Withdrawal of Notice of Intent To Prepare an Environmental Impact Statement for Western Lake Erie Basin, Blanchard River Watershed Study

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of withdrawal.

SUMMARY: The purpose of this notice is to inform the public that the non-Federal sponsor (Hancock County, Ohio) for the Blanchard River Watershed Study has decided to terminate 18 subsequent licenses for the projects, subject to the Federal Energy Regulatory Commission’s (FERC) requirements, 18 CFR part 380 (Order No. 486, 52 Federal Register 47897), the Office of Energy Projects has reviewed applications for subsequent licenses for the Upper Red Lake Dam Hydroelectric Project (FERC Project No. 2484–018) and the Weed Dam Hydroelectric Project (FERC Project No. 2464–015), located on the Red River in Shawano County, Wisconsin. The projects do not occupy federal land.

The environmental assessment analyzes the potential environmental effects of continuing to operate the projects, and concludes that issuing subsequent licenses for the projects, with appropriate environmental measures, would not constitute a major federal action significantly affecting the quality of the human environment.
