**LPL Financial LLC, Business Technology Services Including On-Site Leased Workers From Insight Global, LLC, Sogeti, And SPS Providea San Diego, California; LPL FINANCIAL LLC, BUSINESS TECHNOLOGY SERVICES CHARLOTTE, NORTH CAROLINA LPL Financial LLC Business Technology Services Boston, Massachusetts; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 20, 2016, applicable to workers of LPL Financial LLC, Business Technology Services, San Diego, California (TA-W-91,070); LPL Financial LLC, Business Technology Services, Charlotte, North Carolina (TA-W-91,070A); and LPL Financial LLC, Business Technology Services, Boston, Massachusetts (TA-W-91,070B). The Department’s notice of determination was published in the **Federal Register** on March 24, 2016 (Vol. 81 FR 15747).

At the request of a state workforce office, the Department reviewed the certification for workers of the subject firm. The workers were engaged in activities related to the supply of financial services.

The company reports that workers leased from Insight Global, LLC, Sogeti, and SPS Providea were employed on-site at the San Diego, California location of LPL Financial LLC, Business Technology Services (TA-W-91,070). The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification (TA-W-91,070) to include workers leased from Insight Global, LLC, Sogeti, and SPS Providea working on-site at the San Diego, California location of LPL Financial LLC, Business Technology Services.

The amended notice applicable to TA-W-91,070 is hereby issued as follows:

All workers of LPL Financial LLC, Business Technology Services, including on-site leased workers from Insight Global, LLC, Sogeti, and SPS Providea, San Diego, California, who became totally or partially separated from employment on or after October 22, 2014, through February 20, 2018, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 14th day of June, 2016.

**Owens-Brockway Glass Container, Inc., a Subsidiary of Owens-Brockway Packaging, Inc., a Subsidiary of Owens-Illinois Group, Inc., a Subsidiary of Owens-Illinois, Inc., Oakland, California; Notice of Affirmative Determination Regarding Application for Reconsideration**

By application dated May 16, 2016, the United Steelworkers (USW) requested administrative reconsideration of the negative determination regarding workers’ eligibility to apply for worker adjustment assistance applicable to workers and former workers of Owens-Brockway Glass Container Inc., a subsidiary of Owens-Brockway

Packaging, Inc., a subsidiary of Owens-Illinois Group, Inc., a subsidiary of Owens-Illinois, Inc., Oakland, California. The determination was issued on April 15, 2016 and the Notice of Determination was published in the **Federal Register** on May 24, 2016 (81 FR 32787).

Pursuant to 29 CFR 90.18(c) reconsideration may be granted under the following circumstances:

(1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;

(2) If it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or

(3) If in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

The initial investigation resulted in a negative determination based on the findings that there was no increase in imports by the workers’ firm or its customers, nor was there a foreign shift or acquisition by the workers’ firm or its customers. In addition, neither the workers’ firm nor its customers reported imports of articles like or directly competitive with articles for which the article produced by the workers’ firm were directly incorporated.

The request for reconsideration asserts that the subject firm continues to import from a foreign location like or directly competitive services while decreasing articles produced within the United States. The request for reconsideration included new facts.

The Department of Labor has carefully reviewed the request for reconsideration and the existing record, and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

### Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor’s prior decision. The application is, therefore, granted.

Signed in Washington, DC, this 20th day of June 2016.
