Porcelain-on-Steel Cooking Ware From the People's Republic of China: Continuation of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce ("the Department") and the International Trade Commission ("ITC") that revocation of the antidumping duty ("AD") order on Porcelain-on-Steel Cooking Ware ("POS Cooking Ware") from the People's Republic of China ("PRC") would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing a notice of continuation of the antidumping duty order.

DATES: Effective August 11, 2016.

FOR FURTHER INFORMATION CONTACT: Andrew Devine, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0238.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 2016, the Department published the notice of the initiation of the fourth five-year ("sunset") review of the Antidumping Order ("AD Order") on POS Cooking Ware from the PRC, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").¹ As a result of its review, the Department determined that revocation of the AD Order would likely lead to a continuation or recurrence of dumping.²

The Department, therefore, notified the ITC of the magnitude of the margins likely to prevail should the AD Order be revoked.

On July 28, 2016, the ITC published notice of its determination, pursuant to section 751(c) of the Act, that revocation of the AD Order on POS Cooking Ware from the PRC would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.³

Scope of the Orders

The merchandise covered by the AD Order is porcelain-on-steel cooking ware, including tea kettles, which do not have self-contained electric heating elements. All of the foregoing are constructed of steel and are enameled or glazed with vitreous glasses. The merchandise is currently classifiable under the Harmonized Tariff Schedule of the United States, ("HTSUS") subheading 7323.94.00.⁴ Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Continuation of the Order

As a result of the determinations by the Department and the ITC that revocation of the AD Order would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), the Department hereby orders the continuation of the AD Order on POS Cooking Ware from the PRC. U.S. Customs and Border Protection will continue to collect AD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the Order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of the Order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

This five-year sunset review and this notice are in accordance with section 751(c) of the Act and published

Multilayered Wood Flooring From the People's Republic of China: Correction to the Final Results of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatrian or William Horn, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6412 or (202) 482-2615, respectively.

SUPPLEMENTARY INFORMATION: On July 19, 2016, the Department of Commerce ("the Department") published the final results of the 2013-2014 administrative review of the antidumping duty order on multilayered wood flooring from the People's Republic of China ("PRC").¹ The period of review ("POR") is December 1, 2013, through November 30, 2014. The Department is issuing this notice to correct an inadvertent error in the *Final Results*. Specifically, the Department inadvertently omitted identifying several companies that are part of the PRC-wide entity. The Department finds that 16 companies subject to this review did not establish eligibility for a separate rate. As such, we determine they are part of the PRC-wide entity. The following companies were named in the *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 80 FR 6041 (February 4, 2014), but did not submit a certification of no shipment, separate rate application, or separate rate certification; therefore they are part of the PRC-wide entity: Anhui Suzhou Dongda Wood Co., Ltd.; Baiying Furniture Manufacturer Co., Ltd.; Cheng Hang Wood Co., Ltd.; Dalian Jiuyuan Wood Industry Co., Ltd.; Fu Lik Timber
