[Public Notice: 9655]

U.S. Department of State Advisory Committee on Private International Law (ACPIL): Public Meeting on Family Law

The Office of the Assistant Legal Adviser for Private International Law, Department of State, gives notice of a public meeting to discuss a questionnaire prepared by the Permanent Bureau of the Hague Conference on Private International Law (“Hague Conference”) on the topic of international parentage and surrogacy. The public meeting will take place on Tuesday, September 13, 2016 from 1 p.m. until 5 p.m. EDT. This is not a meeting of the full Advisory Committee.

In March 2015, the Council on General Affairs and Policy (“Council”) of the Hague Conference decided that an Experts’ Group should be convened to explore the feasibility of advancing work on private international law issues surrounding the status of children, including issues arising from international surrogacy arrangements. In preparation for the second meeting of the Experts’ Group, the Permanent Bureau has circulated a questionnaire seeking ideas and views from members of the Experts’ Group.

The purpose of the public meeting is to obtain the views of concerned stakeholders on the questions presented in the questionnaire. A copy of the questions to be discussed will be provided to individuals who will be participating in the public meeting. Those who cannot attend but wish to comment are welcome to do so by email to Michael Coffee at coffeems@state.gov.
Time and Place: The meeting will take place from 1 p.m. until 5 p.m. EDT in Room 10.00, State Department Annex 17, 600 19th Street NW., Washington, DC 20522. Participants should plan to arrive at the North Entrance by 12:40 p.m. for visitor screening. If you are unable to attend the public meeting and would like to participate from a remote location, teleconferencing will be available.

Public Participation: This meeting is open to the public, subject to the capacity of the meeting room. Access to the building is strictly controlled. For pre-clearance purposes, those planning to attend should email pil@state.gov providing full name, address, date of birth, citizenship, driver’s license or passport number, and email address. This information will greatly facilitate entry into the building. A member of the public needing reasonable accommodation should email pil@state.gov not later than September 6, 2016. Requests made after that date will be considered, but might not be able to be fulfilled.

If you would like to participate by telephone, please email pil@state.gov to obtain the call-in number and other information. We ask that each person who intends to participate by telephone notify us directly so that we may ensure that we have adequate dial-in capacity.

Data from the public is requested pursuant to Public Law 99-399 (Omnibus Diplomatic Security and Antiterrorism Act of 1986), as amended; Public Law 107-56 (USA PATRIOT Act); and Executive Order 13356. The purpose of the collection is to validate the identity of individuals who enter Department facilities.

The data will be entered into the Visitor Access Control System (VACS-D) database. Please see the Security Records System of Records Notice (State-36) at https://foia.state.gov/_docs/SORN/State-36.pdf for additional information.

Dated: July 20, 2016.

Michael S. Coffee,
Attorney-Adviser, Office of Private International Law, Office of the Legal Adviser, U.S. Department of State.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36050]

Iowa Southern Railway Company—Lease and Operation Exemption—Appanoose County Community Railroad, Inc.

Iowa Southern Railway Company (ISR), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire by lease from Appanoose County Community Railroad, Inc. (APNC) and to operate approximately 34.5 miles of rail line between milepost 0.0 in Centerville, Appanoose County, Iowa, and milepost 34.5 in Albia, Monroe County, Iowa.

This transaction is related to a concurrently filed verified notice of exemption in *Progressive Rail Incorporated—Continuance in Control Exemption—Iowa Southern Railway*, Docket No. FD 36051, wherein Progressive Rail Incorporated seeks Board approval to continue in control of ISR, upon ISR’s becoming a Class III rail carrier.

ISR certifies that its projected annual revenues as a result of this transaction will not exceed \$5 million or result in the creation of a Class II or Class I rail carrier. ISR states that the lease agreement does not include any provision limiting its future interchange of traffic on the line with a third-party connecting carrier.

The transaction may be consummated on or after August 13, 2016, the effective date of the exemption (30 days after the verified notice of exemption was filed). If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than August 5, 2016 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 36050, must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Thomas J. Litwiler and Audrey L. Brodrick, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606.

According to ISR, this action is categorically excluded from environmental review under 49 CFR 1105.6(c).
