**Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972**

**AGENCY:** Department of the Navy, DoD.  
**ACTION:** Final rule.

**SUMMARY:** The Department of the Navy (DoN) is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General (DAJAG) (Admiralty and Maritime Law) has determined that USS GABRIELLE GIFFORDS (LCS 10) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with certain provisions of the 72 COLREGS without interfering with its special function as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

**DATES:** This rule is effective August 17, 2016 and is applicable beginning August 9, 2016.

**FOR FURTHER INFORMATION CONTACT:** Commander Theron R. Korsak, JAGC, U.S. Navy, Admiralty Attorney, (Admiralty and Maritime Law), Office of

the Judge Advocate General, Department of the Navy, 1322 Patterson Ave. SE., Suite 3000, Washington Navy Yard, DC 20374–5066, telephone number: 202–685–5040.

**SUPPLEMENTARY INFORMATION:** Pursuant to the authority granted in 33 U.S.C. 1605, the DoN amends 32 CFR part 706.

This amendment provides notice that the DAJAG (Admiralty and Maritime Law), under authority delegated by the Secretary of the Navy, has certified that USS GABRIELLE GIFFORDS (LCS 10) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with the following specific provisions of 72 COLREGS without interfering with its special function as a naval ship: Annex I paragraph 2(a)(i), pertaining to the height of the forward masthead light above the hull; Annex I, paragraph 2(f)(i), pertaining to the placement of the masthead light or lights above and clear of all other lights and obstructions; Annex I, paragraph 3(a), pertaining to the location of the forward masthead light in the forward quarter of the ship, and the horizontal distance between the forward and after masthead light; Annex I, paragraph 3(c), pertaining to the task light’s horizontal distance from the fore and aft centerline of the vessel in the athwartship direction. The DAJAG (Admiralty and Maritime Law) has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR parts 296 and 701, that publication of this amendment for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the placement of lights on this vessel in a manner differently from that prescribed herein will adversely affect the vessel’s ability to perform its military functions.

[Docket No. USCG-2016-0797]

RIN 1625-AA08

#### Special Local Regulations; Tall Ships Duluth 2016 Parade of Sail, Lake Superior, Duluth, MN

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing temporary special local regulations on the navigable waters of Lake Superior and Duluth Harbor, Minnesota for the Tall Ships Duluth 2016 Parade of Sail. This action is necessary to provide for the safety of life and property on the navigable waters of Lake Superior and Duluth, Minnesota, during Tall Ships Duluth 2016 Parade of Sail on August 18, 2016. These temporary special local regulations would restrict vessel traffic in portions of Lake Superior and Duluth Harbor, Minnesota, unless authorized by the Captain of the Port (COTP) Duluth.

**DATES:** This rule is effective from 9:00 a.m. through 5:00 p.m. August 18, 2016.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2016-0797 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking

§ Section  
U.S.C. United States Code

##### II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable. Amplifying information regarding event schedule, plan, and vessel participants was not provided by the event sponsor with sufficient time to accommodate the comment period prior to the August 18, 2016 event. Thus, delaying the effective date of this rule to wait for the comment period to run would be both impracticable because it would be impossible to have the rule implemented before the date of the event.

We are issuing this rule, and under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making it effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to public interest as it would inhibit the Coast Guard's ability to protect spectator and vessels from the hazards associated with the event.

##### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1233. These temporary special local regulations will provide for the safety of life and protection of property on the navigable waters of Lake Superior and Duluth Harbor, Minnesota, by providing for the organized viewing of Tall Ships and preventing the large number of spectator vessels from interfering with the organized and controlled Parade of Sail.

##### IV. Discussion of the Rule

Duluth, Minnesota will host the Tall Ships Duluth 2016 from August 18-21, 2016. This visit of sailing vessels is part of a recurring series of sail training races, rallies, cruises, and port festivals organized by Tall Ships America in conjunction with host ports in the United States and Canada. The Tall

Ships Duluth 2016, including a Parade of Sail, is akin to similar events held several times in the past in Duluth, Minnesota, the most recent being in 2013.

The Tall Ships visit to Duluth, which will occur from August 18-21, 2016, will include a Parade of Sail on August 18, 2016. About 9 vessels are expected to participate in the Parade of Sail. These temporary special local regulations will provide for the safety of life and protection of property on the navigable waters of Lake Superior and Duluth Harbor, Minnesota, by providing for the organized viewing of Tall Ships and by preventing the large number of spectator vessels from interfering with the organized and controlled Parade of Sail. There may be vessels participating in the event from several foreign countries and the high visibility of this event warrants that temporary special local regulations be established to ensure the safety of vessels and spectators from hazards associated with Tall Ships Duluth 2016.

The participating vessels will berth at assigned facilities in Duluth, Minnesota, from August 18-21, 2016. On August 19, 2016, visitors will be permitted to board the berthed vessels from shore. On the morning of August 22, 2016, the Tall Ships will depart the Duluth Harbor.

The Coast Guard believes that vessel congestion due to the large number of participating and spectator vessels may pose a significant hazard to navigation. To reduce the risk associated with congested waterways the Coast Guard is proposing to establish regulated areas to restrict vessel movement around the location of the participating Tall Ships while participating in the Parade of Sail in Duluth Harbor. These temporary special local regulations would be in effect from 9:00 a.m. through 5:00 p.m. August 18, 2016.

Area "Duluth Harbor": This Area includes all waters of Lake Superior and Duluth Harbor bounded by Rice's Point to the west and Duluth to the north, within the following boundaries: Beginning at position 46°49'11" N., 92°02'20" W., then due south to position 46°45'12" N., 92°02'20" W., and then west to position 46°45'12" N., 92°05'40" W. (Duluth Marine Terminal South Light (LLNR 15935)). This area is needed to protect the maritime public and participating vessels from hazards to navigation associated with numerous spectator craft during the Parade of Sail on August 18, 2016.
