#### Granular Polytetrafluoroethylene Resin From Italy: Final Results of Sunset Review and Revocation of Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On June 1, 2016, the Department of Commerce (the Department) initiated a sunset review of the antidumping duty order on granular polytetrafluoroethylene (PTFE) resin from Italy. Because the domestic interested parties did not participate in this sunset review, the Department is revoking this antidumping duty order.

**DATES:** Effective [July 18, 2016].

#### FOR FURTHER INFORMATION CONTACT:

Toby Vandall, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1664.

#### SUPPLEMENTARY INFORMATION:

#### Background

On August 30, 1988, the Department issued the antidumping duty order on granular PTFE resin from Italy.<sup>1</sup> On July 18, 2011, at the conclusion of the most recently completed sunset review, the Department published a notice of continuation of the antidumping duty order on PTFE resin from Italy.<sup>2</sup> On June 1, 2016, the Department initiated the current sunset review of this order.<sup>3</sup> We did not receive a notice of intent to participate from domestic interested parties for this sunset review by the applicable deadline. As a result, in accordance with 19 CFR 351.218(d)(1)(iii)(A), the Department determined that no domestic interested party intends to participate in this sunset review, and on June 20, 2016, we

notified the International Trade Commission, in writing, that we intended to issue a final determination revoking this antidumping duty order.<sup>4</sup>

#### Scope of the Order

The product covered by the order is PTFE resin, filled or unfilled. The order also covers PTFE wet raw polymer exported from Italy to the United States. See *Granular Polytetrafluoroethylene Resin From Italy: Final Affirmative Determination of Circumvention of Antidumping Duty Order*, 58 FR 26100 (April 30, 1993). The order excludes PTFE dispersions in water and fine powders. During the period covered by this review, such merchandise was classified under item number 3904.61.00 of the Harmonized Tariff Schedule of the United States (HTSUS). We are providing this HTSUS number for convenience and customs purposes only. The written description of the scope remains dispositive.

#### Revocation

Pursuant to section 751(c)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the order. Because no domestic interested party filed a notice of intent to participate, the Department finds that no domestic interested party is participating in this sunset review. Therefore, we are revoking the antidumping duty order on PTFE from Italy.

#### Effective Date of Revocation

Pursuant to 19 CFR 351.222(i)(2)(i), the effective date of revocation is July 18, 2016, the fifth anniversary of the effective date of publication in the **Federal Register** of the previous continuation of this order.<sup>5</sup> Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.222(i)(2)(i), the Department intends to issue instructions to U.S. Customs and Border Protection, 15 days after publication of this notice, to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, for consumption on or after July 18, 2016. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and

antidumping duty cash deposit requirements.

#### Porcelain-on-Steel Cooking Ware From the People's Republic of China: Continuation of Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of the determinations by the Department of Commerce ("the Department") and the International Trade Commission ("ITC") that revocation of the antidumping duty ("AD") order on Porcelain-on-Steel Cooking Ware ("POS Cooking Ware") from the People's Republic of China ("PRC") would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing a notice of continuation of the antidumping duty order.

**DATES:** Effective August 11, 2016.

**FOR FURTHER INFORMATION CONTACT:** Andrew Devine, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0238.

#### SUPPLEMENTARY INFORMATION:

##### Background

On February 2, 2016, the Department published the notice of the initiation of the fourth five-year ("sunset") review of the Antidumping Order ("AD Order") on POS Cooking Ware from the PRC, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").<sup>1</sup> As a result of its review, the Department determined that revocation of the AD Order would likely lead to a continuation or recurrence of dumping.<sup>2</sup>

<sup>1</sup> See *Initiation of Five-Year ("Sunset") Review*, 80 FR 45945 (August 3, 2015).

<sup>2</sup> See *Porcelain-on-Steel Cooking Ware From the People's Republic of China: Final Results of*

The Department, therefore, notified the ITC of the magnitude of the margins likely to prevail should the AD Order be revoked.

On July 28, 2016, the ITC published notice of its determination, pursuant to section 751(c) of the Act, that revocation of the AD Order on POS Cooking Ware from the PRC would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.<sup>3</sup>

#### Scope of the Orders

The merchandise covered by the AD Order is porcelain-on-steel cooking ware, including tea kettles, which do not have self-contained electric heating elements. All of the foregoing are constructed of steel and are enameled or glazed with vitreous glasses. The merchandise is currently classifiable under the Harmonized Tariff Schedule of the United States, ("HTSUS") subheading 7323.94.00.<sup>4</sup> Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise is dispositive.

#### Continuation of the Order

As a result of the determinations by the Department and the ITC that revocation of the AD Order would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), the Department hereby orders the continuation of the AD Order on POS Cooking Ware from the PRC. U.S. Customs and Border Protection will continue to collect AD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the Order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of the Order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

This five-year sunset review and this notice are in accordance with section 751(c) of the Act and published

#### Multilayered Wood Flooring From the People's Republic of China: Correction to the Final Results of Antidumping Duty Administrative Review

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:** Lilit Astvatsatrian or William Horn, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6412 or (202) 482-2615, respectively.

**SUPPLEMENTARY INFORMATION:** On July 19, 2016, the Department of Commerce ("the Department") published the final results of the 2013-2014 administrative review of the antidumping duty order on multilayered wood flooring from the People's Republic of China ("PRC").<sup>1</sup> The period of review ("POR") is December 1, 2013, through November 30, 2014. The Department is issuing this notice to correct an inadvertent error in the *Final Results*. Specifically, the Department inadvertently omitted identifying several companies that are part of the PRC-wide entity. The Department finds that 16 companies subject to this review did not establish eligibility for a separate rate. As such, we determine they are part of the PRC-wide entity. The following companies were named in the *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 80 FR 6041 (February 4, 2014), but did not submit a certification of no shipment, separate rate application, or separate rate certification; therefore they are part of the PRC-wide entity: Anhui Suzhou Dongda Wood Co., Ltd.; Baiying Furniture Manufacturer Co., Ltd.; Cheng Hang Wood Co., Ltd.; Dalian Jiuyuan Wood Industry Co., Ltd.; Fu Lik Timber
