SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of Coastal Pacific Mining Corp. and Petaquilla Minerals Ltd.; Order of Suspension of Trading

June 23, 2016.

It appears to the Securities and Exchange Commission ("Commission") that there is a lack of current and accurate information concerning the securities of Coastal Pacific Mining Corp. ("CPMCF"¹) (CIK No. 1410181), an Alberta corporation located in Calgary, Alberta, Canada with a class of securities registered with the Commission pursuant to Securities Exchange Act of 1934 ("Exchange Act") Section 12(g) because it is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 20-F for the period ended April 30,

2012. On March 19, 2015, the Commission's Division of Corporation Finance ("Corporation Finance") sent a delinquency letter to CPMCF requesting compliance with its periodic filing requirements but CPMCF did not receive the delinquency letter due to its failure to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of EDGAR Filer Manual). As of June 16, 2016, the common stock of CPMCF was quoted on OTC Link operated by OTC Markets Group Inc. (formerly "Pink Sheets") ("OTC Link"), had six market makers, and was eligible for the "piggyback" exception of Exchange Act Rule 15c2-11(f)(3).

It appears to the Commission that there is a lack of current and accurate information concerning the securities of Petaquilla Minerals Ltd. ("PTQMF") (CIK No. 947121), a British Columbia corporation located in Vancouver, British Columbia, Canada with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g) because it is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 20-F for the period ended June 30, 2013. On September 30, 2015, Corporation Finance sent a delinquency letter to PTQMF requesting compliance with its periodic filing requirements but PTQMF did not receive the delinquency letter due to its failure to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of EDGAR Filer Manual). As of June 16, 2016, the common shares of PTQMF were quoted on OTC Link, had six market makers, and were eligible for the "piggyback" exception of Exchange Act Rule 15c2-11(f)(3).

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed companies. Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed companies is suspended for the period from 9:30 a.m. EDT on June 23, 2016, through 11:59 p.m. EDT on July 7, 2016.

By the Commission.

Jill M. Peterson,
Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78109; File No. SR-CHX-2016-08]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding Fingerprinting

June 21, 2016.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Exchange Act" or "Act"),¹ and Rule 19b-4² thereunder, notice is hereby given that on June 9, 2016, the Chicago Stock Exchange, Inc. ("CHX" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by CHX. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)⁴ thereunder. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CHX proposes to amend the Rules of the Exchange ("CHX Rules") to update provisions regarding the fingerprinting of securities industry personnel associated with Participants.⁵

CHX has designated this proposed rule change as non-controversial pursuant to section 19(b)(3)(A)⁶ of the Act and Rule 19b-4(f)(6)⁷ thereunder and has provided the Commission with the notice required by Rule 19b-4(f)(6)(iii).⁸

The text of this proposed rule change is available on the Exchange's Web site at (www.chx.com) and in the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of and basis for the

proposed rule changes [sic] and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Changes

1. Purpose

The Exchange proposes to amend Article 6, Rule 10 regarding the fingerprinting of security industry personnel. Current Article 6, Rule 10 provides that each Participant and Participant Firm is responsible for ensuring compliance with section 17(f) of the Exchange Act⁹ and SEC Rule 17f-2¹⁰ regarding the fingerprinting of securities industry personnel. Thereunder, paragraph .01 of the Interpretations and Policies of Article 6, Rule 10 provides that Participants may submit fingerprint cards to the Exchange for processing.¹¹ Paragraph .02 of the Interpretations and Policies of Article 6, Rule 10 provides that the Exchange

⁹ 15 U.S.C. 78q(f).

¹⁰ 17 CFR 240.17f-2.

¹¹ While the Exchange is currently permitted to require Participants to submit fingerprints to either the Exchange or to the Financial Industry Regulatory Authority ("FINRA") Web Central Registration Depository ("Web CRD"), in 2011, the Exchange eliminated, among other things, fees for fingerprint processing by the Exchange and noted that the Exchange no longer provided fingerprint processing services. See Exchange Act Release No. 64953 (July 25, 2011), 76 FR 45626 (July 29, 2011) (SR-CHX-2011-19) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Clarify the Application of the Fee Schedule to Certain Transactions of, and Services to, CHX Participants and Make Certain Rate Changes); see also Exchange Act Release No. 57587 (March 31, 2008), 73 FR 18598 (April 4, 2008) (Order Granting Approval of Proposed Rule Change, as Modified by Amendment No. 1, to Amend Rules Relating to Registration Requirements); see also Exchange Act Release No. 57363 (February 20, 2008), 73 FR 10846 (February 28, 2008) (SR-CHX-2007-21) (Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1, to Amend Rules Relating to Registration Requirements).

The CRD is the central licensing and registration system for the U.S. securities industry. The CRD system enables individuals and firms seeking registration with multiple states and self-regulatory organizations to do so by submitting a single form, fingerprint card and a combined payment of fees to FINRA. Through the CRD system, FINRA maintains the qualification, employment and disciplinary histories of registered associated persons of broker dealers.

For those Participants that are not FINRA members, the Exchange collects the appropriate Web CRD fees from such Participants on behalf of FINRA. See CHX Fee Schedule Section J.5. Participants that are also FINRA members are subject to the relevant fingerprint processing fees under the FINRA Registration/Exam Fee Schedule.

shall submit fingerprint cards obtained pursuant to this rule to the Attorney General of the United States or his or her designee for identification and processing and that the Exchange shall maintain the security of fingerprint cards and information received from the Attorney General or his or her designee.

The Exchange proposes to eliminate the reference to "Participant Firm," as the definition of "Participant" includes Participant Firms¹² and replace the reference to "SEC Rule 17f-2" with "Rule 17f-2 under the Exchange Act," which is stylistically consistent with other citations to various rules under the Exchange Act throughout the CHX Rules.¹³

Moreover, as the Exchange no longer permits Participants to submit fingerprints to the Exchange directly,¹⁴ the Exchange proposes to delete paragraphs .01 and .02 of the Interpretations and Policies of Article 6, Rule 10 and adopt language under amended Article 6, Rule 10 that provides that each Participant shall submit the fingerprints of its associated persons to the FINRA Web CRD prior to such personnel performing the functions listed under Rule 17f-2 under the Exchange Act. Thus, the proposed rule change serves to clean up provisions that should have been amended at the time the Exchange filed SR-CHX-2011-19,¹⁵

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act¹⁶ in general and furthers the objectives of sections 6(b)(1)¹⁷ in particular, in that it further enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply, and to enforce compliance by its Participants and persons associated with its Participants, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange, in furtherance of the objectives of section 6(b)(1). Specifically, the Exchange believes that the proposed rule change serves to clean up provisions that should have been amended at the time the Exchange filed SR-CHX-2011-19,¹⁸ which furthers the objectives of section 6(b)(1).

¹² See *supra* note 5.

¹³ See *e.g.*, CHX Article 7, Rule 8(a); see also *e.g.*, CHX Article 12, Rule 8(a).

¹⁴ See *supra* note 11.

¹⁵ See *supra* note 11.

¹⁶ 15 U.S.C. 78f(b).

¹⁷ 15 U.S.C. 78f(b)(1).

¹⁸ See *supra* note 11.

B. Self-Regulatory Organization's Statement of Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as the proposed rule change serves to clarify that the Exchange no longer accepts fingerprint submissions from Participants, which does not implicate competitive issues.

C. Self-Regulatory Organization's Statement on Comments Regarding the Proposed Rule Changes Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Changes and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act¹⁹ and Rule 19b-4(f)(6) thereunder.²⁰

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. The Exchange states that the proposed change cleans up provisions that should have been amended at the time the Exchange filed SR-CHX-2011-19.²¹ The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest. The rule change removes outdated rule text regarding the Exchange submitting fingerprint cards and amends Rule 10 to state that fingerprints must be submitted via Web CRD. Waiver of the operative delay will permit CHX to implement the change, which aligns its rules with its practice, without delay. Therefore, the Commission designates the proposed rule change to be operative upon filing.²²

¹⁹ 15 U.S.C. 78s(b)(3)(A).

²⁰ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

²¹ See *supra* note 11.

²² For purposes only of waiving the 30-day operative delay, the Commission has considered the

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under section 19(b)(2)(B)²³ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

SUMMARY: The Federal Transit Administration (FTA) is seeking nominations for individuals to serve as members for two-year terms on the Transit Advisory Committee for Safety (TRACS). TRACS provides information, advice, and recommendations to the U.S. Secretary of Transportation (Secretary) and FTA Administrator in response to tasks assigned to the committee. TRACS does not exercise program management responsibilities and makes no decisions directly affecting the programs on which it provides advice. The Secretary may accept or reject a recommendation made by TRACS and is not bound to pursue any recommendation from TRACS.

DATES: FTA is asking for all Nominations to be submitted by August 31, 2016.

FOR FURTHER INFORMATION CONTACT: Adrienne Malasky, Office of Transit Safety and Oversight, Federal Transit Administration, 1200 New Jersey Avenue SE., Washington, DC 20590-0001 (telephone: 202-366-5496; or email: Adrienne.Malasky@dot.gov).

SUPPLEMENTARY INFORMATION:

I. Background

On December 8, 2009, the TRACS was originally chartered by the Secretary for

the purpose of providing a forum for the development, consideration, and communication of information from knowledgeable and independent perspectives regarding modes of public transit safety. The TRACS consists of members representing key constituencies affected by transit safety requirements, including transit rail and bus safety experts, research institutions, industry associations, labor unions, transit agencies, and State Safety Oversight Agencies. TRACS currently has 29 members, which is the maximum number of members.

Pursuant to the mandates at 49 U.S.C. 5329, the FTA is required to develop an implement a national public transportation safety program to improve the safety of all public transportation systems that receive Federal financial assistance under 49 U.S.C. chapter 53. Therefore, TRACS membership is configured to reflect a broad range of safety constituents representative of the public transportation industry and include key constituencies affected by safety requirements for transit rail and/or transit bus. Individuals representing labor unions, rail and bus transit agencies, paratransit service providers (both general public and Americans with Disabilities Act complementary service), State Safety Oversight Agencies, State Departments of Transportation, transit safety research organizations and the rail and bus transit safety industry are invited to apply for membership.

The TRACS meets twice a year, usually in Washington, DC, but may meet more frequently or via conference call as needed. Members serve at their own expense and receive no salary from the Federal Government. The FTA retains authority to review the participation of any TRACS member and to recommend changes at any time. TRACS meetings are open to all members of the public. Interested parties may view information about the committee at: <https://www.transit.dot.gov/regulations-and-guidance/safety/transit-advisory-committee-safety-tracs>.
