SUPPLEMENTARY INFORMATION:**I. Abstract**

The Indian Self-Determination and Education Assistance Act (ISDEAA) authorizes and directs the Bureau of Indian Affairs (BIA) to contract or compact with and fund Indian Tribes and Tribal organizations that choose to take over the operation of programs, services, functions and activities (PSFAs) that would otherwise be

operated by the BIA. These PSFAs include programs such as law enforcement, social services, and tribal priority allocation programs. The contracts and compacts provide the funding that the BIA would have otherwise used for its direct operation of the programs had they not been contracted or compacted by the Tribe, as authorized by 25 U.S.C. 450 *et. seq.*

Congressional appropriations are divided among BIA and Tribes and Tribal organizations to pay for both the BIA's direct operation of programs and for the operation of programs by Tribes and Tribal organizations through Self-Determination contracts and compacts. The regulations implementing ISDEAA are at 25 CFR 900.

The data is maintained by BIA's Office of Indian Services, Division of Self-Determination. The burden hours for this continued collection of information are reflected in the Estimated Total Annual Hour Burden in this notice.

II. Request for Comments

The Bureau of Indian Affairs (BIA) requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
