**SUPPLEMENTARY INFORMATION:** The BLM is proposing to amend the Coeur d'Alene RMP in accordance with the FLPMA and 43 CFR 1610.5-5. The amendment would classify a 28.69-acre parcel of public land as suitable for lease or conveyance under the Recreation and Public Purposes (R&PP) Act, as amended, and specify that disposal under the Act would serve the public interest. The parcel is located in Kootenai County, Idaho, with the legal description of:

**Boise Meridian, Idaho**

T. 50 N., R. 4 W.,

Secs. 11 and 14, tract 44 (lying north and east in portions of both sections 11 and 14).

The area described aggregates 28.69 acres.

This amendment would allow the BLM to then consider an application from the City of Coeur d'Alene for lease and conveyance of the above parcel under the R&PP Act to develop a city park. The proposed lease and conveyance will be analyzed in the same EA with the amendment.

The purpose of public scoping is to determine relevant issues that will influence the scope of the

environmental analysis, including alternatives, and guide the planning process. Preliminary issues identified by BLM personnel include potential effects on cultural and historic resources, recreation and visual resources, fish and aquatic species, wildlife, and vegetation. Preliminary planning criteria for the amendment include: (a) The plan will be completed in compliance with FLPMA, NEPA, and all other relevant Federal laws, Executive Orders, and management policies of the BLM; (b) Existing planning decisions will remain unchanged unless specifically proposed to be changed; (c) The plan amendment will recognize valid existing rights; and (d) Native American tribal consultations will be conducted in accordance with policy, and tribal concerns will be given due consideration. The planning process will include the consideration of any impacts on Indian trust assets.

You may submit comments on issues and planning criteria in writing to the BLM using one of the methods listed in the **ADDRESSES** section above. To be most helpful, you should submit comments by the date specified in the **DATES** section above. The BLM will use this NEPA public participation process to help satisfy the public involvement requirements under section 106 of the National Historic Preservation Act (NHPA) (16 U.S.C. 470(f)) pursuant to 36 CFR 800.2(d)(3). The information about historic and cultural resources within the area potentially affected by the proposed action will assist the BLM in identifying and evaluating impacts to such resources in the context of both NEPA and section 106 of the NHPA.

Federal, State, and local agencies, along with Tribes and other stakeholders who may be interested in or affected by the proposed action, are invited to participate in the scoping process and, if eligible, may request or be requested by the BLM to participate in the development of the environmental analysis as a cooperating agency.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The minutes and list of attendees for each scoping meeting that may be held will be available to the public and open for 30 days after the meeting to any participant who wishes to clarify the views he or she expressed.

The public is encouraged to identify any management questions and concerns that should be addressed in the plan under the following categories:

1. Issues to be resolved in the plan amendment;
2. Issues to be resolved through policy or administrative action; or
3. Issues beyond the scope of this plan amendment.

The BLM will provide an explanation in the Draft RMP/Draft EA as to why an issue was placed in category two or three. The BLM will work collaboratively with interested parties to identify the management decisions that are best suited to local, regional, and national needs and concerns.

The BLM will use an interdisciplinary approach to develop the plan amendment in order to consider the variety of resource issues and concerns identified. Specialists with expertise in forest management, wildlife and fisheries, archaeology and cultural resources, outdoor recreation, and realty will be involved in the planning process.

**Authority:** 40 CFR 1501.7 and 43 CFR 1610.2.

Dated: August 16, 2016.

**SUPPLEMENTARY INFORMATION:** The Park was established by Section 505(a) of Public Law 95-625, November 10, 1978, and the Commission was established by Section 505(f) of that same law. The Commission was re-established by Title VII, Subtitle E, Section 7401 of Public Law 111-11, the Omnibus Public Land Management Act of 2009, March 30, 2009. The Commission's current termination date is December 18, 2018.

The purpose of the Commission is to advise the Director of the National Park Service with respect to the historical, archeological, cultural, and interpretive programs of the Park. The Commission is to afford particular emphasis to the quality of traditional native Hawaiian cultural practices demonstrated in the Park.

The Commission consists of nine members, each appointed by the Secretary of the Interior, and four ex officio non-voting members. All nine members of the Commission must be residents of the State of Hawaii, and at least six of those appointees must be native Hawaiians. Native Hawaiians are defined as any lineal descendants of the race inhabiting the Hawaiian Islands prior to the year 1778. At least five members must be appointed from nominations provided by native Hawaiian organizations. The four ex officio members include the Park Superintendent, the Manager, Pacific Islands Office, Pacific West Region Honolulu Office, one person appointed by the Governor of Hawaii, and one person appointed by the Mayor of the County of Hawaii.

Nominations should be typed and must include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make an informed decision regarding meeting the membership requirements of the Commission and permit the Department of the Interior to contact a potential member.

Members of the Commission serve without compensation. However, while away from their homes or regular places of business in the performance of services for the Commission as approved by the Designated Federal Officer, members are allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in Government service are allowed such expenses under 5 U.S.C. 5703.

Individuals who are Federally registered lobbyists are ineligible to serve on all Federal Advisory Committee Act (FACA) and non-FACA boards, committees, or councils in an individual capacity. The term "individual capacity" refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest.

All nominations must be compiled and submitted in one complete package. Incomplete submissions (missing one or more of the items described above) will not be considered.
