Catalog of Federal Domestic Assistance (CFDA) Number: 84.031P.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Predominantly Black Institutions (PBI) Formula Grant Program provides grants to eligible institutions to plan, develop, undertake, and implement programs that enhance their capacity to serve more low- and middle-income Black American students; to expand higher education opportunities for eligible students by encouraging college preparation and student persistence in secondary school and postsecondary education; and to strengthen the financial ability of the institutions to serve the academic needs of these students.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 82, 84, 86, 97, 98, and 99. (b) The OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

II. Award Information

Type of Award: Formula grant.

Estimated Available Funds: $9,942,000.

Estimated Average Size of Awards: Grants awarded under the PBI Formula Grant Program are allotted to eligible institutions based on the formula included in section 318(e) of the HEA (20 U.S.C. 1059e(e)), with no grantee allotted less than $250,000.

If the amount appropriated for this program for a fiscal year is not sufficient to pay the minimum allotment to eligible institutions, then the amount of the minimum allotment must be ratably reduced, in accordance with section 318(e) of the HEA (20 U.S.C. 1059e(e)(4)).

Funding Formula:

Grant amounts to PBIs are awarded according to the following formula:

(1) Federal Pell Grant basis—From the amount appropriated for this program for any fiscal year, the Secretary allots to each PBI with an approved application a sum that bears the same ratio to one-half of that amount as the number of Federal Pell Grant recipients in attendance at such institution at the end of the academic year preceding the beginning of that fiscal year, bears to the total number of Federal Pell Grant recipients at all such institutions at the end of such academic year.

(2) Graduates basis—From the amount appropriated for this program for any fiscal year, the Secretary allots to each PBI with an approved application a sum that bears the same ratio to one-fourth of that amount as the number of graduates for such academic year at such institution, bears to the total number of graduates for such academic year at all such institutions.

(3) Graduates seeking a higher degree basis—From the amount appropriated for this program for any fiscal year, the Secretary allots to each PBI with an approved application a sum that bears the same ratio to one-fourth of that amount as the percentage of graduates from such institution who are admitted to and in attendance at, not later than two years after graduation with an associate’s degree or a baccalaureate degree, a baccalaureate degree-granting institution or a graduate or professional school in a degree program in disciplines in which Black American students are underrepresented, bears to the percentage of such graduates for all such institutions.

Estimated Number of Awards: All applicant institutions that meet the eligibility requirements will receive a portion of the total appropriations for the PBI Formula Grant Program.

Note: The Department is not bound by any estimates in this notice.

Project Period: 60 months.

III. Eligibility Information

1. Eligible Applicants: An applicant must—

(a) Have an enrollment of needy undergraduate students as defined in section 318(b)(2) of the HEA (20 U.S.C. 1059e(b)(2));

(b) Have an average educational and general expenditure that is low, per full-time equivalent undergraduate student, in comparison with the average educational and general expenditure per full-time equivalent undergraduate student of institutions that offer similar instruction, except that the Secretary may apply the waiver requirements described in section 392(b) of the HEA (20 U.S.C. 1068a(b)) to this subparagraph in the same manner as the Secretary applies the waiver requirements to section 312(b)(1) of the HEA (20 U.S.C. 1058(b)(1));

(c) Have an enrollment of undergraduate students that is not less than 40 percent Black American students (section 318(b)(1)(C) of the HEA; 20 U.S.C. 1059e(b)(1)(C));

(d) Be legally authorized to provide, and provide, within the State, an educational program for which the institution of higher education awards a baccalaureate degree or, in the case of a junior or community college, an associate’s degree (section 318(b)(1)(D) of the HEA; 20 U.S.C. 1059e(b)(1)(D));

(e) Be accredited by a nationally recognized accrediting agency or association determined by the Secretary to be a reliable authority as to the quality of training offered or is, according to such an agency or
association, making reasonable progress toward accreditation (section 318(b)(1)(E) of the HEA (20 U.S.C. 1059e(b)(1)(E))); and

(f) Not be receiving funds under any other provision of part A or part B of title III of the HEA or part A of title V of the HEA (sections 318(b)(1)(F) and 318(e) of the HEA; 20 U.S.C. 1059e(b)(1)(F) and 1059e(e)).

To be eligible for a grant under the PBI Formula Grant Program, an applicant must also meet the definition of a Predominantly Black Institution in section 318(b)(6) of the HEA (20 U.S.C. 1059e(b)(6)). The term Predominantly Black Institution means an institution of higher education, as defined in section 101(a) of the HEA (20 U.S.C. 1001(a))—

(i) That is an eligible institution with not less than 1,000 undergraduate students;

(ii) At which not less than 50 percent of the undergraduate students enrolled at the eligible institution are low-income individuals or first-generation college students; and

(iii) At which not less than 50 percent of the undergraduate students are enrolled in an educational program leading to a bachelor’s or associate’s degree that the eligible institution is licensed to award by the State (defined as each of the 50 States and the District of Columbia) in which the eligible institution is located.

Note: The notice announcing the FY 2016 process for designation of eligible institutions and inviting applications for waiver of eligibility requirements, was published in the Federal Register on November 19, 2015 (80 FR 72422). Only institutions that the Department determines are eligible, or are granted a waiver, may apply for a grant under this program.

2. Cost Sharing or Matching: This program does not require cost sharing or matching unless the grantee uses a portion of its grant for establishing or improving an endowment fund. If a grantee uses a portion of its grant for endowment fund purposes, it must match those grant funds with non-Federal funds in an amount equal to or greater than the Federal funds used for the establishment or increase of the endowment fund (section 318(d)(3) of the HEA (20 U.S.C. 1059e(d)(3))).

5. Funding Restrictions:

We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.

6. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:

To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); and

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry), the Government’s primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following Web site: http://fedgov.dnb.com/webform.

A DUNS number can be created within one to two business days. If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN.

We strongly recommend that you register early.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: www2.ed.gov/fund/grant/apply/sam-faqs.html.

This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. (b) Persistence Rate—four-year institutions: The percentage of first-time, full-time degree-seeking undergraduate students enrolled at four-year PBIs who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same four-year PBI.

(c) Completion Rate—two-year institutions: The percentage of first-time, full-time degree-seeking undergraduate students enrolled at two-year PBIs who graduate within six years of enrollment.

(f) Efficiency Measure: Cost per successful program outcome: Federal cost per undergraduate degree at PBIs.

5. Continuation Awards: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; Whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee’s approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

Lynn B. Mahaffie,
Deputy Assistant Secretary for Policy, Planning, and Innovation Delegated the Duties of the Assistant Secretary for Postsecondary Education.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA), the Equal Employment Opportunity Commission (EEOC or Commission) announces that it intends to submit to the Office of Management and Budget (OMB) a request for a three-year PRA approval of a revised Employer Information Report (EEO–1) data collection. This revised data collection has two components. Component 1 collects the same data that is gathered by the currently approved EEO–1: specifically, data about employees’ ethnicity, race, and sex, by job category. Component 2 collects data on employees’ W–2 earnings and hours worked, which EEO–1 filers already maintain in the ordinary course of business. For the 2016 reporting cycle, all EEO–1 filers would submit the data under Component 1. Starting in 2017, filers with 100 or more employees (both private industry and Federal contractor) would submit data in response to both Components 1 and 2. Contractors with 50 to 99 employees would only submit data for Component 1. In this notice, the EEOC solicits public comment on the utility and burden of collecting pay and hours-worked data through the EEO–1 data collection process.

DATES: Written comments on this notice must be submitted on or before April 1, 2016.

Pursuant to 42 U.S.C. 2000e–8(c), a public hearing concerning the proposed changes to the EEO–1 will be held at a place and time to be announced. To request an opportunity to present your views orally at the hearing, please submit a written request to the EEOC’s Executive Secretariat (street address below) no later than February 22, 2016 to be assured of consideration. Please include your contact information.

ADDRESSES: Comments on this notice may be submitted to the EEOC in three ways; please use only one.

Comments and attachments may be submitted online at http://www.regulations.gov, which is the Federal eRulemaking Portal. Follow the instructions on the Web site for submitting comments. Comments received here will be posted publicly on the same portal without change, including any personal information you provide. However, the EEOC reserves the right to refrain from posting comments, including those that contain obscene, indecent, or profane language; that contain threats or defamatory statements; that contain hate speech; age, religion, or disability; or that promote or endorse services or products.

Hard copy comments and all requests to participate in the hearing may be submitted to Bernadette Wilson, Acting Executive Officer, Executive Secretariat, Equal Employment Opportunity Commission, 131 M Street NE., Washington, DC 20507.

The Executive Secretariat also will accept documents totaling six or fewer pages by facsimile (“fax”) machine. This limitation is necessary to assure access to the equipment. The telephone number of the fax receiver is (202) 663–4114. (This is not a toll-free number.) Receipt of fax transmittals will not be acknowledged, except that the sender may request confirmation of receipt by calling the Executive Secretariat staff at (202) 663–4070 (voice) or (202) 663–4074 (TTY). (These are not toll-free telephone numbers.)

Subject to the conditions noted above, the EEOC will post online at http://www.regulations.gov all comments submitted in hard copy or by fax with the Executive Secretariat. The EEOC Headquarters’ library also will make available hard copies of all comments, by advance appointment only, between the hours of 9 a.m. and 5 p.m. Eastern Time. To schedule an appointment to inspect the comments at the EEOC’s library, contact the library staff at (202) 663–4630 (voice) or (202) 663–4641 (TTY). (These are not toll-free numbers.)

For reference when commenting on this notice, the current EEO–1 (and proposed Component 1) can be found at http://www.eeoc.gov/employers/eeo1survey/upload/eeo1-2.pdf. An illustration of the data to be collected by both Components 1 and 2 can be found at http://www.eeoc.gov/employers/eeo1survey/2016_new_survey.cfm.

SUPPLEMENTARY INFORMATION:
The EEO–1 Survey and Its Legal Authority

Section 709(c) of Title VII of the Civil Rights Act of 1964 (Title VII) requires employers to make and keep records relevant to the determination of whether unlawful employment practices have been or are being committed, to preserve such records, and to produce reports as the Commission prescribes by regulation or order.1 Pursuant to this statutory authority, the EEOC in 1966 issued a regulation requiring certain employers to file executed copies of the EEO–1 survey in conformity with the directions and instructions on the form, which called for reporting employee data by job category, ethnicity, race, and sex.2 Pursuant to Executive Order 11246, the Office of Federal Contract Compliance Programs (OFCCP), U.S. Department of Labor (DOL), in 1978 issued its regulation describing the EEO–1 as a report “promulgated jointly with the Equal Employment Opportunity Commission” and requiring certain contractors to submit “complete and accurate reports” annually.3 Through the EEO–1 Joint Reporting Committee housed at the
