Chief Counsel for China Enforcement, at (202) 395-3150.

SUPPLEMENTARY INFORMATION:

1. Background

China became a Member of the WTO on December 11, 2001. In accordance with section 421 of the U.S.-China Relations Act of 2000 (Pub. L. 106-286), USTR is required to submit, by December 11 of each year, a report to Congress on China's compliance with commitments made in connection with its accession to the WTO, including both multilateral commitments and any bilateral commitments made to the United States. In accordance with section 421, and to assist it in preparing this year's report, the TPSC is soliciting public comments. Last year's report is available on USTR's Web site: <https://ustr.gov/sites/default/files/2015-Report-to-Congress-China-WTO-Compliance.pdf>.

The terms of China's accession to the WTO are contained in the Protocol on the Accession of the People's Republic of China (including its annexes) (Protocol), the Report of the Working Party on the Accession of China (Working Party Report), and the WTO agreements. The Protocol and Working Party Report can be found on the WTO Web site: <http://docsonline.wto.org> (document symbols: WT/L/432, WT/MIN(01)/3, WT/MIN(01)/3/Add.1, WT/MIN(01)/3/Add.2).

2. Public Comment and Hearing

USTR invites written comments and/or oral testimony of interested persons on China's compliance with commitments made in connection with its accession to the WTO, including, but not limited to, commitments in the following areas:

- a. Trading rights;
- b. import regulation (*e.g.*, tariffs, tariff-rate quotas, quotas, import licenses);
- c. export regulation;
- d. internal policies affecting trade (*e.g.*, subsidies, standards and technical regulations, sanitary and phytosanitary measures, government procurement, trade-related investment measures, taxes and charges levied on imports and exports);
- e. intellectual property rights (including intellectual property rights enforcement);
- f. services;
- g. rule of law issues (*e.g.*, transparency, judicial review, uniform administration of laws and regulations) and status of legal reform; and
- h. other WTO commitments.

In addition, given the United States' view that China should be held accountable as a full participant in, and

beneficiary of, the international trading system, USTR requests that interested persons specifically identify unresolved compliance issues that warrant review and evaluation by USTR's China Enforcement Task Force.

You must submit written comments no later than Wednesday, September 21, 2016.

A hearing will be held on Wednesday, October 5, 2016, in Room 1, 1724 F Street NW., Washington DC 20508. If necessary, the hearing will continue on the next business day. Persons wishing to testify orally at the hearing must provide written notification of their intention by Wednesday, September 21, 2016. The intent to testify notification must be made in the "Type Comment" field under docket number USTR-2016-0012 on the [regulations.gov](http://www.regulations.gov) Web site and should include the name, address and telephone number of the person presenting the testimony. You should attach a summary of the testimony by using the "Upload File" field. The name of the file also should include who will be presenting the testimony. Remarks at the hearing should be limited to no more than five minutes to allow for possible questions from the TPSC.

You should submit all documents in accordance with the instructions in section 3 below.

3. Requirements for Submissions

Persons submitting a notification of intent to testify and/or written comments must do so in English and must identify (on the first page of the submission) "China's WTO Compliance."

In order to ensure the timely receipt and consideration of comments, USTR strongly encourages commenters to make on-line submissions, using the www.regulations.gov Web site. (For further information on using the www.regulations.gov Web site, please consult the resources provided on the Web site by clicking on "How to Use This Site" on the left side of the home page.)

The www.regulations.gov Web site allows users to provide comments by filling in a "Type Comment" field, or by attaching a document using an "Upload File" field. USTR prefers that comments be provided in an attached document. If a document is attached, it is sufficient to type "See attached" in the "Type

Comment" field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in a different application, please indicate the name of the application in the "Type Comment" field.

You can contact Ms. Jamison at (202) 395-3475. General information concerning USTR is available at www.ustr.gov.

Comments will be placed in the docket and open to public inspection, except business confidential information. Comments may be viewed on the www.regulations.gov Web site by entering the relevant docket number in the search field on the home page.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 0.7± acres of airport property at Enterprise Municipal Airport (EDN) under the provisions of 49 U.S.C. 47107(h)(2). The FAA determined that the request to release property at Enterprise Municipal Airport (EDN) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this notice.

The following is a brief overview of the request:

The Enterprise Municipal Airport (EDN) is proposing the release of airport property totaling 0.7 acres, more or less. This land is to be used by City of Enterprise for construction of a municipal fire station. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally

acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at Enterprise Municipal Airport (EDN) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at Enterprise Municipal Airport. The proposed use of this property is compatible with airport operations.

Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

In addition, any person may, upon request, inspect the request, notice and other documents germane to the request in person at the Enterprise Municipal Airport.

Issued in Jackson, Mississippi on August 8, 2016.
