(5) Documentation demonstrating that you are legally qualified to hold a lease as set forth in 30 CFR 585.106–107. Legal qualification documents will be placed in an official file that may be made available for public review. If you wish that any part of your legal qualification documentation be kept confidential, clearly identify what should be kept confidential, and submit it under separate cover (see “Protection of Privileged or Confidential Information Section,” below); and
(6) Documentation demonstrating that you are technically and financially capable of constructing, operating, maintaining, and decommissioning the facilities described in paragraph (2) above. Guidance regarding the documentation that could be used to demonstrate your technical and financial qualifications can be found at: http://www.boem.gov/Renewable-Energy-Program/Regulatory-Information/QualificationGuidelines-pdf.aspx. If you wish for any part of your technical and financial qualification documentation to be kept confidential, clearly identify what should be kept confidential, and submit it under separate cover (see “Protection of Privileged or Confidential Information,” below).

It is critical that you provide a complete submission of interest so that BOEM may consider your submission in a timely manner. If BOEM reviews your submission and determines that it is incomplete, BOEM will inform you of this determination in writing and describe the information that BOEM needs from you in order for BOEM to deem your submission complete. You will be given 15 business days from the date of the letter to provide any information that BOEM has deemed missing from your original submission. If you do not meet this deadline, or if BOEM determines that your second submission is also insufficient, BOEM may deem your submission invalid. In such a case, BOEM will not consider your submission.

Requested Information From Interested or Affected Parties

BOEM is also requesting specific and detailed comments from the public and interested or affected parties regarding the following:
(1) Geological and geophysical conditions (including seabed conditions and shallow hazards) in the Proposed Lease Area;
(2) Historic properties and archaeological resources potentially affected by the installation of wind facilities in the Proposed Lease Area;
(3) Other uses of the Proposed Lease Area, including, but not limited to, navigation (including commercial and recreational vessel usage); commercial and recreational fishing; recreational activities (e.g., dive sites, surfing, wildlife viewing, and scenic areas); Department of Defense activities; aviation; other energy-related development activities; scientific research; and utilities and communications infrastructure (e.g., undersea energy and/or telecommunications cables);
(4) Other relevant environmental information relating to the Proposed Lease Area, including but not limited to: national marine sanctuary resources, protected species and habitats, marine mammals, sea turtles, birds, fish, zooplankton, and cultural resources; and
(5) Socioeconomic information relating to the Proposed Lease Area, such as demographics and employment or information relevant to environmental justice considerations.

Protection of Privileged or Confidential Information

Freedom of Information Act

BOEM will protect privileged or confidential information you submit when required by the Freedom of Information Act (FOIA). Exemption 4 of FOIA applies to trade secrets and commercial or financial information that is privileged or confidential. If you wish to protect the confidentiality of such information, please identify and clearly label it with “Contains Confidential Information” and request BOEM treat it as confidential. BOEM will not disclose such information if it qualifies for exemption from disclosure under FOIA. Information not labeled as privileged or confidential will be regarded by BOEM as suitable for public release.

BOEM will not treat as confidential any aggregate summaries of privileged or confidential information or comments containing such information. Additionally, BOEM will not treat as confidential (1) the legal title of any entity submitting an indication of interest (for example, the name of your company), or (2) the list of whole or partial blocks that you are indicating an interest in leasing.

Section 304 of the National Historic Preservation Act (16 U.S.C. 470w–3(a))

BOEM is required to withhold the location, character, or ownership of historic resources if it determines disclosure may, among other things, risk harm to the historic resources or impede the use of a traditional religious site by practitioners. Those providing information eligible for protection under section 304 of NHPA should designate such information as confidential.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1306 (Final)]

Large Residential Washers From China; Scheduling of the Final Phase of an Antidumping Duty Investigation

SUMMARY: The Commission hereby gives notice of the scheduling of the final phase of antidumping investigation No. 731–TA–1306 (Final) pursuant to the Tariff Act of 1930 (“the Act”) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of large residential washers from China, provided for in subheading 8450.20.00 of the Harmonized Tariff Schedule of the United States, preliminarily determined by the Department of Commerce to be sold at less-than-fair-value.\(^1\)

For purposes of this investigation, the Department of Commerce has defined “large residential washers” as “all automatic clothes washing machines, regardless of the orientation of the rotational axis, with a cabinet width (measured from its widest point) of at least 24.5 inches (62.23 cm) and no more than 32.0 inches (81.28 cm), except as noted below.

Also covered are certain parts used in large residential washers, namely: (1) All cabinets, or portions thereof, designed for use in large residential washers; (2) all assembled tubs designed for use in large residential washers which incorporate, at a minimum: (a) A tub; and (b) a seal; (3) all assembled baskets designed for use in large residential washers which incorporate, at a minimum: (a) A side wrapper; (b) a base; and (c) a drive hub; and (4) any combination of the foregoing parts or subassemblies.

Excluded from the scope are stacked washer-dryers and commercial washers. The term “stacked washer-dryers” denotes distinct washing and drying machines that are built on a unitary frame and share a common control that controls both the washer and the dryer. The term “commercial washer” denotes automatic clothes washing machines designed for the “pay per use” segment of the market.

The investigation was requested in a petition filed on December 16, 2015, by Whirlpool Corporation, Benton Harbor, Michigan.

For further information concerning the conduct of this phase of the investigation, hearing procedures, and rules of general application, consult the Commission’s rules generally governing sections 201.6(b)(2), 201.11, 201.13(f), and 207.24 of the Commission’s rules.

DATES: Effective Date: August 15, 2016.

TO BE PUBLISHED IN THE FEDERAL REGISTER:

Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000.

General information concerning the Commission may also be obtained by accessing its internet server (http://www.usitc.gov). The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at http://edis.usitc.gov.

SUPPLEMENTARY INFORMATION:

Background.—The final phase of this investigation is being scheduled, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)), as a result of an affirmative preliminary determination by the Department of Commerce that imports of large residential washers from China are sold at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The investigation was requested in a petition filed on December 16, 2015, by Whirlpool Corporation, Benton Harbor, Michigan.

For further information concerning the conduct of this phase of the investigation, hearing procedures, and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207). Participation in the investigation and public service list.—Persons, including industry users of the subject merchandise and, if the merchandise is sold at the retail level, representatives of consumer organizations, wishing to participate in the final phase of this investigation as parties must file an entry of appearance with the Secretary of the Commission, as provided in section 201.11 of the Commission’s rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigation need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission’s rules, the Secretary will make BPI gathered in the final phase of this investigation available to authorized applicants under the APO issued in the investigation, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(f), who are parties to the investigation. A party granted access to BPI in the preliminary phase of the investigation need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of this investigation will be placed in the nonpublic record on November 22, 2016, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission’s rules.

Hearing.—The Commission will hold a hearing in connection with the final phase of this investigation beginning at 9:30 a.m. on Wednesday, December 7, 2016, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before November 29, 2016. A nonparty who has testimony that may aid the Commission’s deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should participate in a prehearing conference to be held on December 1, 2016, at the U.S. International Trade Commission Building, if deemed necessary. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission’s rules. Parties must submit any request to present a portion of their hearing testimony in camera no later
than 7 business days prior to the date of the hearing.

Written submissions.—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission’s rules; the deadline for filing is November 30, 2016. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission’s rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission’s rules. The deadline for filing posthearing briefs is December 14, 2016. In addition, any person who has not entered an appearance as a party to the investigation may submit a written statement of information pertinent to the subject of the investigation, including statements of support or opposition to the petition, on or before December 14, 2016. On January 3, 2017, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before January 5, 2017, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission’s rules. All written submissions must conform with the provisions of section 201.8 of the Commission’s rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s Handbook on E-Filing, available on the Commission’s Web site at http://edis.usitc.gov, elaborates upon the Commission’s rules with respect to electronic filing.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission’s rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission’s rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

 Authority: This investigation is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission’s rules.

By order of the Commission.

Issued: August 15, 2016.
