

Commission Meeting Room at the Commission's headquarters, 888 First Street NE., Washington, DC. The technical conference will be led by Commission staff. All interested parties are invited to attend, and registration is not required.

The purpose of the technical conference is to provide Commission staff and interested parties an opportunity to discuss lessons learned regarding the efficacy of and the need for retention of any of the instant tariff revisions accepted by the Commission in the June 1 Order as well as potential longer-term solutions to address any ongoing limitations at the Aliso Canyon facility. The topics and related questions to be discussed during this conference are attached. No formal presentations will be made other than an opening presentation by CAISO and its Department of Market Monitoring; however, attendees will be encouraged to participate in the discussion along with Commission staff, time permitting. Attendees may also submit questions or potential discussion topics in the docket prior to the technical conference. Any such submissions should be made no later than one week prior to the conference and will be for discussion purposes only, time permitting.

This conference will be transcribed and webcast. Transcripts will be available immediately for a fee from Ace Reporting Company ((202) 347-3700). A link to the webcast of this event will be available in the Commission Calendar of Events at www.ferc.gov. The Capitol Connection provides technical support for the webcasts and offers the option of listening to the conferences via phone-bridge for a fee. [Docket No. CP16-491-000]

National Fuel Gas Supply Corporation; Notice of Request Under Blanket Authorization

Take notice that on August 11, 2016, National Fuel Gas Supply Corporation (National Fuel), 6363 Main Street, Williamsville, New York 14221 filed in Docket No. CP16-491-000, filed a prior notice request pursuant to sections 157.205 and 157.216 of the Federal Energy Regulatory Commission's regulations under the Natural Gas Act (NGA) and National Fuel's blanket authorizations issued in Docket Nos. CP83-4-000. National Fuel seeks authorization to abandon on injection/withdraw storage well and abandon in place the associated well line, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208-3676 or TTY, (202) 502-8659.

National Fuel proposes to abandon facilities in its Henderson Storage Field, located in Mercer County, Pennsylvania. National Fuel proposes to plug and abandon one injection/withdrawal storage well, Well 622, and abandon in place the associated well line NW-622H. National Fuel states that based on the excessive cost to rehabilitate this well, it claims that the most prudent course of action is to plug and abandon it and that the proposed abandonment will not result in a material decrease in service to customers.

Any questions regarding this Application should be directed to Kenneth E. Webster, Attorney for National Fuel, 6363 Main Street, Williamsville, New York 14221, by phone (716) 857-7067, by fax (716) 857-
