Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Study of Digital Learning Resources for Instructional English Learner Students

AGENCY: Office of Planning, Evaluation and Policy Development (OPEPD), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 3501 *et seq.*), ED is proposing a new information collection.

DATES: Interested persons are invited to submit comments on or before September 8, 2016.

ADDRESSES: To access and review all the documents related to the information collection listed in this notice, please use http://www.regulations.gov by searching the Docket ID number ED-2016-ICCD-0055. Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at http:// www.regulations.gov by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted. Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW., LBJ, Room 2E-347, Washington, DC 20202-4537.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Julie Warner, 202–453–6043.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Study of Digital Learning Resources for Instructional English Learner Students.

OMB Control Number: 1875–NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 1,188.

Total Estimated Number of Annual Burden Hours: 827.

Abstract: This study will examine the use of digital learning resources (DLRs) to support the English language acquisition and academic achievement of English Learners (ELs) in K–12 education. The goal of this study is to promote the understanding of the current use of DLRs for instructing EL students in order to inform further research and policy development efforts.

Dated: August 4, 2016.

Kate Mullan,

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.

DEPARTMENT OF ENERGY

Notice of Intent To Grant Exclusive License

AGENCY: Office of the General Counsel, Department of Energy.

ACTION: Notice of intent to grant exclusive patent license.

SUMMARY: The Department of Energy (DOE) hereby gives notice that DOE intends to grant an exclusive license to practice the invention described and claimed in U.S. Patent Number 8,968,827 for "Methods of forming boron nitride" to TNT Ballistic Coating Technologies, Inc. having its principal place of business at Chicago, Illinois. The patent is owned by United States of America, as represented by DOE.

DATES: Written comments, objections, or nonexclusive license applications must be received at the address listed no later than August 24, 2016.

ADDRESSES: Comments, applications for nonexclusive licenses, or objections relating to the prospective exclusive license should be submitted through *Regulations.gov* or to Office of the Assistant General Counsel for Technology Transfer and Intellectual Property, U.S. Department of Energy, Room 6F–067, 1000 Independence Ave. SW., Washington, DC 20585.

FOR FURTHER INFORMATION CONTACT:

Marianne Lynch, Office of the Assistant General Counsel for Technology Transfer and Intellectual Property, U.S. Department of Energy, Room 6F–067, 1000 Independence Ave. SW., Washington, DC 20585; Email: marianne.lynch@hq.doe.gov; and Phone: (202) 586–3815.

SUPPLEMENTARY INFORMATION: This notice of intent to grant an exclusive license is issued in accordance with 35 U.S.C. 209(c)(1) and 37 CFR 404.7(a)(1)(i). The prospective exclusive license also complies with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

35 U.S.C. 209(c) gives DOE the authority to grant exclusive or partially exclusive licenses in federally-owned inventions where a determination is made, among other things, that the desired practical application of the invention has not been achieved, or is not likely to be achieved expeditiously, under a nonexclusive license. The statute and implementing regulations (37 CFR 404) require that the necessary determinations be made after public notice and opportunity for filing written comments and objections.

TNT Ballistic Coating Technologies has applied for an exclusive license to
