Adient US LLC (Adient), owned by Johnson Controls, Inc., submitted a notification of proposed production activity to the FTZ Board for its facilities within FTZ 189D, at sites in Holland and Zeeland, Michigan. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on July 13, 2016.

The facilities are used for the production of motorized seat adjusters for motor vehicles. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status components and specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Customs duties also could possibly be deferred or reduced on foreign-status production equipment.
