation.¹⁸ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Seamless Refined Copper Pipe and Tube From the People's Republic of China and Mexico: Final Results of the Full Sunset Reviews of the Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these sunset reviews, the Department of Commerce ("the Department") finds that revocation of the antidumping duty orders on seamless refined copper pipe and tube ("copper pipe and tube") from the People's Republic of China ("PRC") and Mexico would likely lead to continuation or recurrence of dumping, at the levels indicated in the "Final Results of Sunset Reviews" section of this notice.

DATES: Effective Date: June 13, 2016.

FOR FURTHER INFORMATION CONTACT: Robert Galantucci, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-2923.

SUPPLEMENTARY INFORMATION:

Background

On November 22, 2010, the Department published the antidumping duty orders on copper pipe and tube from the PRC and Mexico.¹ On October 1, 2015, the Department published the notice of initiation of the sunset reviews of the *Orders* pursuant to section 751(c) of the Tariff Act of 1930, as amended (the "Act").² The Ad Hoc Coalition for Domestically Produced Seamless Refined Copper Pipe and Tube and its individual members, Cerro Flow Products, LLC, Wieland Copper Products, LLC, Howell Metal Company, Mueller Copper Tube Products, Inc., and Mueller Copper Tube Company, Inc. (collectively, "domestic interested parties"), submitted adequate and timely notices of intent to participate in these sunset reviews within the 15-day deadline specified in 19 CFR 351.218(d)(1)(i). On November 2, 2015, domestic interested parties and respondent interested party Golden Dragon³ submitted adequate substantive responses to the notice of initiation within the 30-day deadline specified in 19 CFR 351.218(d)(3). As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(ii), the Department conducted full sunset reviews of the *Orders*.

On January 26, 2016, the Department published the *Preliminary Results*⁴ of

this review. The parties were permitted to submit comments within 50 days of the publication of our *Preliminary Results*, pursuant to 19 CFR 351.309(c)(1)(i). The Department received no comments.

Scope of the Orders

For the purpose of these *Orders*, the products covered are all seamless circular refined copper pipes and tubes. The products subject to the *Orders* are currently classifiable under subheadings 7411.10.1030 and 7411.10.1090 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Products subject to the *Orders* may also enter under HTSUS subheadings 7407.10.1500, 7419.99.5050, 8415.90.8065 and 8415.90.8085. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the *Orders* is dispositive.

For a full description of the scope of the *Orders*, see the "Preliminary Decision Memorandum."⁵

Final Results of Sunset Reviews

For the reasons expressed in the *Preliminary Results*, pursuant to section 751(c) of the Act, the Department determines that revocation of the *Orders* would likely lead to continuation or recurrence of dumping at weighted-average dumping margins up to 60.85 percent for the PRC and up to 27.16 percent for Mexico.

We are issuing and publishing these results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act and 19 CFR 351.218.
