possible safety signal regarding the use of the drug product Exjade (deferasirox) in children with fever and dehydration that was discussed at the September 2015 PAC meeting.

For the products to be discussed at the PAC meeting, FDA intends to make background material available to the public no later than 2 business days before the meeting. If FDA is unable to post the background material on its Web site prior to the meeting, the background material will be made publicly available at the location of the advisory committee meeting, and the background material will be posted on FDA’s Web site after the meeting. Background material will be available at http://www.fda.gov/AdvisoryCommittees/Calendar/default.htm. Scroll down to the appropriate advisory committee meeting link.

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person on or before September 7, 2016. Oral presentations from the public will be scheduled between approximately 8:30 a.m. to 9:30 a.m. Those individuals interested in making formal oral presentations should notify the contact person and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation on or before August 30, 2016. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, FDA may conduct a lottery to determine the speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by August 31, 2016.

Persons attending FDA’s advisory committee meetings are advised that the agency is not responsible for providing access to electrical outlets. FDA is establishing a docket for public comment for the PAC meeting. The docket number is FDA–2016–N–0567. The docket will close on August 31, 2016. Comments received on or before August 31, 2016, will be provided to the committee. Comments received after the date will be taken into consideration by the agency.

FDA welcomes the attendance of the public at its advisory committee meetings. FDA will make every effort to accommodate persons with disabilities. If you require accommodations due to a disability, please contact Marieann Brill at least 7 days in advance of the meeting.

FDA is committed to the orderly conduct of its advisory committee meetings. Please visit our Web site at http://www.fda.gov/AdvisoryCommittees/AboutAdvisoryCommittees/ucm111462.htm for procedures on public conduct during advisory committee meetings.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Additional Pediatric-focused Safety Reviews: FDA will make available additional pediatric safety review reports for selected products at http://www.fda.gov/AdvisoryCommittees/CommitteesMeetingMaterials/PediatricAdvisoryCommittee/ucm510701.htm. FDA is establishing a second public docket to receive input on additional pediatric-focused safety reviews that will be posted on the Internet. The docket number is FDA–2016–N–2470; the docket will open on September 12, 2016, and remain open until September 23, 2016. These safety review reports are for the following products:

1. BARADECLARE (entecavir)
2. ISENTRESS (raltegravir potassium)
3. LYSTEDTA (triamcinolone)
4. SALONPAS Pain Relief Patch (methyl salicylate 10% and l-menthol 3%).
