SUPPLEMENTARY INFORMATION:

A. General

The Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503), amended the Privacy Act (5 U.S.C. 552a) by describing the conditions under which computer matching involving the Federal government could be performed and adding certain protections for persons applying for, and receiving, Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such persons.

The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. It requires Federal agencies involved in computer matching programs to:

(1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

(2) Obtain approval of the matching agreement by the Data Integrity Boards of the participating Federal agencies;

(3) Publish notice of the computer matching program in the **Federal Register**;

(4) Furnish detailed reports about matching programs to Congress and OMB;

(5) Notify applicants and beneficiaries that their records are subject to matching; and

(6) Verify match findings before reducing, suspending, terminating, or denying a person's benefits or payments.

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of our computer matching programs

comply with the requirements of the Privacy Act, as amended.

Glenn Sklar,

Acting Executive Director, Office of Privacy and Disclosure, Office of the General Counsel.

Notice of Computer Matching Program, SSA With the Centers for Medicare and Medicaid Services (CMS)

A. Participating Agencies

SSA and CMS.

B. Purpose of the Matching Program

The purpose of this matching program is to establish the terms, conditions, and safeguards under which CMS will disclose to us certain individuals' admission and discharge information for care received in a nursing care facility. We will use this information to administer the Supplemental Security Income (SSI) program efficiently and to identify Special Veterans' Benefits (SVB) beneficiaries who are no longer residing outside of the United States.

C. Authority for Conducting the Matching Program

The legal authority for this agreement is the Privacy Act (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503) and the regulations promulgated thereunder.

Legal authority for the SSI portion of the matching program is contained in sections 1611(e)(1) and 1631(f) of the Social Security Act (42 U.S.C. 1382(e)(1) and 1383(f)), and 20 CFR 416.211. Section 1611(e)(1)(B) of the Act (42 U.S.C. 1382(e)(1)(B)) limits the amounts of SSI benefits that eligible individuals or their eligible spouse may receive when that individual is, throughout any month, in a medical treatment facility receiving payments (with respect to such individual or spouse), under a State plan approved under Title XIX of the Act, or the amount of benefits an eligible child under 18 may receive who is receiving payments under any health insurance policy issued by a private provider.

The legal authorities for the SVB portion of the matching program are contained in sections 801 and 806(a) and (b) of the Act. (42 U.S.C. 1001 and 1006(a) and (b)).

The legal authority for CMS' disclosures under this CMA to our data request is section 1631(f) of the Act (42 U.S.C. 1383(f)), which requires Federal agencies to provide us with such information as necessary to establish eligibility for SSI payments, or the amount of benefits owed, and 45 CFR 164.512(a) Standard: Uses and disclosures required by law (Health

Insurance Affordability and Accountability Act of 1996 (HIPPA) Privacy Rule).

The legal authority for the agencies to enter this interagency transaction is the Economy Act, 31 U.S.C. 1535.

D. Categories of Records and Persons Covered by the Matching Program

We will use this information to administer the SSI program efficiently and to identify SVB beneficiaries who are no longer residing outside of the United States. We will provide CMS with a finder file on a monthly basis extracted from our Supplemental Security Income Record and Special Veterans Benefits (SSR/SVB), SSA/ODSSIS 60-0103, last published on December 19, 2007 (72 FR 69723).

CMS will match our finder file against the system of records that applies to individuals on the Long Term Care-Minimum Data Set (LTC/-MDS 09-70-0528) and submit its response file to us no later than 21 days after receipt of our finder file.

This matching program employs CMS systems that contain Protected Health Information (PHI), as defined by 45 CFR 160.103, and disclosures of PHI are permitted under 45 CFR 164.512(a).

E. Inclusive Dates of the Matching Program

The effective date of this matching program is June 6, 2016, provided that the following notice periods have lapsed: 30 days after publication of this notice in the **Federal Register** and 40 days after notice of the matching program is sent to Congress and OMB. The matching program will continue for 18 months from the effective date and, if both agencies meet certain conditions, it may extend for an additional 12 months thereafter.

Buy America Waiver Notification

AGENCY: Federal Highway Administration (FHWA), Department of Transportation (DOT).

ACTION: Notice.

SUMMARY: This notice provides information regarding FHWA's finding that a Buy America waiver is appropriate for the use of non-domestic galvanized steel cable, galvanized cylindrical sockets, galvanized spherical nuts, galvanized open spelter socket, and stainless steel bollard lamps for the San Elijo Lagoon Pedestrian Bridge/I-5 North Bikeway in the State of California.

DATES: The effective date of the waiver is June 14, 2016.

FOR FURTHER INFORMATION CONTACT: For questions about this notice, please contact Mr. Gerald Yakowenko, FHWA Office of Program Administration, telephone at 202-366-1562, or via email at gerald.yakowenko@dot.gov. For legal questions, please contact Mr. William Winne, FHWA Office of the Chief Counsel, telephone at 202-366-1397, or via email at william.winne@dot.gov. Office hours for the FHWA are from 8:00 a.m. to 4:30 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access

An electronic copy of this document may be downloaded from the **Federal Register's** Web site at <http://www.archives.gov> and the Government Printing Office's Web site at <http://www.access.gpo.gov/nara>.

Background

The FHWA's Buy America policy in 23 CFR 635.410 requires a domestic manufacturing process for any steel or iron products (including protective coatings) that are permanently incorporated in a Federal-aid construction project. The regulation also provides for a waiver of the Buy America requirements when the application would be inconsistent with the public interest or when satisfactory quality domestic steel and iron products are not sufficiently available. This notice provides information regarding FHWA's finding that a Buy America waiver is appropriate for the use of non-domestic galvanized steel cable,

galvanized cylindrical sockets, galvanized spherical nuts, galvanized open spelter socket, and stainless steel bollard lamps for the San Elijo Lagoon Pedestrian Bridge/I-5 North Bikeway in the State of California

In accordance with Division K, section 122 of the Consolidated and Further Continuing Appropriations Act of 2015 (PL 113-235), FHWA published a notice of intent to issue a waiver on its Web site (<http://www.fhwa.dot.gov/construction/contracts/waivers.cfm?id=122>) on March 29th. The FHWA received no comments in response to the publication. Based on all the information available to the agency, FHWA concludes that there are no domestic manufacturers of galvanized steel cable, galvanized cylindrical sockets, galvanized spherical nuts, galvanized open spelter socket, and stainless steel bollard lamps that meets the corrosion protection specifications for the San Elijo Lagoon Pedestrian Bridge/I-5 North Bikeway in the State of California

In accordance with the provisions of section 117 of the SAFETEA-LU Technical Corrections Act of 2008 (PL 110-244, 122 Stat. 1572), FHWA is providing this notice of finding that a waiver of Buy America requirements is appropriate. The FHWA invites public comment on this finding for an additional 15 days following the effective date of the finding. Comments may be submitted to FHWA's Web site via the link provided to the waiver page noted above.

Authority: 23 U.S.C. 313; Pub. L. 110-161, 23 CFR 635.410.

Issued on: June 3, 2016.

Administrator, Federal Highway Administration.
