Title: National Medical Support Notice

OMB No.: 0970-0222

Description: The National Medical Support Notice (NMSN) is a two-part document that requires information from State child support enforcement agencies, employers, and health plan administrators to assist in enforcing health care coverage provisions in a

child support order. The Department of Health and Human Services (DHHS), Administration for Children and Families (ACF) developed and maintains part A of the NMSN, which is sent to an obligor's employer for completion; the Department of Labor (DOL) developed and maintains part B of the NMSN, which is provided to health care administrators following completion of part A.

DOL revised part B to conform with changes to the currently approved part A and is seeking a three-year approval from OMB. To avoid burdening the State child support enforcement agencies with potential reprogramming at varying times due to future changes in part A or B, ACF is resubmitting an unchanged information collection package and requesting an extension to the current OMB approval of NMSN part A to synchronize the expiration date with NMSN part B.

Respondents: State child support enforcement agencies, employers, and health plan administrators.
