AGENCY: National Institutes of Health, will publish
proposals to be submitted to the Office of Management and Budget (OMB) for
review and approval.

Written comments and/or suggestions from the public and affected agencies are invited on one or more of the
following points: (1) Whether the proposed collection of information is
necessary for the proper performance of the function of the agency, including
whether the information will have practical utility; (2) The accuracy of the
agency’s estimate of the burden of the proposed collection of information,
including the validity of the methodology and assumptions used; (3)
Ways to enhance the quality, utility, and clarity of the information to be
collected; and (4) Ways to minimize the
burden of the collection of information on those who are to respond, including
the use of appropriate automated, electronic, mechanical, or other
technological collection techniques or
other forms of information technology.

To Submit Comments and for Further
Information: To obtain a copy of the
data collection plans and instruments, submit comments in writing, or request
more information on the proposed
