

communicating with individuals with disabilities; (iii) commonly used adaptive technology used with the manufacturer's products; (iv) designing for accessibility; and (v) solutions for accessibility and compatibility.

(3) Information, documentation, and training requirements for covered MVPDs and manufacturers of navigation devices.

Pursuant to 47 CFR 79.108(f), covered MVPDs and manufacturers of navigation devices must ensure access to information and documentation provided to customers, including user guides, bills, installation guides for end-user installable devices, and product support communications, regarding both the product in general and the accessibility features of the product. MVPDs and manufacturers of navigation devices must include the contact method for obtaining this information and documentation in general product information. MVPDs and manufacturers should take such other steps as necessary including providing a description of the accessibility and compatibility features of the product and end-user product documentation upon request in alternate formats or alternate modes at no additional charge; and ensuring usable customer support and technical support in the call centers and service centers which support their products at no additional charge. In developing training programs, MVPDs and manufacturers of navigation devices must consider the following topics: (i) Accessibility requirements of individuals with disabilities; (ii) means of communicating with individuals with disabilities; (iii) commonly used adaptive technology used with the manufacturer's products; (iv) designing for accessibility; and (v) solutions for accessibility and compatibility. If a consumer with a disability requests an accessible navigation device, this also constitutes a request for a description of the accessibility features of the device and end-user product documentation in accessible formats.

(4) Notifications by covered manufacturers regarding the availability of accessible digital apparatus. Pursuant to 47 CFR 79.107(e), manufacturers of digital apparatus must provide notice on their official Web sites about the availability of accessible devices. Manufacturers must prominently display information about accessible devices and solutions on their Web sites in a way that makes such information available to all consumers and in a format that is accessible to people with disabilities. The notice for digital apparatus must publicize the availability of accessible devices and the

specific person, office or entity who can answer consumer questions about which products contain the required accessibility features. The contact office or person listed on the Web site must be able to answer both general and specific questions about the availability of accessible equipment, including, if necessary, providing information to consumers or directing consumers to a place where they can locate information about how to activate and use accessibility features.

(5) Notifications by covered manufacturers regarding the availability of accessible navigation devices.

Pursuant to 47 CFR 79.108(d)(2), manufacturers of navigation devices must provide notice on their official Web sites about the availability of accessible devices. Manufacturers must prominently display information about accessible devices and solutions on their Web sites in a way that makes such information available to all consumers and in a format that is accessible to people with disabilities. The notice for navigation devices must publicize the availability of accessible devices and separate solutions and explain the means for making requests for accessible equipment and the specific person, office, or entity to whom such requests are to be made. The contact office or person listed on the Web site must be able to answer both general and specific questions about the availability of accessible equipment, including, if necessary, providing information to consumers or directing consumers to a place where they can locate information about how to activate and use accessibility features.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Projects: New Automated Community Services Block Grant (CSBG) Annual Report Form.

Title: Community Services Block Grant (CSBG) Annual Report.

OMB No.:

Description: Section 678E of the Community Services Block Grant (CSBG) Act requires States, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories, to annually prepare and submit a report on the measured performance of the State and the eligible entities in the State. Prior to the participation of the State in the performance measurement system, the State shall include in the report any information collected by the State relating to such performance. Each State shall also include in the report an accounting of the expenditure of funds received by the State through the CSBG program, including an accounting of funds spent on administrative costs by the State and the eligible entities, and funds spent by the eligible entities on the direct delivery of local services, and shall include information on the number of and characteristics of clients served under the subtitle in the State, based on data collected from the eligible entities. The State shall also include in the report a summary describing the training and technical assistance offered by the State.

This request will support new automated Annual Report forms, streamlining the administrative information, and incorporating Results Oriented Management and Accountability (required in Section 676(b)(12) of the CSBG Act). The revised and automated forms may impose an added first-use burden; however, this burden will diminish substantially in subsequent years. Copies of the proposed collection of information can be obtained by visiting <http://www.acf.hhs.gov/programs/ocs/programs/csbg>.

Respondents: State Governments, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories and CSBG Eligible Entities (Community Action Agencies).

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
CSBG Annual Report (States)	52	1	164	8,528
CSBG Annual Report (Eligible Entities)	1,035	1	242	250,470

Estimated Total Annual Burden Hours: 258,998.
