BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78302; File No. SR-BatsBYX-2016-18]

Self-Regulatory Organizations; Bats BYX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to BYX Rule 11.26(a), Stating it Will Utilize IEX Market Data From the CQS/UQDF for Purposes of Order Handling, Routing, and Related Compliance Processes

July 12, 2016.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 5, 2016, Bats BYX Exchange, Inc. (the "Exchange" or "BYX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to update Rule 11.26(a) regarding the public disclosure of the sources of data that the Exchange utilizes when performing: (i) Order handling; (ii) order routing; and (iii) related compliance processes to reflect the operation of the Investors Exchange LLC ("IEX") as a registered national securities exchange³ beginning on August 19, 2016.⁴

The text of the proposed rule change is available at the Exchange's Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On June 17, 2016, the Commission approved IEX's application to register as a national securities exchange.⁵ As part of its transition to exchange status, IEX announced that it will commence a symbol-by-symbol roll-out on August 19, 2016, concluding on September 2, 2016.⁶ The Exchange, therefore, proposes to update Rule 11.26(a) regarding the public disclosure of the sources of data that the Exchange utilizes when performing: (i) Order handling; (ii) order routing; and (iii) related compliance processes to reflect the operation of IEX as a registered national securities exchange beginning on August 19, 2016. Specifically, the

⁴ See Letter from Brad Katsuyama, CEO, IEX, to IEX's Sell-Side and Buy-Side Partners, dated June 17, 2016 (<https://www.iextrading.com/>) (stating that IEX will commence a symbol-by-symbol roll-out on August 19, 2016, concluding on September 2, 2016).

⁵ See *supra* note 3.

⁶ See *supra* note 4.

Exchange proposes to amend Rule 11.26(a) to include IEX by stating it will utilize IEX market data from the CQS/UQDF for purposes of order handling, routing, and related compliance processes.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁷ in general, and furthers the objectives of section 6(b)(5) of the Act,⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that its proposal to update Exchange Rule 11.26(a) to include IEX will ensure that the rule correctly identifies and publicly states on a market-by-market basis all of the specific network processor and proprietary data feeds that the Exchange utilizes for the handling, routing, and execution of orders, and for performing the regulatory compliance checks related to each of those functions. The proposed rule change also removes impediments to and perfects the mechanism of a free and open market and protects investors and the public interest because it provides additional specificity, clarity and transparency.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes its proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, the Exchange believes the proposal would enhance competition because including all of the exchanges enhances transparency and enables investors to better assess the quality of the Exchange's execution and routing services.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The

Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (A) Significantly affect the protection of investors or the public interest; (B) impose any significant burden on competition; and (C) by its terms, become operative for 30 days from the date on which it was filed or such shorter time as the Commission may designate it has become effective pursuant to section 19(b)(3)(A) of the Act⁹ and paragraph (f)(6) of Rule 19b-4 thereunder,¹⁰ the Exchange has designated this rule filing as non-controversial. The Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) Necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-BatsBYX-2016-18 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-BatsBYX-2016-18. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-BatsBYX-2016-18 and should be submitted on or before August 8, 2016.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78294; File No. SR-C2-2016-005]

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Order Approving a Proposed Rule Change Relating to Senior Management Authority

July 12, 2016.

I. Introduction

On May 23, 2016, C2 Options Exchange, Incorporated ("C2" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section

19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend its Bylaws and Rules with respect to delegations of certain authorities to senior management. The proposed rule change was published for comment in the **Federal Register** on June 7, 2016.³ The Commission received no comments on the proposal. This order approves the proposed rule change.

II. Description of the Proposed Rule Change⁴

The Exchange proposes to update references to senior management contained in its Bylaws and Rules to more accurately reflect roles and responsibilities within its current senior management structure. The Exchange notes that historically the C2 Chairman of the Board also held the title of Chief Executive Officer ("CEO"). Currently, however, the titles of Chairman of Board, CEO, and President are held by three different individuals. As such, the Exchange proposes to amend its rules relating to authorities delegated to senior management to more accurately reflect the current senior management structure.

A. Reference to Office of the Chairman

First, the Exchange proposes to eliminate the reference to the Office of the Chairman in Section 6.1 (Advisory Board) of the Exchange's Bylaws and replace it with a reference to "management."⁵ Section 6.1 currently provides that the Board will establish an Advisory Board which shall advise the Board and the Office of the Chairman regarding matters of interest to Trading Permit Holders ("TPHs"). The Exchange notes that the Advisory Board's Charter provides that the Advisory Board shall advise the Board and "management" regarding matters of interest to TPHs.⁶ In order to conform the language in Section 6.1 to the Advisory Board Charter, the Exchange proposes to replace the reference to the Office of the Chairman with management.⁷
