SUPPLEMENTARY INFORMATION: FEMA's Urban Areas Security Initiative (UASI) Nonprofit Security Grant Program (NSGP) provides funding support for target hardening activities to nonprofit organizations that are determined by the Secretary of Homeland Security to be at high risk of terrorist attack. The collection of information for the UASI Nonprofit Security Grant Program is mandated by section 2003 of the Homeland Security Act of 2002, 6 U.S.C. 604, as amended by section 101, title I of the Implementing Recommendations of the 9/11 Commission Act of 2007, Public Law 110-53.

Collection of Information

Title: FEMA Preparedness Grants: Urban Areas Security Initiative (UASI) Nonprofit Security Grant Program (NSGP).

Type of Information Collection: Revision of a currently approved information collection.

OMB Number: 1660-0110.

FEMA Forms: FEMA Form 089-25, NSGP Investment Justification Template; FEMA Form 089-24, NSGP Prioritization of the Investment Justifications.

Abstract: The NSGP is an important tool among a comprehensive set of measures to help strengthen the Nation against risks associated with potential terrorist attacks. FEMA uses the information to evaluate applicants' familiarity with the national preparedness architecture and identify how elements of this architecture have been incorporated into regional/state/local planning, operations, and investments. Information collected provides narrative details on proposed activities (Investments) that will be accomplished with grant funds and prioritizes the list of applicants from each requesting State. This program is designed to promote coordination and collaboration in emergency preparedness activities among public and private community representatives, State and local government agencies, and Citizen Corps Councils.

Affected Public: Not-for-profit Institutions; State, Local or Tribal Government.

Number of Respondents: 1,129.

Number of Responses: 1,129.

Estimated Total Annual Burden Hours: 94,575 hours.

Estimated Cost: The estimated annual cost to respondents for the hour burden

is \$3,380,775. There are no annual costs to respondents operations and maintenance costs for technical services. There is no annual start-up or capital costs. The cost to the Federal Government is \$258,006.

Comments

Comments may be submitted as indicated in the **ADDRESSES** caption above. Comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Dated: August 11, 2016.
