2. Report title: *Notice of Proposed Declaration of Dividend.*

Agency form number: FR 1583.

OMB control number: 7100-0339.

Frequency: As needed.

Respondents: Savings and Loan Holding Companies.

Estimated number of respondents: 133.

Estimated average hours per response: 16.5 minutes.

General Description of Report:

Savings association subsidiaries of SLHCs provide prior notice of a dividend by filing form FR 1583 that requires information on (1) the date of the filing, (2) the nature and amount of the proposed dividend declaration, and (3) the names and signatures of the executive officer and secretary of the savings association that have provided the notice. The savings association subsidiary must file this prior notice at least 30 days before the proposed declaration of a dividend by its board of directors. This notice may include a schedule proposing dividends of over a specified period, up to 12 months. The statute also provides that the 30-day period commences on the date of receipt of the complete record of the notice by the Federal Reserve. The Federal Reserve Board may request additional information or may impose conditions for the dividend and may determine that such dividend does not comply with the requirements of 12 CFR part 238, subpart K.

Legal authorization and confidentiality: The Board's Legal

Division determined that FR 1583 is authorized by section 10(f) of the Home Owners' Loan Act (HOLA) and section 238.103 of Regulation LL (12 CFR 238.103). Section 10(f) of the Home Owners' Loan Act, as amended (HOLA), 12 U.S.C. 1467a(f), provides that every subsidiary savings association of an SLHC shall give the Board at least 30 days' advance notice of the proposed declaration by its directors of any stock dividend. The obligation to respond is mandatory, as described in the previous paragraph, and the Federal Reserve is authorized to collect this information by section 10(f) of HOLA. The FR 1583 collects information concerning the amount of capital that an SLHC's subsidiary savings association intends to distribute. Specifically, the form asks for the name and address of the savings association, the date of the filing, the nature and amount of the proposed dividend declaration, and the names and signatures of the executive officer and secretary of the savings association. The information collected on the FR 1583 is generally not considered confidential. It is possible that a savings association or SHLC could seek confidential treatment under FOIA exemption 4 for the nature and amount of the proposed dividend declaration, in which case the institution would need to submit a request stating that disclosure of the specific information would likely result in substantial harm to its competitive position and demonstrating the specific nature of the harm that would result from public release of the information. FOIA exemption 4 covers commercial or financial information obtained from a person that is privileged or confidential. The determination of whether confidential treatment should be granted will have be made on a case-by-case basis.

Current Actions: On June 1, 2016, the Federal Reserve published a notice in the **Federal Register** (81 FR 35015) requesting public comment for 60 days on the extension, with revision, of the FR 1583. The comment period for this notice expired on August 1, 2016. The Federal Reserve did not receive any comments. The revisions will be implemented as proposed.
