

elements beyond the standard elements must be coordinated with the applicable category manager, and approved by the Head of Contracting Activity and GSA's Senior Procurement Executive in order for them to be included with a tailored version of the applicable clause. The determination regarding additional data elements will consider the benefits, alternatives, burden, and need for additional rulemaking.

GSA intends to share transactional data to the maximum extent allowable to promote transparency and

competition while respecting that some data could be exempt from disclosure. Accordingly, a public data extract, containing information that would otherwise be releasable under the Freedom of Information Act (FOIA) (5 U.S.C. 552), will be created for use by the general public.

The data released to the public will provide valuable market intelligence that can be used by vendors for crafting more efficient, targeted business development strategies that incur lower administrative costs. This will be

particularly beneficial for small businesses, which often do not have the resources to invest in dedicated business development staff or acquire business intelligence through third-parties.

*B. Standard Data Elements:* Both Transactional Data Reporting GSAR clauses 552.238–74, Alternate I and 552.216–75 require contractors to report the same eleven standard data elements. These data elements, along with their exemption status under FOIA, are listed in the table below.

Data element description	Exemption status
1. Contract or Blanket Purchase Agreement (BPA) Number .....	Not exempt under FOIA.
2. Delivery/Task Order Number/Procurement Instrument Identifier (PIID) .....	Not exempt under FOIA.
3. Non Federal Entity .....	Not exempt under FOIA.
4. Description of Deliverable .....	Not exempt under FOIA.
5. Manufacturer Name .....	Not exempt under FOIA.
6. Manufacturer Part Number .....	Not exempt under FOIA.
7. Unit Measure (each, hour, case, lot) .....	Not exempt under FOIA.
8. Quantity of Item Sold .....	Exempt—5 U.S.C. 552(b)(4). <sup>2</sup>
9. Universal Product Code .....	Not exempt under FOIA.
10. Price Paid Per Unit .....	Exempt—5 U.S.C. 552(b)(4).
11. Total Price .....	Not exempt under FOIA.

As described in Section A, GSA intends to share transactional data elements that are not exempt under the FOIA with the general public through a public data extract.

*C. Public Comments:* Public comments are invited on the FOIA exemption status of the eleven standard data elements identified in Section B. Comments must be submitted following the instructions above and must identify any data elements addressed by number and description.
