

in expected revenue by eliminating the fees.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change will not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

The market for listing services is extremely competitive and listed companies may easily list on competing venues if they deem fee levels at a particular exchange to be excessive. In such an environment, the Exchange must continually adjust its fees to remain competitive with other exchanges.

This rule proposal does not burden competition with other listing venues, which are similarly free to set their fees, but rather reflects the competition between listing venues and will further enhance such competition. For these reasons, Nasdaq does not believe that the proposed rule change will result in any burden on competition for listings.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹¹

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of MIT Holding, Inc.; Order of Suspension of Trading

June 15, 2016

It appears to the Securities and Exchange Commission ("Commission") that there is a lack of current and accurate information concerning the securities of MIT Holding, Inc. ("MITD") (CIK No. 1367416), a delinquent Delaware corporation located in Los Angeles, California with a class of securities registered with the Commission pursuant to Securities Exchange Act of 1934 ("Exchange Act") Section 12(g) because it is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q for the period ended September 30, 2015. Moreover, MITD's Form 10-K for the period ended December 31, 2014 failed to comply with Exchange Act and regulations thereunder because it did not include audited financial statements. Also, the financial statements accompanying MITD's Forms 10-Q for the periods ending March 31, June 30, and September 30, 2015 were not reviewed by an auditor as required by Commission rules. On January 19, 2016, the Commission's Division of Corporation Finance ("Corporation Finance") sent a delinquency letter to MITD requesting compliance with its periodic filing requirements which was delivered. As of June 8, 2016, the common stock of MITD was quoted on OTC Link operated by OTC Markets Group Inc. (formerly "Pink Sheets"), had eight market makers, and was eligible for the "piggyback" exception of Exchange Act Rule 15c2-11(f)(3).

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company. Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on June 15, 2016, through 11:59 p.m. EDT on June 28, 2016.

By the Commission.

Jill M. Peterson,

Assistant Secretary.
