[8–12–2016]

Foreign-Trade Zone (FTZ) 168—Dallas/Fort Worth, Texas, Authorization of Limited Production Activity, Gulfstream Aerospace Corporation, (Passenger Jet Aircraft), Dallas, Texas

On March 8, 2016, the Metroplex International Trade Development Corporation, grantee of FTZ 168, submitted a notification of proposed production activity to the FTZ Board on behalf of Gulfstream Aerospace Corporation, within Site 10, in Dallas, Texas. The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the Federal Register inviting public comment (81 FR 14834, March 8, 2016).
Methodology

The Department is conducting this countervailing duty (CVD) investigation in accordance with section 701 of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.3 For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum.2 A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/. The signed Preliminary Decision Memorandum and the electronic version are identical in content.

The Department notes that, in making these findings, we relied, in part, on facts available and, because we find that one or more respondents did not act to the best of their ability to respond to the Department’s requests for information, we drew an adverse inference where appropriate in selecting from among the facts otherwise available.4 For further information, see “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.
